Use Dominion Ammunition Canadian Made For Canadian Sportsmen

Every shot tells when the velocity is uniform, the pattern perfect and the penetration deep. The fewest shells are shot, and the biggest bags brought back by those who use **Dominion Crown or Sovereign Shells.** They are made to suit every popular gun, and are loaded with Dupont, Empire, Ballistite, Smokeless or Snap Shot Black Powder, Chilled Shot, Wool Felt Wads, with everything true and accurately set.

Dominion Shells Never Miss

You are always sure when you carry Dominion Ammunition. There are more Shot Shells bearing this name used in Canada to-day than all other makes combined. The chief reason is dependibility. The extra care taken in loading each Dominion Shell, the thorough testing and inspection it receives is your assurance of perfection. We guarantee every **Crown** and **Sovereign** Shell.

20 Reasons Why You Should Buy a Chalmers "Light Six"---$2300

1 **Beautiful Design and Finish**—Streamline body, long sloping cowl; tapered motor bonnet; clean running boards; finest coach finish; attractive color.

2 **Molded Oval Fenders**—Original Chalmers design; graceful appearance; full protection from dust and mud.

3 **Big Power; Small Motor**—Genuine T head long stroke motor; 3 1-2 inch bore, 5 1-2 inch Stroke; 30 to 50 horsepower.

4 **Flexibility**—Practically unnecessary to shift gears; widest range of speeds "on high;" such flexibility found only in a "six.".

5 **Silence**—All valve mechanism fully enclosed; large oval cams; large bearing surfaces and perfect lubrication eliminate noises of operation.

6 **Road-Ability**—The "Light Six" hangs well to any road; concentric torque tube assures perfect alignment of driving wheels; no side away; no skidding.

7 **Absence of Vibration**—Perfectly balanced moving parts; steady pull due to long stroke motor; smooth running reduces upkeep expense.

8 **Tungsten Steel Valves**—Highest priced, most efficient valves made; will not warp nor pit; almost never need regrinding.

9 **Chalmers Oiling System**—Feeds oil under pressure directly to all working parts; oil pressure gauge on dash.

10 **Chalmers-Entz Electric Starter**—Proved in actual tests the simplest; most rapid and surest starter built; no automatic devices; built complete in Chalmers shops.

11 **Non-Stallable Motor**—Starter always positively engaged with motor; won't let engine stop; greatest factor of safety ever invented.

12 **Powerful Electric Lights**—Headlights have two lamps—24 candlepower for touring, 6 candlepower for city use; combination tail and license lamp, dash light; extremely simple system.

13 **Extra Tires Carried in Rear**—Absolutely uncluttered running boards; easy entrance or exit from either side of car; distributes weight equally over chassis.

14 **Medium Weight**—Heavy enough to be safe and comfortable; light enough to be economical. Scientifically tested for a four-fold margin of safety. No flimsiness; no unnecessary weight.

15 **Easy Riding**—Long flexible springs have main leaf of Vanadium steel; rear springs underslung.

16 **Fully Equipped**—Regular equipment includes top, rain-vision and ventilating windshield, five demountable rims, tire carrier, speedometer, full electric lights, front and rear license brackets electric horn, full set of tools; pump, jack, tire repair outfit.

17 **Genuine Streamline Bodies**—Dash integral with body; full flush sides; bell back tonneau Chalmers design flush fitting doors; bodies have extra strong construction; deep, luxurious upholstery.

18 **Mechancial Refinements**—En bloc motor with all moving parts enclosed; dash adjustment for carburetor; transmission gears interlocking in all speeds; aeroplane-type motor fan; single unit ignition; all lubrication points accessible; doors hung on invisible hings, wineshields fastened without stay rods.

19 **Economy**—Wide margin of safety, improved bearings, positive lubrication, insure minimum unkeep expense; in proportion to size, maximum mileage per gallon of gasoline; in proportion to weight, lowest tire up-keep.

20 **Low Price**—$2300 fully equipped delivered Charlottetown. The Chalmers "Light Six" is the first standard car offering six-cylinder efficiency and luxury at the price heretofore paid for the average "four."
