To Strain the Eyes

To strain the eyes is to spoil the eyesight sooner or later. It may not be right away; it may not be till years hence; but some time or other you will pay the penalty. How much better and wiser it would have been to ease the strain by the use of glasses. You may dislike them; but if you get the proper kind and have them properly fitted you will not find them the bugaboo you imagine. The E. W. Taylor Store has been famed for over 30 years for both good glasses and good fitting. Could you go anywhere else for glasses with such certainty of satisfaction?

KISS WITH HUG IS WORTH $500

MONTREAL, June 5.—Fabieu Gagnon, of 47 Bienville street, estimates that a kiss stolen from his wife is worth $500, and he has accordingly begun suit to recover that amount from Oliver Sauvage, an employe of Cote Des Neiges Cemetery.

In the statement of claim it is alleged that notonly did Savage kiss the plaintiff's wife, but that he hugged her as well. It seems that Sauvage went to Gagnon's house when the master was absent to collect fees for the care of a cemetery lot and that he took advantage of the occasion.

The defense is that Sauvage was unduly tempted. This case has been postponed for a hearing.

Skirts and Shirt Waists

We have been saying nothing to you lately about our stock of Ready-made Skirts and Shirt Waists—not because they are not here in abundance and of the best—but because we had not a chance to get a word in edgeways about them, we had so many other good things to tell you of. Besides our reputation for selling stylish and up-to-date garments in these lines, is well established, and ladies naturally turn their steps to this department when in need of anything specially nice. Never before, however, have we shown such extremely pretty styles at such moderate prices, and the demand for them is so brisk, we are continually ordering and so have always something new and pretty.

In skirts we can show you every stylish color and material, including a nice line of light and medium greys, which will be so fashionable during the coming summer with white or light shirt waists.

Of the latter we have a very lovely display, dainty and stylish and withal cheap, commencing with dainty white waists at 49c each, on up through the various grades in lawn, embroidered linen, swiss muslin and white silk.

We have also all fashionable colors in silk waists, which you should certainly see before you decide on anything, as they are as trim and dressy as you could wish for, at a much smaller price than you could have the same goods made up for.

A line of beautiful high class black silk underskirts, is also worthy of your attention and is a luxury you will be tempted to possess once you see them.

Only a few left of those elegant silk coats for ladies, which came to hand this week. Come quickly if you want one.

The Safe Paint---SHERWIN-WILLIAMS PAINT

(PREPARED.)

THE OWNER OF PROPERTY should use Sherwin-Williams Paint, prepared not alone because it costs less by the job, but because it looks best and withstands the sun and the rain and the smoke outside and the wear and tear inside for the longest time.

THE PAINTER prefers S. W. P to other prepared paint or hand-mixed lead and oil since it works easily and dries right and always gives a good job.

THE DEALER wants you to use S. W. P. for he knows it is thoroughly honest and made of pure materials and that the guarantee of the largest paint and varnish makers in the world is behind every can.

S. W. P. is the safe paint. Use it.

Don't Run the Risk

Don't try to get good values in Crockery, Glassware, etc., outside the Crockery Store. You may—but the chances are very much against you.

Remember that we are spending all our time in buying and selling this line of goods only. It is not to be expected that you can get as good results from stores whose interests are divided. This the age of specialties.
