SALT RHEUM CURED.

By Dr. Williams' Pink Pills After Doctors' Treatment Had Failed.

Skin trouble indicates that the blood is in a poisoned state. It is the poison in the blood that causes blotches, pimples, eczema, boils, saltrheum or bad complexion. Dr. Williams' Pink Pills make rich red blood that banishes these troubles. Mrs. Osborne, wife of Andrew Osborne, clerk of the Township of Kennebec, Frontenac County, Ont., writes: "I cannot speak too highly of Dr. Williams' Pink Pills, for they did for me what doctors failed to do. Some years ago I was attacked by saltrheum in the hands, caused by a rundown condition of my blood. I endured the tortures of this terrible disease for some time, and only those who have been similarly afflicted can realize my suffering. At times my hands were so bad that I could not comb my hair, I was helpless. I consulted a doctor but his treatment failed to benefit me—my case seemed incurable. While in this condition I read of Dr. Williams' Pink Pills and decided to give them a trial. Soon I began to improve and by the time I had taken about a dozen boxes I was completely cured and I have not since had the slightest return of the trouble. I can heartily recommend Dr. Williams' Pink Pills to all similar sufferers."

You can't cure eczema, saltrheum and skin eruptions with salves and outward applications. These troubles are rooted in the blood and can only be cured through the rich, red blood Dr. Williams' Pink Pills actually make. This simple medical fact should be known to every one. Dr. Williams' Pink Pills not only cure skin diseases, but all other troubles caused by bad blood, such as anaemia, with its headaches, sideaches and backaches, heart palpitation, indigestion, rheumatism, neuralgia, St. Vitus dance and the special ailments that afflict so many women and growing girls. You can get these pills from your medicine dealer or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Ladies' nobby spring coats in seven, eighth, three-quarter and shorter lengths, are now on display in our mantle rooms. They come in dark grey, fawn, olive, black with hair line stripe and fancy checked tweeds at prices from $6 to $12 each. McGougan & Wright.

All citizens are requested to have themselves vaccinated at once by a competent physician. School children who are unable to pay will be vaccinated free of charge on presentation of a certificate to that effect from some responsible person.—H. J. Massey, Town Clerk. 3 9 d4i

T. H. Dupont, civil engineer, Montreal; is in Summerside, taking a survey preparatory to revising the plans made some years ago for the waterworks and sewerage system. Mr. Dupont spent fifteen days coming from Montreal, twelve of which were spent between Pictou and Summerside. He could have gone to Europe and back again in the same time.

Among the innovations about to be introduced by the recently elected town council, Summerside, is a complaint book, to be kept in the town clerk's office where citizens can record any complaints or grievances to which they wish to call the attention of the Council. Complainants will be requested to attach their names to the grievance. This will it is hoped, do away with much of the vague and meaningless faultfinding that is so often heard on the streets.

McGougan & Wright are now showing in their mantle department a splendid range of early spring styles in ladies' coats and skirts. These goods came to hand on the last trip made by the Stanley. 3-13d1i

A School Concert and Pie Social will be given in Cape Traverse hall on Friday March 15th. A good programme is in readiness. Admission 10 cents. Ladies with pies free. Should above date be unfavorable concert will be held first fine night of following week.

Albany station is in the throes of the mussle mud fever. Three and four cars a day are being received from Summerside and are being distributed in the neighborhood, and as far east and south, as Tryon, Carleton, Cape Traverse, Searletown and other places. Numbers of teams are also hauling direct from Bedeque Bay.

Owing to the increase in my business and the necessity of giving it more of my personal attention, I have decided to dispose of my gents' furnishings. This department is a profitable one and will make a splendid business for a live man who will devote the necessary attention to it. The stock is new and up-to-date. Intending purchasers may inspect it at any time. Terms moderate. W. A. Stewart. 3-12i1f.

The Kensington School concert held in the C. M. B. A. Hall on Friday last was a decided success, John Anderson presided. The following is the program: Opening address by Chairman; chorus, "Maple Land," by school choir; Recitation by Master, Ina Darrach; solo by Miss Minnie Noonan; dialogue, "Dad says so anyhow," by C. Whitehead and L. Murray, hoop march and drill, by sixteen little girls; duet by Misses R. Kennedy and G. Noonan; drama "School Entertainment," by the pupils; trio by Misses L. Caseley, C. Lowther and A. Goss; Japanese Wedding, a pantomime by twelve girls and three boys; song "Sleep, Baby, Sleep," by six little girls; "Little Grandmas in Grandma Land," by twelve characters of ye, olden time; God Save the King. The snug sum of $70.00 was realized.

On Sunday evening, March 10th, in the C. M. B. A. Hall, Tignish, Capt. James McGrath of that place was the recipient of a flattering address, accompanied by a substantial reminder on the eve of his departure to another part of the Province. The audience was representative of the best elements of that ambitious western town, many of the ladies gracing the occasion by their presence. The Presidents of the C. M. B. A. and A. O. H., of which societies Capt. McGrath was a past President, jointly presided. The address, which was read by Dr. P. C. Murphy, was on behalf of the societies and citizens generally and the presentation was made by Charles Dalton. After the presentation appropriate remarks were made by Edward Hackett on behalf of the A. O. H., and Capt. Jno. B. McCarthy, on behalf of the C.M.B.A., and for the citizens Rev. D. M. McDonald, P. P., A. J. McFadyen, J. J. Arsenault, J. C. McCarthy, C. F. Morrissy, J. W. Kinch and Jalbert Brennan. The meeting dispersed by singing the National Anthem.

The Associated Press Society of Summerside, is in anticipation exceedingly grateful to the town council for the promised table about to be furnished for their use in the council chamber.

IMPORTANT ANNOUNCEMENT

We wish to announce to the public in general that we have just opened up a complete and very beautiful stock of Wall Paper. You will find not only the patterns and colorings beautiful in the extreme, but the qualities are very superior, while the prices are much lower than you would expect to pay for such goods. Competent critics say it is the best and most beautiful wall paper they have ever seen, while the prices are a revelation. Added to the extremely moderate prices at which we are able to sell the wall and ceiling papers, we are about to introduce something unparalleld in wall paper selling viz:—Instead of selling the border by the yard as has been the custom, an item, by the way, which always added considerably to the cost of papering a room, we will sell the border by the roll, at the same price as the side wall paper. This is certainly an important saving, and one which will undoubtedly appeal to all.

Not only can we sell you both paper and borders at prices the most moderate, but we promise you an assortment of patterns and colorings which will both charm and delight you. They have been selected with infinite care, and undoubted taste, there being not an undersirable pattern in the whole lot of upwards of 300 different designs. In order to introduce this magnificient line to the public we will hold a

Grand Wall Paper Demonstration

Commencing on Thursday 7th Until Tuesday 12th

An event which will be both unique and appropriate. Our whole second flat will be given over to a gorgeous, yet tasteful, display which will be well worth coming miles to see.

We extend a most cordial invitation to all to come to our Grand Wall Paper Demonstration, and enjoy what will undoubtedly be a feast of artistic beauty. Sample books will be placed in convenient places, while courteous attendants will show the many beautiful designs.

"James B. Duke, the tobacco king of Long Branch, New Jersey, recently claimed in an interview that he had spent more money in advertising than any other living man. He said that the figures would reach fifty million dollars.—Newspaperdom."

Yet James B. Duke is to-day one of the wealthiest men in the world. When you see a liberal advertiser you see a rich man. The business man who in this age of advertising is afraid to invest any money in publicity will never accumulate fortune.—Record.

Always Keeps Chamberlain's Cough Remedy in His House.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand continually in our home," says W. W. Kearney, editor of the Independent, Lowry City, Mo. That is just what every family should do. When kept at hand ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system. This remedy is also without a peer for croup in children, and will prevent the attack when given as soon as the child becomes hoarse, or even after the croupy cough appears, which can only be done when the remedy is kept at hand. For sale by all druggists.
