Baltimore, Md., Nov. 11. 1903.
Minard's Liniment Co., Limited.

Sirs,—I came across a bottle of your MINARD'S LINIMENT in the hands of one of the students at the University of Maryland, and he being so kind as to let me use it for a very bad sprain, which I obtained in training for foot races, and to say that it helped me would be putting it very mildly, and I therefore ask if you would let me know of one of your agents that is closest to Baltimore so that I may obtain some of it. Thanking you in advance I remain,

Yours truly,

DINING CAR SERVICE ON THE INTERCOLONIAL RAILWAY

The editor of the "Co-operative Citizer" an English magazine devoted to travel and transportation says in a recent issue:—

"We have tried the diners on other railways and unhesitatingly affirm the seventy-five cent meals on the Intercolonial cars are miles ahead in every way and meet the public needs most nearly! He declares them to be equal if not superior to that on any railway it has been our experience to use, either in Great Britain, America or the European Continent."
