Debt Decreased By 70 Millions

(Canadian Press)

OTTAWA, Ont., Oct. 7. — Canada's net debt decreased by $70,189,814 in the first half of the present fiscal year. The financial statement issued today by the Department of Finance shows that on Sept. 30th last the debt amounted to $2,277,644,556 on March 31st. The closing day of the last fiscal year the debt stood at $2,347,834,370. During the first half of the last fiscal year there was a decrease in the debt of $53,903,920, consequently the decrease shown during the first half of the present fiscal year is over sixteen millions more than that for the previous year.

YANKS MAKE IT THREE STRAIGHT FROM PIRATES

The "Babe" Clouted His First Homer Of The Series With Two On. Score 8 to 1.

By ALAN J. GOULD
Associated Press Sports Editor

YANKEE STADIUM, New York, Oct. 7.—The Yankee tornado, steadily gathering force and fury in its sweep to the world's baseball championship, swirled about the Pirates today and all but blew them from the series. Behind the almost flawless pitching of Herb Pennock, southpaw star, and with a crushing attack brought to a climax by Babe Ruth's first homer of the series, the American League champions won their third straight game from Pittsburgh's crippled and wobbly crew, 8 to 1, while more than 60,000 howling fans looked on.

The Yankees need only one more victory to clinch the series and base ball's 1927 crown. At the pace they travelled today behind Pennock's dazzling twirling, they seem altogether likely to end the battle tomorrow. The Pirates, outclassed so far by a wide margin, must win four straight to win, but it would be the biggest kind of a baseball miracle if they did it.

For seven innings today the Pirates were held in the hollow of Pennock's marvelous left hand, bewildered, baffled and impotent before the sharp breaking curves and puzzling change of pace of a veteran who was a cripple, with a badly hurt knee only three days ago.

Through this stretch not a Pirate got the semblance of a hit nor did a corsair foot tred first base safely by any route as the Yankees gave their star brilliant support.

With a not hit game and a world's series record in sight as the crowd cheered him on, the slender southpay weakened a bit in the eighth. Twenty two of the bucaneers had walked the plank in a row when Pie Traynor, their captain, broke through the infield defense with a single to left and scored the one and only Pirate run on a double by Clyde Barnhart. Pennock was nicked for the last hit in the ninth. A scratchy single by Lloyd Waner, but in thus letting the corsairs down with only three safe blows the Yankee veteran furnished one of the greatest world series twirling performances of all time. This was Pennock's fifth series triumph, without a single defeat to mar his wonderful record, thus tying the long-standing mark of a great right hander, John Wesley Coombs, who scored four victories for Connie Macks "Athletes" in 1910-11 and another for Brooklyn in 1916. All of Pennock's victories have been made in a Yankee uniform, two others over the Giants in 1923 and another pair last fall against the Cardinals.

The Yankee batting avalanche, producing two runs in the first inning to give enough margin for victory, swept over the prostrate Pirates in the seventh with a terrific crash, six runs being piled up as Lee Meadows, bespectacled right-hander was driven from the mound and Mike Cvengros, little southpaw, was greeted by Ruth's homer with two runners on the paths.

Ruth's smash, a tremendous drive that landed far up in his favorite sector of the right field bleachers, was a fitting final touch to the Yankee victory. It was the first home run of the series and since it was made by the champion clouter of all, it aroused a tremendous din, a swirling shower of papers and a demonstration that continued for several minutes as the bambino, his face wreathed in smiles, trotted out in front of his own particular crowd—the right field bleacher fans.

Off to a bad start in the first inning, when singles by Combs and Koenig followed by Gehrig's triple, produced two Yankee runs, Meadows settled down to keep close pace with his rival. After that frame Meadows held the Yankees to one hit over a five inning stretch. Through the second, third, fourth and fifth, he allowed not the semblance of a safe blow. He had the Yankee sluggers, especially Ruth, Meusel and Lazzeri, bewildered by his slow curves and floaters. While his support was not as good as that behind Pennock, the Pirate pitcher, over his brief stretch, flashed as much if not more "stuff" than his foe.

THE MARKETS

(Canadian Press)

MONTREAL, Que., Oct. 7.—With the exception of a sale of a few orders of both Canadian and American wheat, and an odd load of barley to foreign buyers, the export trade in grain here today was dull. There was some demand for Canadian western barley and sales of number 4 grade were made at 91-2 cents per bushel over the Winnipeg October option c.i.f. Montreal. The carlot trade was quiet and prices were unchanged. The export and local trade in spring wheat grades of flour was inactive but values were firm. The movement of winter wheat was slow, but the undertone was steady. There was no actual change in prices for millfeed announcement but the undertone to the market for shorts was easier on account of the more liberal supply available. The demand for all lines was steady. The market for standard grades of rolled oats was steady with a small trade passing. The demand from foreign buyers for Canadian baled hay continued good and a fair trade was done including sales of 200 tons to Southampton at 90s per ton c.i.f. while Liverpool bought at 87s 6d per ton. The local market was steady. Prices for all grades of eggs were firmly maintained under a more active demand. The receipts were 921 cases. The bean trade continued active and prices were firm. Car lots of choice white handpicked were quoted at $2.50 per bushel, and smaller quantities at $2.60 to $2.75 per bushel. The butter market was dull and featureless. The receipts were 1,089 packages.

The undertone to the cheese market was inclined to be easier on account of the limited demand from all sources. Western grades were quoted at 21 1-2 cents to 21 5-8 and eastern qualities at 21 to 21 1-4 per pound. The receipts were 5,532 boxes.

OTTAWA, Ont., Oct. 7.—(Eggs)—Storage eggs are moving into consumption in increasing volume in practically all parts of Canada but no price changes are reported today.

Toronto—The local market is unchanged. Prices of fresh to retailers are extras 55, firsts 47, seconds 38 to 40.

Montreal—Fresh extras are jobbing here at 50 to 51, and are meeting with fair demand. The sale of firsts and seconds are slow Vancouver is asking extras 48, firsts 47, pullet extras 41. This is considered a little above the local market. Storage eggs are moving into consumption freely but the car-lot demands is dull.

Edmonton—Prices to retailers are fresh extras 50, firsts 45, seconds 40, storage extras 42, firsts 39, seconds 33.

Vancouver—There is no change in prices here. Small pullet eggs are meeting with a good demand while first sand pullet eggs are dragging. Receipts are increasing. One car load of storage has been shipped to Winnipeg and a car load is leaving for Montreal tomorrow.

St. John—The market is firm and unchanegd. Receipts continue to drop off. Majority of dealers are still depending on fresh eggs for the bulk of their supplies but the storage is expected to increase shortly.

FOOTBALL

This afternoon at the Abegweit grounds at 4.30 the Abegweits will hold football practice. The players to meet in front of the Revere Hotel about 4.15 where a conveyance will be in readiness to take them to the grounds.

The following players are asked to be on hand. H. Saunders, Fred McCarey, Con. Campbell, Ed. Lynds, Ian McKenzie, Silvere DesRoches, St. C. Trainor, Ivan Horne, Len Connolly, Jack Connolly, Jack Morris, Jack McLeod, Joe Lonergan, Ralph Jenkins, George Woods and W. J. McDonald and also any others who would like to come out.

The above line-up with a little practice would make a bang up team that could hold its own with any in the Maritimes, we hope to see them all in their places this afternoon when a good workout is sure to be the result.

When it is necessary to iron a rough-dry garment at once, try this method: Dampen it, roll it tight, wrap it in a cloth and then in paper, and put into the oven while the irons are heating. Evaporation will cause it to be thoroughly dampened in a very few minutes. But care must be taken that the oven is not hot enough to scorch the garments.
