Conditions Of Bible Study Contest

1. Persons may join the club at any time during the year, but must, of course answer the 52 questions to qualify for the prizes. It is however desirable that the questions be answered as the lessons are studied.

2. Each contestant, or his or her family, must be a subscriber to The Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club.

3. Each contestant in this Local Club, must answer each of the written questions, for 52 consecutive weeks, commencing for Sunday Aug 23rd, 1908, and the answers must all be in the possession of The Guardian within two weeks of the close of this period, which allows two weeks grace after the close of the contest.

4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be a convenience if students will write their answers on letter paper, about 8½

5. Each answer must have the name and address of the writer at the bottom of the answer, so it can be identified, given a number registered and the the name cut off so the examiner may know it by number only.

6. Students should be careful to understand the question before answering. To do this, the lesson text must be read and especially the verse, or verses, upon which the question is based.

7. The answers from this Local Club must be delivered to this office, and they will be collected at the close of the contest, and forwarded to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, ron by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this Local Club will be given out from this office.

Cresolene is a boon to Asthmatics

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach? It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.

NOTICE ! NOTICE !

Do you believe the absolute prohibition of Motor Vehicles of all kinds to be in the best interests of the Province?

Do you think it wise to turn away thousands of dollars each year through prohibiting tourists from coming here with their cars?

Do you know that the agriculturists are now the largest purchasers of Motor Vehicles in nearly every civilized country and that a motor buggy that will carry two persons twenty miles inside of an hour at a cost of twenty cents, can be purchased new for from $250.00 to $375.00?

Do you think any modern improvement that has been brought to such a state of perfection and has been clearly demonstrated to be of such commercial value at the Motor Vehicle can be permanently kept out of any intelligent and progressive country.

Many hundreds of the best people of all classes in the Province have within the last few weeks signed a petition asking for the repeal of the present prohibitory Act and the substitution therefor of a strict regulating measure, the principal features of which are as follows:

"(a) The licensing and registration of all Motor Vehicles.

(b) The numbering of all Motor Vehicles in large plain figures.

(c) The adoption of proper speed limits.

(d) The avoidance of places of public worship during hours of Divine Worship on the Sabbath Day.

(e) The stopping of Motor Vehicles and the working of their engines when meeting or overtaking teams if signalled or requested by the driver of the team to do so.

(f) And such regulations as the Legislature may deem necessary to insure the safety of the travelling public.

(g) The imposing of severe penalties for the infraction of any of the proposed regulations including the revoking of the license of any Motor Vehicle whose driver has been convicted."

It is impossible to reach but a very small part of the population with these petitions and if you have not signed one and are in favor of the above regulation will you kindly cut out and sign the enclosed coupon and have it signed by any friend who thinks as you do and mail it to the undersigned without delay, as the House is now in session.

BRUCE STEWART & CO., Charlottetown.
