Doucette - Steele

A very pretty wedding took place in the Church of the Most Holy Redeemer at 7.30 yesterday morning when Mary Grace, daughter of Mr. and Mrs. Lawrenee Doucette was united in the holy bonds of matrimony to Frederick J. Steele, the ceremony being performed by Rev. Father Enright, C.SS.R., who also celebrated the nuptial Mass.

The bride, on the arm of her father, by whom she was given away, entered the church, which was filled with friends, the organ pealed with the joyous strains of Mendelssohn's Wedding March.

During the service the choir, of which the bride is a member, rendered appropriate hymns. Mr. Alex McLean presided at the organ and at the offertory a pleasing solo was rendered by Miss Mary Moran.

The bride, who was gowned in a charming long new blue chiffon gown, grey toque, with shoes and accessories to match and carried a shower bouquet of pink roses, was assisted by her sister, Mrs. Clive Boehner, who wore a grey dress trimmed with blue, small grey hat, and shoes to match and carried a bouquet of roses.

The groom was ably supported by his brother, Mr. Aloysius Steele.

After the ceremony the happy couple proceeded to the home of the bride where a delightful wedding breakfast was served, a number of invited guests and the officiating clergyman, Father Enright, being present.

At 10 o'clock, amid a shower of confetti and a bright June sun, Mr. and Mrs. Steele left by motor on a short honeymoon trip to the mainland. The bride's traveling costume was a brown crepe dress over which was worn a beige coat, trimmed with lapin fur, with small brown hat and accessories.

The groom's gift to the bride was a white gold wrist watch; to the bridesmaid a white gold pendant, and to the groomsman a silver cigarette case.

Numerous presents testified to the popularity of the young couple, including two beautiful pieces of silver from the co-workers of the bride in the Patriot office where she has been proof reader for a number of years and also a cut glass water set from the office staff.

Previous to her marriage she was the guest of honor at a shower at the home of her friend, Miss Cicely Pineau, at which many lovely gifts were received.

The Guardian extends heartfelt good wishes to Mr. and Mrs. Steele.

Group Teaching Of Piano Music Shown On Film

An interesting demonstration of the advantage of group teaching of piano music in the schools was given yesterday afternoon in the Prince Edward Theatre in the form of a short talking picture by Capt. J. S. Atkinson, of Toronto, Director of the Canadian Bureau for the Advancement of Music, to whom reference was made in yesterday's Guardian. Present at the demonstration were the Chief Superintendent of Education, some members of the School Board, press representatives and a number of local musicians. It was explained that the film had been made under difficulties, as the pupils had to be taken by bus 110 miles and it was after midnight before the "shooting" of the scenes was completed. Another picture, which it is hoped to show here later, has been made of a violin class at work. The picture, nevertheless, showed surprising progress on the part of the pupils.

A year ago Captain Atkinson met the School Board in Charlottetown and explained the work which the Canadian Bureau is doing. Since then a piano class has been conducted in Prince Street School by Miss Lillian MacKenzie, who took the Bureau's special training course for teachers at Halifax. While here Captain Atkinson will inspect the work carried on and discuss with the School Board its further extension with a view to introducing violin classes for group instruction. He desires also to organize the Women's Music Clubs of Canada into a federation, which would include the Charlottetown organization.

Chatting informally after the presentation of the film at the theatre, Captain Atkinson said he had heard Miss Nan Shaw's piano recital at Halifax and was greatly impressed by her performance, which showed not only masterly technique but those much rarer qualities of feeling and expression which distinguishes the true artist.

CURRENCY

(Canadian Press)
MONTREAL, June 21—Narrow movements prevailed among currencies on Montreal foreign exchanges today. The general trend was downward but a large number of currencies held unchanged. The pound sterling lost slightly while the United States dollar remained steady.

The pound opened with a small advance but moved down to a low for the day at $4.62¾. It later recovered to $4.63 11-16 where it closed with a loss of 9-16 of a cent. The United States dollar was stronger at the opening and touched a high of 11⅝ per cent premium only to close at 11 per cent unchanged. The French franc was firm at 5.37 cents.

NEW YORK, June 21—The Canadian dollar firmed on the New York foreign exchange market today while the pound sterling eased slightly.

The Canadian dollar advanced ¼ of a cent to 90 cents. Fluctuations were narrow in all currencies through out the session, and the advance in the dollar occurred after the banks had closed.

Sterling gyrated between $4.15⅝ and $4.18⅞. It closed just ⅛ under its top at $4.18¾, down ⅛ of a cent from yesterday's close.

One important factor in the relative steadiness of the pound today was the appearance in the exchange market of a supply of cotton bills and other commercial documents which were sold at concessions from yesterday's rates.

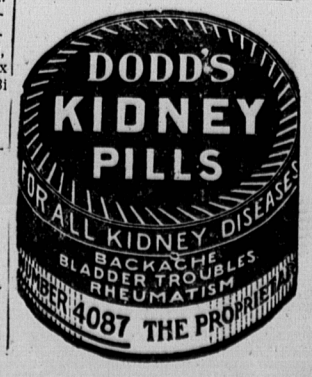
NEED FOR WOMEN TO ACT FOR BUSINESS RECOVERY

WASHINGTON, June 21. — The National Woman's Party announced today that it "is summoning its members to Washington on July 8 and 9 for the largest demonstration it has staged in the United States capital since the passage of the suffrage amendment."

The object of the meeting was designed as being "to focus attention upon the present need of determined and united action on the part of women" in the campaign for business recovery.

SHRINE IN RAILWAY DEPO?

JOHANNESBURG, S. A., June 21—The new railway station of this city is probably the only station in the British empire, outside of India, equipped with a shrine for the "faithful."

An inner room has a praying mat on the floor and a shower bath has been installed so that the "faithful" who enters may perform his ablutions before he enters to pray.


As a result "Allah Ho Akbar" (God is Great) is now intoned in the station before the pious Muslim leaves on a train journey.
