

Carnival Preface

WITH OUR Winter Carnival '62 is just around the corner. Winter Carnival is special for many university students. It is a part of the school year crowded with parties and fun. It is open to all students. It is also the time of year when professors lecture to empty classrooms, and make their heads at half-way students who do attend classes. It is hard to picture 1962 without Winter Carnival. Winter

Carnival can also give a brighter outlook on all the stormy cold weather we've been having.

Winter Carnival is sometimes looked at as a week of over consumption of beer. Carnival is not held for this reason. Most of people have spent many hours planning a week of events, and these events were planned for fun and to get the students fully involved, not for getting beer drinking records.

Remember, classes should not be ignored but neither should Winter Carnival events. These events were planned with you, the students, in mind. A good time out for all events will show that your good old UPD can have a fun Winter Carnival.

In behalf of the Student Union I would like to thank Steve Fisher and Bobbie Holmgren, Winter Carnival Co. Chairpersons for all their hard work,

Special thanks should also go to CP's leadership, sponsors, faculty, the UPD staff, and everybody else who worked so hard to plan Winter Carnival '62. Let's see everybody get out and enjoy Winter Carnival '62. Once again thanks to everybody who put in long hours to insure that they can see Winter Carnival '62 be a TOTAL success.

Bob Parker
Vice-President, Winter Carnival
UPD Student Union

Comments From Chairpersons

In a part of the great "Winter Wipe Out '62", Winter Carnival starts on Monday January 22nd and goes to Sunday January 27th. As a kickoff to Winter Wipeout '62, the Student Union is sponsoring a Sale Event on Friday January 26th with T-shirts at the sale. There are numerous events planned, so if people participate in every event a good time will be had by all. Check the schedule in the

middle section for participants on all the events and be on the look out for posters around campus advertising the events.

Advance tickets for all the events will be on sale from Wednesday, Jan. 24th until Saturday, Jan. 27th. Winter Carnival tickets will be available throughout the Carnival at the Bookstore, the Hall, or from either one of us. They have been been

spent planning Winter Carnival, so don't let this great time pass by without establishing some food reserves. Winter Wipe Out '62 is your Carnival and it's up to you to make it the best one yet. We'd love to see some of the people getting involved in the activities because the Carnival is for all of UPD, not just the students. We'd like to thank everyone who helped

organize Winter Carnival. Your time and energy is greatly appreciated. So everyone get out and not only be at the events but participate in as many of the activities as possible to insure that we'll all be "wiped out" after Winter Carnival.
