Pimples And Boils.

Pimples and boils are simply evidences of the bad blood that is circulating in the system coming to the surface. The only way to rid yourself of boils, pimples, and all skin blotches and blemishes so that they'll never return to bother you again is to have the blood purified by Burdock Blood Bitters. It removes every particle of foul material from the blood and, as a result, the skin soon becomes clear and smooth, free from all eruptions.

PIMPLES ON THE FACE.

Mr. E. P. Barnaby, merchant tailor, Shelburne, N.S., writes: "I take great pleasure in recommending B.B.B. to anyone who is troubled with pimples on the face, caused by impure blood. After paying out money to doctors and trying almost everything, I got discouraged and thought they could not be cured, but after using three bottles of B.B.B. the pimples vanished and *I haven't been troubled with them since.*"

HAD TO QUIT WORK.

I can heartily recommend Burdock Blood Bitters as a blood purifying remedy. Last fall while I was threshing I was taken with boils, which became so bad I had to quit work. I was advised to try B.B.B., which I did, and before I had finished one bottle the boils and other sores on my body entirely disappeared and I was completely restored to health.—JAMES ELLIOTT, White P.O., Ont.

S'SIDE AND PRINCE CO

WE understand that a District S. S. Convention will be held at Margate on Tuesday next, March 6th. It is hoped that there will be a large attendance.—Com.

A S. S. Convention was held in the Presbyterian Church at O'Leary on Tuesday last when a District Association was organized to be known as O'Leary District S. S. Association. The officers appointed are Rev. A. H. Whitman, O'Leary, President; Mr. A. J. Matheson, O'Leary, Vice President; Mr. Edwin Brooks, Springfield, Sec.-Treas.; Messrs. Costain, Wm. Ritchie and C. Carruthers were appointed additional members of the Executive. The evening's meeting was opened with prayer and praise, District President presiding. Stirring addresses were delivered by the Pres., Rev. A. H. Whitman, Rev. A. E. Chapman of Maddock, and Mr. T. Moyse of Bedeque. Excellent music was interspersed, Mrs. (Rev.) A. H. Whitman ably presiding at the organ. It was decided to hold the next convention at Springfield, about the first of May next.

Sir Alfred Milner Ill.

Sir Alfred Milner's resignation of the office of High Commissioner at the Cape may be looked for at any moment in consequence of his alarming state of health. Never a robust man, the tremendous toil and anxiety that have weighed upon him during the last six months are beginning to tell. The situation is aggravated by having to live at Government House at Cape Town. In the quieter time that prevailed during Lord Loch's Governorship of the Cape the Governor resided though the hot months at a little place at Wynberg, a suburb some eight miles out of the town. Close by is Groot Schuur, Mr. Cecil Rhodes' home, nestling at the foot of verdurous hills. Residence in Cape Town in December, January February, and March is like living in an oven. Sir Alfred Milner, tied to his desk has suffered this experience. It has told upon him so severely that his physicians have warned him that he is in imminent danger of a complete breakdown.

WORST OF RECORD.

A. N. Wideman's Case Attracting Great Attention to Dodd's Kidney Pills.

DUNTROON, Feb. 26.—Mr. A. N. Wideman's case has been attracting a great deal of attention lately. Mr. Wideman is a resident of this place and consequently well known here. His case was truly remarkable. For five months he lay in bed bent, twisted, distorted by rheumatism He was actually in agony, sometime with pain. Bed sores came out on his body, one of which was poulticed five hundred times before it healed. Until Mr. Wideman started to take Dodd's Kidney Pills it was through that death was the only way out of his misery.

Mr. Wideman was treated by doctors to no avail. They gave him medicine containing mercury which made his teeth break off, but which absolutely failed to cure him. Mr. Wideman was cured by Dodd's Kidney Pills. His case is regarded as the most severe on record and his cure by Dodd's Kidney Pills is the most successful cure of rheumatism known. Mr. Wideman gets letters from all over the country enquiring about Dodd's Kidney Pills.

PILES FOR 15 YEARS

Mr. Jas. Bowles, Councillor, Embro, Ont writes: "For over 15 years I suffered the misery of bleeding, protruding piles. The many remedies I tried all failed. I was advised to use Dr. Chase's Ointment, and must say that the first application gave relief, after the third day the bleeding stopped and two boxes cured me completely."

Trouble Brewing in Newfoundland.

ST. JOHN'S NFLD., Feb. 26.—The French residents of St. Pierre and Miquelon are boycotting the British in those islands who numbered about 1,500 out of the population of 7,000, and who are chiefly Newfoundlanders. This is due to the fact that the recent re-enactment of the French Shore Modus Vivendi by the Newfoundland legislature has upset the statements for French extensions on that shore during the coming fishing season.

Every report of a British success in South Africa still further inflames the French and the British residents fear an organized assault.—St. John's Telegram.

ITCHING PILES

Torture twenty-five per cent. of all men and women.

If you are one of the twenty-five and have not yet used Dr. Chase's Ointment, this announcement will prove of great benefit to you, provided you profit by the advice given and procure this remedy without delay.

The record of cures established by Dr. Chase's Ointment is unparalleled in the history of medicine in Europe or America. It has never yet been known to fail to cure piles of any description whatever.

The first application stops the itching, and continued use will absolutely rid the system of this torturing and loathsome disease.

There's not a town or village in Canada where Dr. Chase's Ointment has not made many cures. Ask your neighbors about it. Few families are without it in the house.

Dr. Chase's Ointment is beyond doubt the world's greatest cure for itching skin diseases. It is invaluable to women as a cure for the itching to which they are subject. It drives away pimples and blackheads and beautifies the skin. It stands pre-eminent as the only guaranteed cure for piles. 60 cts. a box, at all dealers, or EDMANSON, BATES & CO., Toronto.

PEOPLE USED TO SAY TO THE

DENTIST

"I WANT A SET OF TEETH."

And no thought was given to the arrangement, contour, etc. Now it is different. The comfort, health and appearance depend upon dental skill in constructing and properly fitting an artful substitute for the natural teeth. For the choice of teeth to produce the most natural expression, must be taken into account the characteristics of the patient.

To determine the most desirable material for the base or plate in each case the Dentist's skill is called upon to advise. In fitting and constructing the highest mechanical art only can effect the most thorough efficiency and comfort in all the offices that teeth must perform. Our experience in this work. Our superior mechanical facilities, The fact of this branch of our business being in charge of an expert justify the assertion that we can replace the natural teeth as nearly as it is possible for skill to accomplish. All who contemplate wearing artificial plates desire to know something of their manufacture. We are always glad to talk about our work and show examples of many of our interesting cases.

We make eleven different kinds of plates.
We make "Teeth without plates."
You can call in the morning and get your teeth same day.
