Synopsis of Canadian North-west Land Regulations.

ANY person who is the sole head of a family, or any male over 18 years old, may homestead a quarter-section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or sub-Agency for the district. Entry by proxy may be made at any Agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties.—Six months' residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres solely owned and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter-section alongside his homestead. Price $3.00 per acre. Duties—Must reside six months in each of six years from date of homestead entry (including the time required to earn homestead patent) and cultivate fifty acres extra.

A homesteader who has exhausted his homestead right and cannot obtain a pre-emption may take a purchased homestead in certain districts. Price $3.00 per acre. Duties—Must reside six months in each of three years, cultivate fifty acres and erect a house worth $300.00.

WIRE WOUNDS.

My mare a very valuable one, was badly bruised and cut by being caught in a wire fence. Some of the wounds would not heal, although I tried many different medicines. Dr. Bell advised me to use MINARD'S LINIMENT, diluted at first, then stronger as the sores began to look better, until after three weeks, the sores have healed and best of all the hair is growing well, and is NOT WHITE as is most always the case in horse wounds.

Put a little "Sunshine" in your home

An old-fashioned, ill-working furnace is a non-producer.

It consumes the coal, but through leaks and cracks wastes the heat.

It is not economy to have such a furnace in your own home, or in your tenant's home.

If you are thinking of building you should be interested in Sunshine Furnace. It adds 100 per cent. to home comforts.

As soon as you let the contract for your house decide on your furnace. The "Sunshine" man will be pleased to tell you just how the rooms ought to be laid out with an eye to securing greatest heat from the smallest consumption of coal.

If you want to experiment with the question don't specify "Sunshine."

If you want to settle the question specify "Sunshine."
