FINISHING MARKET LAMBS.

Don't glut the market with light, thin and unfinished lambs. It would be more profitable to hold such and finish them during the winter months. A good ration consists of a mixture of equal parts ensilage and roots, two to three pounds; and a gain mixture starting at half a pound and finishing at one and a half pounds per day. A good grain mixture for this purpose consists of oats and bran, two parts each; linseed oil cake, one part, to which may be added toward the end of the fattening period two parts of corn.

GAZETTED.— Mr. Colin Gordon Macdonald has been Gazetted Provincial Lieutenant, Supernumerary of the 82nd Abegweit Regiment.

SMOKING IN THE MARKET.—The attention of The Guardian has been called to the fact that quite a number of men congregate in the Market and smoke unceasingly, much to the annoyance of the market women who object to having to stand in clouds of tobacco smoke to display their butter and poultry. As there is a law forbidding this, the proper authorities will no doubt put a stop to it at once.

His brother Harry Gamester, has also enlisted for overseas service and will shortly leave for the front, he was in business with his brother-in-law in Waltham, Mass., till a few years ago. Both young men referred to above are sons of Mr. B. Gamester, Hunter River.

A POPULAR CONCERT.— A large and enthusiastic Social and concert was held in Hartsville Hall on Nov. 24th last by the residents of Hartsville and vicinity, in aid of the Red Cross. There was a nicely arranged program of local talent assisted by Mr. Frank Flood of Kelly's Cross who favored the audience with a couple of solos and recitations all of which were highly appreciated. After the program which was presided over by Mr. Murdoch McKinnon, the sale of baskets was held. These were cleverly auctioned off by Mr. Daniel Lamont of Springton assisted by Mr. J. J. McLeod and much mirth ensued as the baskets were disposed of at very popular prices. Over one hundred dollars was realized and the committee in charge is to be congratulated on its success.

Gentlemen—Last Winter I received great benefit from the use of MINARD'S LINIMENT in a severe attack of LaGrippe, and I have frequently proved it to be very effective in cases of inflammation.

"THE PARISIAN GIRLS"

Coming Xmas Day to Prince Edward.

No better proof that St. John theatre goers appreciate good shows could be asked for than the large audience that filled the Opera House last night to see the Parisian Girls in a change of programme. That they were not disappointed was evidenced by the roars of laughter and applause that seemed to be continuous from the start of the performance until the very close.

"A Day at the Races," they call the comedy, and like a thoroughbred race horse it moves fast and is classy to a marked degree. "Happy" McNally and Tom Carroll, the two principal fun makers, had a host of new jokes and bits of nonsense to offer and proved their versatility by doing some eccentric dancing during the play that was about as clever as has been seen on the local stage. The Beauty Chorus was in evidence with new costumes and plenty of life and every song number on the programme scored a success. For clean, refined entertainment, "A Day at the Races" is to be recommended as 18 caret, right up to the minute, and well worth while.—St. John Standard.
