A UNIQUE extension table, the invention of A. H. Wadman, is on exhibition in the store of Leonard Morris. The table is handsomely made of imported birch and sycamore, is 5 ft long by 3 1/2 ft wide and can be extended from 9 inches to 3 ft in length by simply drawing out from either of both ends boards each 9 in wide which are raised to the exact level of the main cover of the table. The idea is a good one. There is no disturbing of the legs, nor weakening of the table, but by an easy manipulation a table may be extended more than half its length and without the trouble of carrying boards and placing them into position. Mr. Wadman will likely have the table patented.

CITIZENS of Summerside usually take a deep interest in the affairs of the outside world; but how much time do they take to study over civic matters? Those who have any love for their town should give more thought to the building up of their native place. How to keep Summerside abreast of the times, how to make the town a most desirable place in which to live and more attractive to the stranger, how to draw trade within its borders, should be an object with all classes. Less jealousy, less unfair competition, and more business, more progressiveness should be the aim of all. Let the situation be carefully studied and means devised by which the town may grow in wealth and population. There is at least one plan at hand by which this town will be largely benefited as a whole, and that is by supporting the move to make the Islanders Home Coming next summer one that will leave good impressions upon the stranger. Make the affair a grand success and the place is at once advertised as a summer resort. We have the country, all that is required is a little more of that progressive spirit which has made other towns prosperous.

Another Cure of Chronic Disease

Of the Kidneys and Bowels—Well-known Steamboat Man Endorses Statement Vouched for by Minister.

DR. CHASE'S

Kidney-Liver Pills

Mr. James A. Buchner, St. Catharines Ont., was for years a steamboat man and is favorably known in every port from Cleveland to Montreal. Until a few months ago he was for years a great sufferer from kidney disease, rheumatism and constipation. Dr. Chase's Kidney-Liver Pills have made him well, and for the benefit of others he has made the statement below:—

Mr. Buchner writes:—"For many years I was the unhappy victim of kidney rheumatism and constipation, which became so severe as to make life a burden. I was a constant sufferer, entirely unfit for work; appetite was fickle; I became emaciated; could not sleep, but arose in the morning tired and enfeebled. I lingered on in this condition, gradually growing worse, and became despondent and discouraged because I could obtain no relief from the many medicines used.

"Friends advised Dr. Chase's Kidney-Liver Pills, and I now feel thankful that this medicine came to my hands when I was in such a miserable condition. The first box gave relief, and, filled with joy at the thought of again recovering health, I continued the use of these pills until I had used six or eight boxes and was again enjoying my former health and vigor. I shall always recommend Dr. Chase's Kidney-Liver Pills as an ideal medicine.

Rev. W. D. Masson, Methodist minister, Port Robinson, Ont., writes:—"Being personally acquainted with Mr. J. A. Buchner, who was cured by the use of Dr. Chase's Kidney-Liver Pills, I can say I believe he would not make a statement knowing it to be in any way misleading or untrue.

It is by curing just such chronic and complicated cases as this that Dr. Chase's Kidney-Liver Pills have become so well known as a medicine of exceptional merit. Their direct and combined action on kidneys, liver and bowels makes them successful where ordinary medicines fail. One pill a dose; 25 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto. To protect you against imitations the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.

OWES HIS LIFE TO A NEIGHBOR'S KINDNESS.

Mr. D. P. Daugherty, well known throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea was attended by two physicians who gave him little, if any relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by all druggists.
