Absolutely Unshrinkable

Stanfield's Underwear can't shrink. We've seen to that for you. Every fibre of the wool is tested for strength. Then we take the shrink out of it. After the wool is woven, we again try to shrink it. And when the Underwear is completely finished, the third trial for shrinkage is made. Every garment goes through the same process.

BODY IN A TRUNK

CLEVELAND, O., Sept. 14.—The body of a middle-aged woman was discovered floating down the river to day tightly wedged in a trunk. The police believe the woman was murdered.

THE PROPER TREATMENT FOR A SPRAINED ANKLE.

As a rule a man will feel well satisfied if he can hobble around on crutches two or three weeks after spraining his ankle, and this usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied, a complete cure has been effected in less than one week's time, and in some cases within three days. For sale by all Druggists.

OTTAWA CLUB A GAMBLING HOUSE.

OTTAWA, Sept 14.—The civic commission which was appointed to inquire into the Chaudiere Club, said to be a gambling institution, will probably order a prosecution. The commission reports tomorrow.

BE QUICK.

Not a minute should be lost after a child shows symptoms of cholera infantum. The first unusual looseness of the bowels should be sufficient warning. If immediate and proper treatment is given serious consequences will be averted. Chamberlain's Colic, Cholera and Diarrhoea Remedy is the sole reliance of thousands of mothers and by its aid they have often saved their children's lives. Every household should have a bottle at hand. Get it today. It may save a life. For sale by all Druggist.

WOMAN KILLED ON THE RAIL.

OTTAWA, Sept, 14 The Winnipeg train due here at 3.60 this afternoon, ran over and killed a woman whose name is given as Mrs. Leteau, at a crossing about two miles out side the city.

Dysentery causes the death of more people than small pox and yellow fever combined. In an army it is dreaded more than a battle. It requires prompt and effective treatment. Chamberlain's Colic, Cholera, and Diarrhoea Remedy has been used in nine epidemics of dysentery in the United States with perfect success, and has cured the most malignant cases, both of children and adults, and under the most trying conditions. Every household should have a bottle at hand. Get it to-day. It may save a life. Sold by all Druggists.

DAWSON CITIZENS.

DAWSON, Y. T., Sept. 14.—By a vote of 288 to 92 the people of Dawson yesterday voted to surrender their town charter to the Yukon territorial administration. The opposition claim that the election was the result of oppression and intimidation, a very large number of ratepayers being disfranchised, and that the job was done in the interests of the liberal political machine.

When you do not relish your food and feel dull and stupid after eating, all you need is a dose of Chamberlain's Stomach and Liver Tablets. They will make you feel like a new man and give you an appetite like a bear. For sale by all druggists.

WILL BE A GREAT HAVEST.

SWIFT CURRENT, N. W. T., Sept. 14.—President Shaughnessy and party reached here this evening, running by daylight from Brandon. They interviewed a large number of persons in the grain centres, and the consensus of opinion estimates the crop yield much larger than last year. In Regina section over thirty per cent. wheat cut as against twenty per cent. cut this time last year, when Regina was visited by heavy snow fall.

THEY MAKE YOU FEEL GOOD.

The pleasant purgative effect experienced by all who use Chamberlain's Stomach and Liver Tablets, and the healthy condition of the body and mind which they create makes one feel joyful. For sale by all Druggists.

HE'S QUITE SURE

That Dodd's Kidney Pills and Nothing Else Cured His Gravel.

BRISTOL, Que., Sept. 12.—(Special.) Mr. Reuben Draper, of this place, has the proof right with him that Dodd's Kidney Pills cure completely and permanently the much dreaded Gravel. The proof consists of two stones, one the size of a small bean and the other as big as a grain of barley. He passed these stones and was relieved of the terrible pains they caused after using Dodd's Kidney Pills for a short time.

Mr. Draper is confident Dodd's Kidney Pills and nothing else brought about his cure, as he had tried two doctors without getting help, and was fast getting weak and despondent when he stopped all other treatments and started to take Dodd's Kidney Pills.
