"CANADIAN INVESTMENT SECURITIES"

This is the title of a booklet which we have just prepared for distribution to our clients in foreign countries, those who are not familiar with our local investment securities. In it is given rather full particulars (but not too lengthy) of a number of investment securities which we own and offer for sale in lots to suit purchasers.

A small additional supply has been ordered for local investors who may desire a copy. If you wish a copy just drop us a line and it will be mailed at once.

WAS TROUBLED WITH Weakness and Palpitation OR THE HEART.

Through one cause or another a large majority of people are troubled, more or less, with some form of heart trouble.

Little attention is paid to the slight weakness of the heart, but when it starts to beat irregularly or intermittently, palpitate and throb, skip beats, beats fast for a time, then so slow as to seem almost to stop, then it causes great anxiety and alarm.

To all such sufferers Milburn's Heart and Nerve Pills can and will give prompt and permanent relief.

They do this by their restorative influence on every organ and tissue of the body.

Mrs. John J. Downey, New Glasgow, N.S., writes:—"Just a few lines to let you know what your Milburn's Heart and Nerve Pills have done for me. I was troubled with weakness and palpitation of the heart, would have severe choking spells, and could scarcely lie down at all. I tried many remedies, but got none to answer my case like your Pills. I can recommend them highly to all having heart or nerve troubles."

Price 50 cents per box, or 3 boxes for $1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

COULD NOT RAISE MY RIGHT ARM

OLD BRIDGEPORT, C. B.

"For the past 41 years, I have been suffering with Rheumatism. When I read in the papers that GIN PILLS, would positively cure rheumatism, I wrote you for a free sample to try. I could not raise my right arm because of the awful pain in my shoulder—was not able to drink. After taking a few GIN PILLS, I was able to lift my hand and put it on the top of my head.

I went to the Islands of St. Pierre and Miquelon and met an old fisherman named La Pape. His limbs were stiff from Rheumatism and I gave him some Gin Pills. I met him again in a few days and he told me he could lift his arms, which he had not been able to do for ten years. ADOLPHE E. MAHE.

SHERLOCKINETTE NEW DANCE CRAZE IN PARIS.

PARIS, April 15.—The swan song of the Turkey Trot, Bunny Hug and kindred dances has been sung by Paris dancing teachers.

Positively the very latest in terpsichorean movements is the Sherlockinette, which might be called a sequel to the Apache dance.

As the name implies, it is an attempt to portray in the rhythm of slow waltz time the movements of Sherlock Holmes in his search for the criminal.

In the Sherlockinette they have endeavored to substitute a modification of the Dance Des Apaches with some of the violence left out.

ADDRESS AND PRESENTATION.

A very enjoyable time was spent at the Parsonage, Hazelbrook, on Saturday evening last, when a large number of the members of the Church and congregation assembled to do honor to the pastor, it being his birthday. After games, singing and music, etc., and the wants of the inner man had been satisfied, Deacon McCabe was called upon and read the following address:—

Rev. H. S. Erb:

Dear Pastor:—We, the members and friends of Hazelbrook Baptist Church and congregation, here assembled at the parsonage tonight, wish to express our appreciation of your earnest work since you came among us. We feel that our lives have been enriched while we have been permitted to partake of your ministry. You have not spared yourself in the work of the Lord, and we wish to testify to your constant, zealous labor for the uplifting of the people, and the building up of the Church. The influence of your Christian character, the faithfulness of your preaching, together with your natural ability, have won the esteem and favor of us all. Knowing of your gifts, we always feel confident in listening to your discourses from the pulpit, that what you give out, has been accurately and prayerfully prepared, and we are not unconscious that our pulpit is filled by an excellent preacher of God's truth. We joyfully enter into your humor, and sociability in the parsonage, we feel the stimulating influence of these joyous occasions, when we can all meet together, and for a short time let ourselves go. Humor and sociability are contagious and in this way we can best keep in touch with life. We wish to share in your joys, and if sorrow comes, we shall hope that our sympathy will help you to bear it. We trust that you will accept this suit case as a small token of our regard and appreciation of your untiring devotion to the work of the Kingdom. We hope that you may long continue in the position which you now occupy as Under Shepherd for the flock of God at Hazelbrook. Lovingly submitted on behalf of the committee,

LAYTON McCABE, Sec'y.

The reverend gentleman although taken completely by surprise replied in his usual clear and expressive manner. Then all left for their homes feeling that it had been good to be there.
