The Great Eastern TEA PARTY

At St. Peter's Bay, Tuesday, July 15th, 1913

The parishoners of St. Peter's send hearty greetings to their hosts of friends and well-wishers throughout the Province, and cordially invite them all to the

Great Eastern Tea Party

to be held at St. Peter's on Tuesday the 15th day of July.

In issuing this general invitation they confidently promise that their GREAT EASTERN TEA PARTY will afford both young and old, a most delightful holiday and outing, in one of the beauty spots of this beautiful Island.

St. Peter's with its magnificent Bay, and attractive surroundings, is unquestionably a very dreamland of beauty in mid-summer, and, at that season, would well repay a visit under any circumstances. But on Tuesday July 15th, it will offer the added attractions of a great assemblage of people, cheap excursion rates by trains, pleasant and varied amusements, and a bill of fare in every department that cannot fail to please the most exacting taste,

The Tea-party will be held on splendid grounds in close proximity to the beautiful Catholic Church, and within a stones throw of the unrivalled Bay with it's shimmering expanse of waters.

Special trains will be run from Summerside, Charlottetown, Elmira, and all intermediate points. Train arrangements will appear later. In the meantime, look up our big YELLOW POSTER.

Should Tuesday, the 15th July, prove unfavorable the tea-party will be held Thursday, 17th or the first fine day following.

NEWPORT, R. I., July 2—The so-called summer capital today became the mecca for noted leaders of the Progressive party from many sections of the country. They have come to Newport for a two days' rally and conference which promises to be the most notable gathering of the party leaders since the Chicago convention last fall. In addition to the conference of the leaders the programme calls for a series of public rallies in the new convention hall, with a monster clambake as the chief feature of entertainment. Colonel Roosevelt is on hand and this afternoon he delivered a non-partisan address on the subject of the American navy. Former Senator Beveridge, Gifford Pinchot and several other Progressive leaders of national prominence are scheduled for addresses tomorrow.

CANADA IN THE HENLEY REGATTA.

LONDON, July 2:—The annual Henley regatta opened today and will continue through the remainder of the week. No oarsmen of the United States are entered in the regatta this year, but Canada is better represented than ever before and it would not be surprising if one of the coveted trophies was captured by the Canadians.

Most interest centres in the contest for the Grand Challenge Cup, which for seventy-five years has been considered the "blue ribbon" of amateur rowing. The trophy is now held by an Australian crew and was previously won by a Belgian crew several times. This year an eight-oared crew from the Argonaut Rowing Club of Toronto will endeavor once more to score a victory for the Dominion. The only foreign entry in the Grand Challenge event is that of the Paris Rowing Club.

An Argonaut four is entered for the Stewards' Challenge Cup, while in the Diamond Sculls competition the same club will be represented by their crack single sculler, Everand B. Butler.

The race for the Diamond Sculls will bring together many of the foremost amateur single scullers of the entire world. In addition to the entries from the United Kingdom the participants will include representatives of Canada, Tasmania, Germany, Russia, France, Italy and Monaco.

"SALES EXCEED TWO MILLIONS A MONTH"

There must be something fine about a cigar to boost its sales up into the millions. It might not be so wonderful for a short period; but, both Tuckett's "CLUB" and Tuckett's "MARGUERITE" are old favorites. They are sold by tobacconists all over the country and have been for years. Clear Havana "filler"—Flor de Vuelta tobacco—which attains a mildness, sweetness and ripeness known to few other places in Cuba, these cigars have consistently maintained a standard that has given them the preference amongst good smokers everywhere.
