Three Operations Failed to Cure Itching Piles.

News of a Marvellous Cure Flies Across the Continent—Father and Son Unite in Praising Dr. Chase's Ointment.

Some cures effected by Dr. Chase's Ointment seem like miracles. Here is a case where doctors labored in vain and operations failed to cure.

Mr. Donald McLeod, Tarbotvale, C. B. writes:—

"I received the sample box of Dr. Chase's Ointment, and it has done me a considerable amount of good. I am now enclosing payment for a large box of Dr. Chase's Ointment, which you will please send to my address.

I have had itching piles for four years and did not know of any medicine that would relieve me until last fall, when I received a letter from my son in Winnipeg, who said that three doctors treated him and operated for piles, but failed to cure him. He now thanks God and Dr. Chase's Ointment for a perfect cure. He had piles in the worst form, and suffered terribly. He is now working hard every day and does not feel any symptoms of piles returning. You are at liberty to use this letter for the benefit of others."

There is little use trying to cure piles unless you use Dr. Chase's Ointment. It is certain to afford quick relief and ultimately thorough cure. 60 cts a box, at all dealers or Edmanson Bates & Co., Toronto.

A HOME CURE.

Consumptives Need not Leave Their Own Homes to be Cured.

The Slocum System

Of Treatment is Offered you Absolutely Free.

A consideration not to be overlooked in the treatment of consumptives is the expense in quest of health. Some of our medical men are now advising their patients to go long distances in the hope that change of air will do them good. A lot of solemn nonsense is being said, and written, about change of climate, and its influence on the patient. "Stick to low altitudes", says one. "Go the mountains" says another. How is a poor perplexed sufferer with sore lungs, to decide among these different authorities? The fact is people die of consumption in all climates. They recover from it too, in all climates if they are treated properly. The only positive cure for the disease is to kill the germs that produce it. This is accomplished under the Slocum system of treatment. The disease must have nothing to feed on. That is the principle underlying the Slocum system. You can try it at your home.

POSITIVELY FREE.

You or your sick friends can have a FREE course of Treatment. Simply write to THE T. A. SLOCUM CHEMICAL CO., Limited, 179 King St. West, Toronto, giving post office and express office address, and the free medicine (The Slocum Cure) will be promptly sent.

When writing for them always mention this paper.

Persons in Canada, seeing Slocum's free offer in American papers will please send for samples to the Toronto laboratories.

COUGHING ALL NIGHT

It s this night coughing that breaks up down, keeping us awake most of the time and annoying every body in the house. Lots of people dont begin to cough until they go to bed. It gets to be so that retiring for the night is an empty form, for they cannot rest.

Adamson's Botanic Cough Balsam makes life worth living to such people by its soothing effect on the throat. The "tickling sensation" promptly disappears when the use of the Balsam is begun and the irritation goes with it. This medicine for cough hasn't a disagreeable thing about is, and it does efficient service in breaking up coughs of long standing. It is prepared from barks and roots and gums of trees, and is a true specific for throat troubles.

Handling coughs is a science that every one should learn. Not knowing how to treat them has cost many fortunes and many lives. In Adamson's Balsam there are the elements which not only heal inflamation, but which protect the inflamed parts from further irritation. The result of this is that the tendency to cough does not manifest itself, and you are surprised at it. Afterwards you would not be without Adamson's Balsam at hand. This remedy can be tested. 25 ents at any druggist.

The attack upon the officers was fostered by a gang of toughs not connected with the railway. No one was injured.
