—MOTHER'S DAY SERVICE. On Sunday morning, May 14, the Sunday School of the Presbyterian Church, Kensington held a special Mother's Day service. The service was led by the Superintendent of the Sunday School, Mr. Isaac C. Walker in an efficent manner. Mr. Boyd Bearisto delivered an instructive and valuable address on the Christian Home. He stressed the responsibilities of the parents to the children. Also he mentioned the home as the foundation of the community, nation and the church. It is essential to fight this war to a finish, but our efforts will be in vain if we as christian parents and workers do not combat the forces which make for moral and spiritual decay and bankruptcy. This can only be done by putting the foundation, the home in condition.

A Pimple Covered Face Kills Many a Romance

The lives of many young people are made miserable by the breaking out of pimples, and you probably know of cases where a promising romance has been spoiled by those red, white, festering and pus filled sores on the face.

The trouble is not so much physical pain, but the mental suffering caused by the embarrassing disfigurement which very often makes the sufferer ashamed to go out in company.

The quickest way to get rid of pimples is to improve the general health by a thorough cleansing of the blood.

Burdock Blood Bitters helps to cleanse the blood and with the blood cleansed the complexion should clear up.

'Lady Bodyguard' is Furiously Funny Film

—Paramount's artful combination of romance, thrills and laughs, "Lady Bodyguard,' is the current fare at the Capitol Theatre. You can take it from this reporter that it's one of the funniest and fastest films of the season.

"Lady Bodyguard," which opened last night, co-stars Eddie Albert and honey-blonde Anne Shirley and a right sparkling bit of entertainment they turn in. Eddie is cast as a test pilot for an airplane company who gets himself insured for a million dollars. The whole thing is a publicity stunt cooked up by the advertising department of a big insurance company — only someone slips and the policy, supposed to be a mere $1,000, is accidentally made out for the million.

Eddie, as a gag has named three "friends" as beneficiaries: Maude Eburne, a broken-down hat check girl; Edward Brophy, a bartender, and Raymond Walburn, a ham actor who plays straight man in burlesque. They make about as unsavory a trio as could be found outside of captivity.

Y. P. U. Rally At Kensington

The annual spring rally of the Central Young People's Union met in the United Church at Kensington on May 26-27. Miss Wanda Mann, president of the Kensington Y. P. U., greeted the delegates, and Miss Isabel MacKay reponded. The guest speaker was Rev. Geo. G. Webber, Secretary of the Lord's Day Alliance, who stressed the physical and spitual values of observing Sunday as a day of rest. Miss Jean Boswell read the financial report, which showed a balance in hand of $24.74 and Rev. John Jarvie gave the report of the Inter-Church Cooperative Committee, outlining the successful way in which the young people of Summerside Baptist and United Churches united for their meetings. The President appointed committees on Press, Nominating and Resolutions. The evening session closed with a service of worship led by the Freetown Union.

The Saturday morning session opened with a devotional service conducted by the Victoria Y. P. U. Then the convention divided into two study groups led by Rev J. Jarvie, on "Youth and Evangelism," and by Rev. E. J. O. Fraser on "How The Bible Came to Be".

The afternoon session opened with a service of worship conducted by the Pleasant Valley Y. P. U. This was followed by a report from the nominating committee, naming the following slate of officers for the coming year, which was adopted:

Hon. President, Rev. D. J. Morrison; Past Pres. Douglas MacFarlane; Pres., Leaman Campbell; Vice - pres., Isabel MacKay; Secretary Treasurer, Jean Boswell; Convenor of Missions, Francis Corney; Fellowship, Wanda Mann; Culture Rita Frizzel; Leadership Training, Dorothy MacKenzie; Boys' Work, Arnold Hierlighy; Girls' Work, Isabel Inman; Publications, Jesse Burns; Recreation, Rev. J. Jarvie.

A report of the Allocations Committee was given by Mr. Jarvie. He presented a number of resolutions; outlining the activities of the Central Young People's Union regarding sacrificial giving. A number of resolutions were adopted, two of which were:

1. Resolved that the Central Young People's Union acknowledge our indebtedness to Jesus Christ as King and Head of His Church and seek greater personal committment to Him.

2. Resolved that each local Union make a greater effort to have a full delegation from the union at every meeting of the Rally, and that the spring Rally in the future begin on a Friday afternoon and conclude the same evening.

The Saturday session closed with a banquet provided by the Ladies' aid of Kensington United Church, to whom a vote of thanks and appreciation was expressed by the Young People. After the banquet toasts were given on the following subjects: The King, the Church, the Clergy, the young people, and the ladies. Suitable responses were made to each. The final address was made by Rev. J. Jarvie

The Rally was brought to a close in the United Church on Sunday evening. Miss Wanda Mann led in prayer, Miss Jean Boswell read the Scripture. The music was led by a young people's choir, and there was a trio by Maylea, David and Edward Boswell, of Victoria. Pilot Officer Robbins, from Mount Pleasant Airport, was the special speaker. He gave a very inspiring address in which he delineated the character of Saul, a man of unusual gifts of body and mind, who was called by God to a place of great eminence and responsibility, but by taking a wrong step in disobeying God his life ended in degeneration and decay and went out in blackness and despair. His tragic life was a beacon of warning to every young man that only by surrender to God and by following His will can any life be made worthwhile.

Loss In Personal Loans Is Small

OTTAWA, May 31—(CP)—The record of loss in small personal loans has been "excellent" with losses slightly more than one-twentieth of one per cent in 7 1-2 years, James Stewart of Toronto assistant general manager of the Canadian Bank of Commerce said today before the Commons Banking Committee.

A small loans service has been featured by his bank, partly as a measure for goodwill, said Mr. Stewart. The business was profitable in a small way, running to about $113,000 net profit a year.

Some 421,000 loans had been granted with a total value of more than $68,000,000. Only in 1,000 cases had the endorser of the loan been required to pay, although the service was designed for the use of those with no security to offer other than their promise of payment from salaries or wages and their good character.

A bill amending the Bank Act, now before the committee, proposes that small personal loans may be made on a basis equivalent to a five-per-cent discount for a one-year loan repayable in equal monthly instalments.

Finance Minister Ilsley said he would appreciate the counsel of the banking committee on this proposal. The banks had not asked for the legislation which was designed to furnish borrowers with facilities for obtaining small loans at reasonable interest rates.

War Veteran Is First To Give Blood At S'side

Pte. Glorious Gallant, Summerside recently discharged from the Veterans' Guard of Canada and a veteran of the first great war was the first blood donor when the mobile unit of the blood donors committee of the Red Cross Society made its first call at Summerside yesterday. This was Pte. Gallant's third donation.

About twenty-five people presented themselves yesterday to give blood, which was very satisfactory for the opening day, according to Mr. Walter S. Grant, Charlottetown, chairman of the blood donors' committee. However, he said that they would like to have fifty donors at the next sitting and that it is possible to handle up to a hundred a day. This will mean that more people will have to volunteer. Whether the mobile unit will visit Summerside on every Wednesday or only on alternate Wednesdays, depends on how well the citizens of Summerside respond to this worthy cause.

Accompanying Mr. Grant yesterday were Miss Iphigenie Arsenault Commissioner of the Red Cross Society for P.E.I. and Miss Ora Profitt, nurse technician. This being their first visit to Summerside they were met by Mr. John E. Campbell, president of the Summerside branch of the Red Cross Society. Mr. Campbell had made most of the arrangements preparatory to bringing the unit to Summerside. Donors yesterday included civilians, members of the R.C.M.P. and the R.C.A.F. There were also three women: Miss Marion Howatt, Miss K. Williams and Miss Bette Coyle.

Each donor is examined to see if he is in proper health to donate. He then goes to the blood procurement room and the operation which takes about fifteen minutes is entirely painless. He then goes to the rest room and is served tea or coffee and toast.

Doctors in attendance yesterday were Dr. Austin Delaney, Summerside and Dr. H. W. Moyse, Bedeque. The permanent nurses for the clinic are: Mrs. Frank McNeil R.N., and Mrs. Victor Travers, R. N. Also present were Miss Miriam Nicholson, R.N., Mrs. Hazen Phillips, R.N., Miss Mary Mill, R.N., Mrs. Inglis, R.N., Mrs. A. E. MacMullen, technician, and Mrs. W. A. Moscript of the Red Cross Corps. Mrs. A B L Horne and Mrs. E. T. Tanton served. The arrangements were in charge of Mrs. G. S. Inman, secretary of the blood donors clinic.

The mobile unit is a gift of the Canadian Division of the National Council of Jewish Women. It is planned to have clinics at the St. Eleanors and Mount Pleasant airports. S.

Prisoners Of War Finely Served By "Y"

Perhaps no finer work is being done by the Y. M. C. A. in this Centennial year, than that being conducted in concentration and prisoner of war camps. Permission has been granted the "Y" by belligerents, even by Japan, to enter these camps and do something for the inmates. Entertainment, sports activities, physical instruction, musical groups, orchestras, etc., have all done much to relieve the tedium of confinement.

The finest effort, however, would seem to be the opportunity afforded prisoners to further their studies, or even practice their profession or calling, so that they may be better fitted for their chosen life-work when they return to civilian life.

This activity is fostered by the War Prisoner's Aid of the Y. M. C. A., instruction and instructors, supplies, materials, text and reference books being sent where needed and where opportunity is granted for placement.

A world wide organization, enjoying the confidence of all nations, the "Y" has been able to carry on this work of inestimable value with prisoners and refugees.

It is symbolic of the "Y" that this Centennial year finds it not resting on its laurels, but rather with shoulder to the wheel, competently doing its tasks, serving where the need it greatest, and looking forward to its second century with faith and thanksgiving.

Air Minister Power who was the guest speaker at the Winnipeg Y. M. C. A.'s annual meeting this week, warmly praised the "Y" Association for its work in supplying many necessary and desirable comforts for the armed forces.
