The Company has decided to issue a stock bonus to shareholders of 50 p. c. from its present large surplus, making the paid up capital $300,000 purchasers of these shares now get the benefit of this bonus. As the present market value of its assets is about $500,000 or 250 p. c. of the present capital stock, there is still an ample surplus to meet any contingency that may arise, in the near future the remaining uncalled capital will doubtless be paid up from profits.

Reports from the damage done by the recent storm, still continue to come in. At southwest Lot 16, a barn almost new, owned by Percy Miller, was blown down and destroyed; the barn belonging to William McLean was badly damaged and Robert Hutchieson's house was partly unroofed. At Ellerslie, A. A. McCall's sawmill was badly damaged, the roof being lifted off and some of the boards blown through the railway station windows. At Bideford, a new barn built last year, was entirely destroyed. Several other buildings were more or less damaged in this neighborhood.

YOU MAY BE SICK TO NIGHT.

Without a moment's warning pain springs upon us. At the outset it is instantly cured by Nerviline. Surprising what fifteen drops of this marvelous medicine will do. It's external action is no less certain than it's wonderful effect when taken internally. Of course Nerviline is powerful or it couldn't be so penetrating. But not irritating or caustic. There are other pain remedies, but when you use Nerviline you see the difference. The difference is this, —others relieve, but Nerviline does cure sprains, strains, swelling, earache, toothache, neuralgia, lumbago, in fact all muscular pains. Large bottles 25c at all dealers.

DISCOMFORT AFTER EATING.

Feeling oppressed with a sensation of stuffiness and finding the food to distend and hang like a heavy weight at the pit of the stomach, are symptoms of indigestion. With these, the sufferers will often have constipation, fullness of the blood in the head, acidity of the stomach, nausea, heartburn, headache, disgust of food, gaseous eructations, sinking or fluttering of the heart, choking or suffocation sensation when lying down, dizziness on rising suddenly, dots or webs before the eyes, fever or dull pain in the the head, yellowness of the skin and eyes, pain in the side.

A few doses of Hutch tablets will free the system of all the above named disorders. Purely vegetable, it acts without pain. Small and easy to take! One after each meal!

J. A. Brace, one of the delegates recently appointed to represent the Summerside Board of Trade at the convention to be held in Charlottetown next Tuesday, being unable to attend, a meeting was held Saturday afternoon, at which J. S. Hinton was appointed in place of Mr. Brace. The delegates now are Capt. Joseph Read, Neil McQuarrie, J. S. Hinton with William Stewart and J. M. Clark as alternates.

There was a rumor on the streets of Summerside, Saturday, to the effect that the Stanley had got into Charlottetown. It turned out to be a mistake, but R. S. Bowness, the early rising, wide awake agent of the meteorological department, reports having seen a pair of robins Saturday morning. The early visits of these harbingers of Spring, are doubtless due to their having been attracted by the blue water that now stretches from shore to shore in the western straits.

THE TREMBLE OF AGE.

With the advance of years the vital functions of the body slow down. In consequence the organs of secretion suffer, the action of the bowels are lessened and there is no longer healthey circulation. The brain is congested with blood, giddiness, trembling and cold extremities are common. No assistance is so potent as Dr. Hamilton's Pills. By their direct action on the stomach, liver and kidneys they cause an immediate change. Mild, free from gripe, strengthening and cleansing the whole system, no medicine is so valuable in old age as Dr. Hamilton's Pills of Mandrake & Butternut. Try these Pills, 25c per box at all dealers.

A Hint to Travelers.

While in Suffolk, Va., Henry Croll, Jr., proprietor of the Beverton, Mich., Hardware Co, was taken very sick with bowel trouble. A traveling salesman from Saginaw, Mich., advised him to get a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which he did. "It soon cured me, and I take pleasure in recommending it," he says. No one should leave home on a journey without a bottle of this remedy. It is almost sure to be needed and is not obtainable while on steamship or cars. Sold by all druggists.

Wall Papers on the Move

Our Wall Papers might well be characterized "moving pictures" for the simple reason that the papers themselves are as pretty as pictures, while they have been constantly moving out, at a rate which gives us boundless pleasure, in that it shows, that our venture has met with universal approval and support.

The quality, the beauty, and the cheapness of our Wall Papers is already a household word, not only in the City, but in the surrounding country as well, to which we have already sent many substantial bundles.

This is only as it should be, as the people realize that they can now procure the very cream of Wall Papers, at the prices they have been accustomed to pay for the buttermilk.

Remember we have upwards of 300 different designs, all new, and ranging in price from 6cts. per double roll up, with beautiful borders to match at the same price as the side wall papers.

We cordially invite all our customers and the public generally to give us a call when in need of Wall Papers of any kind. Your trade will be most thoroughly appreciated. Sets of sample books will be cheerfully sent out, and called for.
