LONG RIVER WOMEN'S INSTITUTE

The Long River Women's Institute held their April meeting at the home of Mrs. Murdock MacLeod. Owing to the absence of the president the vice president presided.

Meeting opened by singing Institute Ode followed by Creed in unison. Roll call was responded to by 12 members. Minutes of last meeting were read and approved. Reports of committees were then given. Sick committee reported having made no calls. School committee reported school needed scrubbing. New committees were appointed as follows. Sick — Mrs. Elwood Campbell, Mrs. William Doughart, Mrs. Eustace Paynter. School — Mrs. Ernest Dunning and Mrs. Alton Bell. Programme — Mrs. W. E. Johnstone and Mrs. Andrew C. Johnstone. Lunch — Mrs. Fitzsimmons, Miss Mae Found, Mrs. Oscar Johnstone and Mrs. Murdock MacLeod. A very interesting letter was read from one of our boys overseas thanking the members for the lovely box he received. During the month the Institute held their concert several times and made a nice sum of money. Correspondence were read and discussed. It was moved and seconded that the Secretary pay all bills, including a piano the members bought for the hall. Also a sum of money was donated to a worthy cause in the district.

Mrs. Ernest Dunning invited members to her home for the next meeting, when roll call will be answered by an exchange of slips or seeds. Programme consisted of one contest and a reading by Mrs. Eustace Paynter. Singing of National Anthem brought the meeting to a close after which lunch was served by the committee in charge assisted by the hostess. Collection 70c. Fees 25c.

Mrs. Mary Ann Brydes Mulligan, 18, is pictured above after she lost a legal battle in Boston, Mass., to make her father-in-law return her 16-year-old husband (below) to her arms. The couple were separated five weeks ago by the groom's father who met the returning honeymooners at the train and locked the youth in his home. The boy's parents are seeking an annulment of the marriage.

STOCK QUOTATIONS

The Market At A Glance

LONDON, April 14—(CP) — The Stock Market was extremely quiet today as operations awaited fresh war developments before enlarging their commitments. Industrials were selectively higher, home rails inactive and oils inclined to be easier. Kafirs and diamonds were marked down and internationals closed lower. British funds held steady.

NEW YORK, April 13—(AP)— Stocks generally held to the downward trail today although there were a number of exceptions and a little late support reduced or cancelled some initial losses running to a point or so.

The Associated Press 60-stock average was off .2 of a point at 51.8 Transfers totalled 659,650 shares compared with 718,410 Wednesday.

MONTREAL, April 13—(CP) — Decreases scored a complete sweep of changes in the indices in today's trading on the Stock Exchange and Curb Market. All averages were also marked down on Wednesday.

TORONTO, April 13 — (CP) — The Toronto Stock Market continued on a downward trend today and all index groups showed losses of .13 to .17 at the close.

The market was lacking in features. Noranda sold off to 53 and closed at 53¼ for a net loss of ¾. It sold up to 56 last week on the news that a new ore body had been found on the 6,000-foot level. Nickel and smelters weakened slightly on small turnover. Ventures lost 5 and Steep Rock gained a cent.

WINNIPEG, April 13—(CP—Export business again held the spotlight today on the Winnipeg Grain Exchange during a moderately active session.

Traders reported the sale of 500,000 bushels of Nos. 2 and 3 northern wheat to the United States commodity credit corporation and 200,000 bushels of No. 1 northern to the United Kingdom.

Approximately 100,000 bushels of rye also changed hands for shipment to the United States

British-Born Cary Grant Makes Good His Promise To Help 6 Victory Loan

When asked to appear in "The Shining Future," the picture made for the Canadian Motion Picture War Services Committee as a contribution to the Sixth Victory Loan,and opening Friday at the Prince Edward Theatre, Cary Grant, a Britisher by birth, recalled that one of the most interesting experiences he has had since the war began was in Canada's first Red Cross campaign, early in 1940.

At that time, all Hollywood contributed its services to a great one-hour broadcast direct to a Dominion-wide network,and Cary Grant was the master of ceremonies. He aided in booking the array of talent, and in addition, wrote his own script for the role he played.

Cary Grant has been in such demand in pictures that he has not yet been able to appear in Canada in person, much to his regret. Until recently, he had hoped that he might visit the Dominion this spring, only to find that he must face a long camera assignment. He welcomed, therefore, the opportunity to join the cast of "The Shining Future" to make good his promise to be in Canada during the Sixth Victory Loan.

ORWELL WOMEN'S INSTITUTE

On April 4th our regular Institute Meeting was held at Mrs. D. C. MacDonald's with seven members and two visitors present.

The meeting was brought to order by repeating the Creed in unison. Roll Call was answered by "House Cleaning Hints" Minutes of last meeting were read and signed.

Several business letters were read and discussed. It was moved and seconded that $3.00 be sent to the Kinsmen Club, also the balance of $8.00 be sent to the Red Cross.

A new shovel and broom are to be purchased for the school. The Sec'y reported the following donations for the R. Cross since March meeting 3 quilts, 3 prs. grey socks 3 pr. Navy gloves 2 pr. Khaki gloves 2 pr. kiddies mitts 2 long sleeved sweaters.

Next meeting to be held at the home of Mrs Neil H. MacLeod. Roll Call A Favorite Vegetable and how to prepare it. Plans for a dance after Easter were discussed.

Meeting adjourned, and a delicious lunch was served by the hostess assisted by Mrs. John Noddy.

Has Soldiered Since Childhood

BY DOUGLAS AMARON
Canadian Press Staff Writer

WITH THE CANADIAN CORPS IN ITALY, April 12 — (CP) — A soldier at 11 and still a soldier at 45 is Staff Sgt. Pierre Martin of Quebec city, armorer of the Royal Canadian Regiment.

Pierre, as he is known throughout the regiment, has been in the armaments business since 1909 when he went to the Dominion arsenal to help manufacture bullets. Every arsenal employee was a member of the Royal Rifles of Quebec which is how Pierre at 11 became a soldier.

In 1914 he turned from bullets to Ross rifles and was an armorer at the Quebec factory during the next six years. He continued as armorer in other rifle firms until 1929 when he began 10 years service as armorer at the citadel.

A member of the R.C.O.C., he was attached to the R.C.R. in December 1939, went to France in June 1940 and has been with the unit through all its Sicilian and Italian campaigning.

Pierre has had his share of battle experiences but remembers most vividly the morning a shell blew a five-foot hole in a wall opposite his bed. He awoke to find the room filled with dust and debris.

"We've had it," shouted Pierre, but on examination he found he and his room mates were intact.

"Human" Machine Saves Time for Business Man in Hectic War Days

War shortages have extended far beyond the realm of materials used in production. Business men find staff problems almost as onerous as those concerning the materials they require.

One Canadian business man, however, Norman Holland of Montreal, has partially solved the stenographic problem by installing what is believed to be one of the first machines of its kind in Canada.

When carrying on a telephone conversation, this is automatically picked up by a microphone on the desk and, through electrical impulse, recorded on cylinders. Both sides of a telephone conversation are recorded so that, if necessary, a stenographer can make a transcript of the conversation. The machine can also be used for dictating letters. In business deals discussed or completed over the telephone, recorded conversations become the equivalent of a contract because the actual conversation is recorded on the cylinders.
