ABEGWEITS RALLY TO DEFEAT CRYSTALS 7-6

Scoring Record Set As Maroons Down Canucks; Amerks-Hawks Play Tie

MONTREAL, Jan. 11—(CP)—Veteran hockey men said a National League scoring record had been set up after Maroons tock a frenzied intra-Montreal game with Canadiens tonight by an 11-7 score.

It was believed the previous top mark for prolific scoring was set up by Maroons and New York Americans, when they played to an 8-8 tie at New York Feb. 18, 1936.

This season's top total had been 12 until tonight's outburst.

Maroons giving the lie to the form which has kept them in last place all season swept to a 7-2 lead in the first period and the sides kept scoring to the accompaniment of many penalties as the game progressed.

They were in front 9-4 at the second interval.

Scoring points were spread all through the lineups and Gus Marker and Baldy Northcott of the winners and Johnny Gagnon and Toe Blake of the habitants were the only men to tally twice. Northcott got three. Between them the teams garnered 41 points.

The loss dropped Canadiens into third place in their section, a little closer to the trailing Maroons. Their defence looked weak but both teams discarded defensive hockey play soon after the start and went after goals and more goals.

The big Maroon team stirred into action despite failure to sign Lionel Conacher as playing coach, responded to president Tommy Gorman's urging from the bench and piled up a 3-0 lead quickly through Herbie Cain, Northcott and Allan Shields. Gagnon cut the lead to 3-1 and after Dave Trottier counted for Maroons Dizzy Desilets, just brought back from New Haven of the International American League, reduced it again to 4-2. But after that there was no stopping the Maroon drive and Wilf Cude looked helpless in goal as attacks sifted through repeatedly.

Canadiens didn't get going until the third when they outscored their opponents 3-2.

The lineup:

Canadiens—Goal, Cude; defence, Siebert, Goupille; forwards, Drouin Lorrain, Mantha.

Subs: Buswell, Burke, Blake, Lepine, Desilets, Joliat, Gagnon, Haynes, Brown.

NEW YORK, Jan. 11—New York Americans edged their way into sole possession of sectional second place in the National Hockey League tonight by duelling to a 1-1 overtime tie with Chicago Black Hawks.

Only 9,000 fans turned out to do honor to Ching Johnson, Amerks' veteran defenceman, who was presented a gold watch by Ford Frick, President of the National Baseball League. The event marked the 12th session of big-time hockey for the bald Winnipeg bumper.

The game was marked by injuries, one of which may prove serious. Checked heavily in the second period, Joe Jerwa, rangy New York Defenceman, suffered a possible ruptured left kidney.

Harold Jackson, young Hawk defenceman, retired from the game late in the first period, and hospital authorities reported he suffered a possible broken arm.

Eddie Wiseman of Newcastle, N. B., shot the Amerks into the lead early in the first period on a play with Tommy Anderson. Johnny Gottselig tied the count in the second session when he deflected Louis Trudel's shot past goalie Earl Robertson. There was no further scoring.

Local Juniors Impress Primeau In Workout

TORONTO, Jan. 11—Elton (Buffer) Worth and John Whitlock, two Charlottetown junior puck-chasers, came in for a lot of praise today from Joe Primeau, former star centre player for Toronto Maple Leafs of the National Hockey League.

"Those kids from Charlottetown were darned good and certainly well worth tabbing for the future," said the former play-maker for the Leafs after watching the two 17-year old lads work out during a practice session of Marlborough juniors.

The Islanders had come here Saturday night for "Drillon Night" when Moncton fans honored their home town product who is now doing great work with the Leafs. The two boys and the Charlottetown Rangers coach J. R. Williams stayed over to see Manager Conny Smythe of the Toronto Leafs.

Smythe had a talk with the trio after the practice session; their conversation was undisclosed.

"Worth shows smartness and is a shifty skater; Whitlock is a very aggressive hustler and they teamed well together," said Primeau as the boys showed their stuff.

At the finish of the session Primeau said "they were on strange ice but I haven't seen 17-year-olds make a better showing in a long, long time."

Undeclared War Raging Between Major Leagues Forecasts Baseball Boom

By PAUL MICKELSON
Associated Press Sports Writer

NEW YORK, Jan. 11—To the delight of the clubowners, an undeclared war is raging between the two major baseball leagues and the magnates are rubbing their hands in expectation of a bounteous customer harvest.

It hasn't come to the point—yet—where the presidents of the two big leagues refuse to speak but the relations are strained. Bragging by the American League started the feud. The junior leaguers licked the Nationals in the world series and then began to belittle their foes by word and story.

The limit was reached last year when the Nationals again got trimmed on all fronts. Colonel William Terry of the New York Giants refused to congratulate Joe McCarthy of the victorious Yankees and right there the American Leaguers called the National Leaguers "poor sports."

Since last fall, one argument after another has left the two leagues in a stew, widening the breach. The Nationals, charge the Americans, are trying to force night baseball. The American League annually puts out a list of its "washed up" ball players who are starring in the National.

The dead ball was all but agreed to by both leagues but the Americans suspected the Nationals were trying to force it on them, so they decided to stick to the lively sphere.

New York Yankees and St. Louis Cardinals are fighting about their farm systems. It is reported the scouts of the two teams won't even speak to each other.

The ball players, themselves, are pouring a lot of oil on the fire. As they go back home, they discuss the merits of the two leagues in no uncertain terms and their conversations get into print.

And yet, all the fighting and shooting is a great thing for baseball. Crowds should be larger, play should be better and competition keener and harder in all inter-league games, from spring training tests to all-star games to world series.

Whitlock Leads Scoring Splurge In Third Period To Win Hard-fought Game

Larkins Injured In Play

The Charlottetown Abbies fought from behind at Summerside last night to put on a four goal third period drive that was enough to give them a 7-6 victory and the lead in the Island Hockey League. The Crystals played a fine game for the first two periods but wilted badly in the third in front of a strong Abbie offensive. The game was very fast and exciting and kept the crowd on its feet. Prowse and Earl Arsenault handled the whistles during the stormy session.

The first period opened fast with both teams sending in waves of forwards. By the five minute mark the Crystals began to dominate the play and kept Stull in hot water. At 9.40 Jackie Schurman ended a wild batting spree around the Abbie nets by sinking a loose rubber for the opening score. The Crystals continued to dominate the play and at 13.46 Campbell raced out from behind the Charlottetown cage to poke the disc behind the hard working Stull.

Shortly after Cahill and Acorn took penalties for roughing it up but the teams played cautiously until they returned. The game became quite ragged at times as plays went awry. MacKinnon raised Charlottetown's hopes when he took a pass out from a scramble around the Abbie net to race the length of the ice to beat Larkins from close in at 19.15. The period ended 2-1 for the black and white.

CRYSTALS CARRY PLAY

The second frame saw the Crystals still carrying the play and Stull had plenty of stops as the Summers de passes were clicking. At 8.02 Cahill took Schurman's pass to slap it into the twines. A minute later Schurman passed to Kennedy who gave Stull no chance. Saunders took a penalty at the thirteen minute mark and the Crystals capitalized on the break to make the score 5-1 as Steele scooped in Schurman's pass out. One minute later Saunders heaved a shot from the blue line that trickled off Larkin's pads over the line. The Abbies were awarded a penalty shot at eighteen minutes when Larkins threw the puck forward rather than behind the net. Saunders skated with the puck to sizzle a shot under Larkins' arm to end the scoring for the period. The Crystals went on the offensive as MacFarlane took a penalty but the Abbies held off every thrust, the canto ending 5-3 for the Summersiders.

LARKINS INJURED

Both teams showed no signs of weakening as the third opened. Play swung up and down the ice as the teams tried rival goalies. With less than two minutes of the period gone Larkins had his knee dislocated while making a brilliant save. Larkins had turned in a fine game up to the accident. He was replaced by Peters. At 6.17 Steele widened the margin on a pass from Cahill.

The Abbies then opened a drive that thoroughly disorganized the locals and in three minutes scored as many goals. Whitlock scored the first two in less than a minute. Cudmore tied the game at 11.30 when he sagged the twines with a hard drive. Dickie took a major penalty for arguing with the referee. With less than a minute to go Whitlock grabbed the game for the Abbies when he beat Peters in a scramble. The Crystals opened a last minute drive that had the fans on their feet but the Abbies cleared the puck to ease the pressure.

Abbies: Goal, Stull; Defence, Pound, Saunders, Sherran; Forwards, Stewart, Bradley, MacFarlane, Cudmore, Whitlock, MacKinnon, Acorn.
