—Last week Harry Calwell, the young son of William Calwell, Kensington, met with a painful accident. He, with a number of other boys were coasting off a hill into the street and it is thought the boy's sleigh ran into a passing team, knocking him off his sleigh and cutting open his scalp. A doctor was quickly summoned and at first the wound was thought to be of a more serious nature but it is pleasing to know that the danger is past and he will be around again in a short while.

—A sad accident occurred at Opoosuo, Me., recently when Percy, son of Hugh McPhee of Coleman, was killed almost instantly. He was engaged in the woods as chopper, and a large limb falling struck him on the head fracturing his skull. He lived about fifteen minutes. His remains were forwarded to his home and the funeral took place on the 11th inst. Rev. E McDonald, O'Leary and Rev. W. McKay, of Alma, officiated. Interment took place at Bree Cemetery. The Foresters of Court Great West marched in a body to the grave. Deceased was twenty years of age and leaves to mourn a sorrowing father and mother, seven sisters and one brother.

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach?

It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.
