Stock Markets At A Glance

TORONTO, Oct. 31 (CP) —The mining groups posted narrow net gains today on the Toronto Stock Exchange. Western Oil Stocks finished the day about even with Monday's close.

LONDON, Oct. 31—(CP Reuters) The outstanding feature of the Stock Markets today was the strength of British funds.

The 3 ¼ war loan was especially firm and ¼ higher at 103 13/16.

WINNIPEG, Oct. 31 — (CP) — French interest purchased three cargoes totalling about 7,000,000 bushels of Nos. 2 and 3 northern wheat today on the Winnipeg Exchange.

Other overseas interests, believed to be the United Kingdom, were enquiring for Canadian oats.

CHICAGO, Oct. 31 — (AP) — Grain futures were generally weak today following an early flurry in December rye.

Wheat held little or no interest in a light trade. Trade in corn was mixed with locals selling early, then running into resting orders. Toward the close corn was off more than a cent.

MONTREAL, Oct 31 — (CP) — Sparked by papers, most groups moved up in the indices today on the Stock Exchange and Curb Market. Banks alone of the pivotal divisions showed a decline.

NEW YORK, Oct. 31 — (AP) — The Stock Market today emerged from a notably spotty month with modest recoveries centering on aircrafts, steels and other scattered issues in the armament classification.

The Associated Press 60-stock composite was up a point at 54.8. Transfers totalled 676,210 shares compared with 604,997 Monday.

Father and Son Give 24 Donations at Ford Clinic

JAMES ASKIN, senior, right, and James, Junior, employees of Ford-Canada, Windsor, Ontario, each gave their 12th blood donation at the company-operated Red Cross Blood Donor Clinic. Volunteer Red Cross Nurse Mrs. Carl H. Koelln presents them with their 12th time buttons. The Askins, father and son, were among the first to give blood when the company opened the clinic for Ford employees over two years ago. Consistent purchasers of Victory Bonds and war savings certificates, James Sr. spoke for his son, too, when he said, "Right now our boys overseas are fighting hard with the equipment our bonds provided, but they also count on us to keep blood plasma supplies rolling in from Canada. I was in the Merchant Marine during the last war and can realize the life saving worth of blood plasma." James Jr. was rejected from the army but two brothers are in action with the Royal Canadian Navy. Ford employees have given nearly 20,000 blood donations.

CANADA'S VETERANS

Their Post-War Opportunities

This is the sixth in a series of advertisements to inform the people of Canada of plans to re-establish men and women of the armed forces. To get the full details save and read every advertisement.

For complete information write for the booklet, "Back to Civil Life."

Home Ownership—In Town or Suburb

HOW CANADA'S VETERANS BENEFIT

A home of their own is the dream of most Canadians—and the dream, particularly of those, far from home, fighting on the sea, on land, or in the air. To some, a home means a place, away from the city, where there is good earth for raising vegetables, where there is room for a few chickens, some flowers, perhaps some fruit trees and where the children can grow up in a country atmosphere. To others a home means, first of all, city advantages, schools nearby for the children, and a short run in the morning to office or work. No matter which is the ambition of the ex-service man or ex-service woman, Canada's rehabilitation program can assist them in it.

UNDER THE VETERANS' LAND ACT

This Act, planned to give a new meaning to land settlement, suits the veterans who want land with their home. It provides generous assistance in financing homes for city and other workers on small acreages, outside the high taxation area.

The maximum financing which can be arranged is $4,800 for land and buildings, and, at the time he makes application the veteran must be prepared to pay down ten per cent of the cost of land and buildings in cash. The property is then sold to him for this down payment, plus two-thirds of the cost of land and buildings, which can be financed over a long term, with interest at 3½ per cent. In addition there is a grant for necessary equipment to a maximum of $1,200, although it is believed that this ordinarily will not exceed $500 or $600 in the case of small holdings.

What it means is that the service man or woman is given a grant of 23⅓ per cent of the cost of their land and buildings, plus the grant for equipment, after they have fulfilled their agreement for a ten year period.

Properties valued at more than $4,800 may be financed, but the veteran must be prepared to pay any excess in cash, at the time of making application. In the case of maximum financing, the total grant will be $2,320.

THOSE WHO ARE ELIGIBLE

Any ex-service man or woman, with overseas service, or all who have served for twelve months in Canada, are eligible to make application, providing they have been honorably discharged and have a reasonable expectation of living up to their agreement. Grants and benefits received under other provisions of the program, with the exception of the re-establishment credit, explained in advertisement No. 2, do not affect assistance under the Veterans' Land Act.

THROUGH THE RE-ESTABLISHMENT CREDIT

One of the purposes for which the re-establishment credit—made up of $7.50 for each 30 days service in the Western Hemisphere and $15.00 for each 30 days overseas—may be used is for the purchase of a home in town or city. When it is used in this way, the ex-service man or woman must be prepared to put up a dollar for every two used from the re-establishment credit.

There is wide opportunity for home owning, and home building under the new National Housing Act, which provides long term loans, at low interest rates for this purpose. Complete details of this Act may be obtained by writing to the Director of Housing, care of the Department of Finance, Ottawa.

AT ANY TIME IN TEN YEARS

So that the veteran may have every opportunity to become securely established in civilian life, before making plans to build a home, provision is made that the re-establishment credit may be applied for at any time within ten years of discharge.

Veterans' Welfare Officers are stationed in key centres throughout Canada. They advise and assist Ex-Service personnel and should be consulted on all re-establishment problems. Veterans considering taking advantage of the Veterans' Land Act should see the Regional Supervisor in the district where they intend to settle before making any commitments.

Your Nearest Veteran's Welfare Officer Is Located At 134 Richmond St.

Issued under the authority of Hon. Ian A. Mackenzie, Minister of

VETERANS' AFFAIRS
