THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block, Charlottetown.

W. B. WHITTEN, Charlottetown, registered at the Sydney Hotel, Sydney, Dec. 15.

MRS. George Green has returned to St. John, N. B., after visiting in Summerside.

WM. GILLESPIE, of the Frost & Wood firm, returned Sunday by the S. S. Minto, from a business trip to Pictou.

THE marriage takes place in St. James Church, South Deerfield, Mass., December 26, of Katherya Dougan, daughter of Anthony T. Dougan of this city, to William E. Corless, Greenfield Mass.

YESTERDAY Mr. Fullerton moderated in a call in the church at Brookfield, which came out in favor of Rev. George Millar, asking him to become pastor of Brookfield, Clyde River and Hunter River.

THE GUARDIAN wishes to say that a misprint in the published list made it appear that Judge Macdonald had contributed $1 to the Christmas Dinner and Tree Fund, whereas the amount of his contribution was $2.

A. F. TOMLINS, manager of the Port Elgin branch of the Bank of Nova Scotia, Mrs Tomlins and little daughter have gone to Campbellton, where they will spend the holiday season as the guests of Mrs Tomlins' parents, Mr and Mrs Benedict. Mr Tomlins is being relieved at Port Elgin by Mr McLeod of the head office.

SYDNEY W. MABON, formerly manager of the Adjusting Department of the Bank of Nova Scotia, Toronto, resigned his position three months ago to take a course in Toronto University prepatory to beginning mission work in Korea. Mr. Mabon is a native of Little York, P. E. Island, and was formerly on the staff of the Bank of Nova Scotia in Charlottetown.

THE death occurred at his home in Village Green, on Friday last, 14th inst. of John Corrigan, in his eighty-second year. He enjoyed his usual health up to Sunday night last, when he was stricken with paralysis, and although everything was done for him that kind friends could do, he passed away. John Corrigan was one of the foremost farmers of Village Green, a kind husband, a good neighbor and an honest man. His remains were interred in St. Joseph's cemetery, Vernon River, on Sunday evening last, amid a large concourse of friends and neighbors, who, notwithstanding the bad roads, turned out en masse to pay the last tribute of respect to the memory of a good man, whom everybody admired. The pall-bearers were Michael Haley, John Noy, Mathias Acorn, Thomas Curley, L. P. Doyle, John Mitchell.

A Prince Edward Islander named Alexander Grant, about 40 years of age, lost his life within sight of his fellow seamen, about a stone's throw from the shore at Portau Port, Nfld. The Alert was on her way from North Sydney to the fishing grounds of Bay of Islands, and when off Red Island, on Dec. 4th, one of the worst gales that ever swept the coast sprang up. A blinding snow storm accompanied the raging sea and gale and in order to save his ship and the lives of his crew Capt. Vautier steered for Port au Port. During the afternoon the wind increased in fury and veered to the southwest, the vessel dragging her anchors, finally parting her chains. With mighty force the Alert was thrown on the rocks some distance from shore. So suddenly did the affair happen that the men were compelled to jump overboard and leave everything behind. The third man to make the jump from the doomed vessel was Grant, who lost his life in the surf. Not a man of the party saved a bit of their clothing excepting what they carried on their backs. The Alert was one of the finest vessels in the Gloucester fleet. The rescued crew were brought to Sydney by the S. S. Bruce last week.

Reflections:—"The fatt is squire, the moment a mantakes to a pipe he become a philosopher. Its the poor man's friends it calms the mind, sooths the tempers; and makes a man patient under difficulties. It has made more good men, good husbands, kind masters, indulgent fathers, than any other blesset thing on this universal earth.—"Sam Slick." Remember that the best place to get "smokers goods" is at the Central Drugstore—A. W. Reddin, Phm B.

THE Minto has been changed to the Georgetown Pictou route, and leaves Pictou for Georgetown this morning. The Stanley will continue on the Summerside-Tormentine route.

INDIGNANT inquiries were made at the Guardian office last night as to why the public were shut out at the Post office before the hour of closing. At a quarter to eleven both front and back doors of the post office were securely locked.

LAST night Victoria Division S.O.T. held its regular meeting in Wright's hall. The Literary Contest was ended and the Emblematic Pin was awarded to Frank Stewart, captain of the winning side. Bro. Stewart was escorted around the room while "For he is a jolly good fellow" was sung and even the dog laughed.

THE ladies in charge of the Christmas Dinner have decided to be in the Market Hall on Friday afternoon to receive contributions therefor and all those who contemplate donating puddings, poultry, etc are asked not to be late in forwarding same, as there will be a great deal of work in connection with the sending of the dinners out to those who are to enjoy them. The labors of the ladies have been abundantly blessed and they and those who have contributed to the good cause will be the means of brightening many a Christmas Day far beyond what would otherwise have been the case.

MOCK PARLIAMENT met last night. The Hon James Cook, Minister of Finance introduced the new Tariff, in his Budget speech. He said that he had made a tariff, in which the interest of the consumer and producer were foremost, with as much attention as possible given to the interest of the manufacturer and announced a surplus for the coming year of $5,000,000. Lyle McLeod thought that if the intermediate tariff should be met by a lowering of the tariff of the United States the trade with mother country would be greatly lessened. Premier McPhee said that by the intermediate tariff, Canada was taking a decided step in advance and this would much improve our commercial relations with other countries. E. V. Macmillan, said that protection was the only way of encouraging new industries. C. W. Matheson upheld the fiscal policy of the present Government. Irving B. Howatt, Leader of the Opposition, said that although free trade has done a great deal of good in England, since the conditions were so very different from those in Canada, it would not be attended with the same good results in this country. R. H. Campbell found very much room for argument in the statements of the last speaker and pointed out the inconsistency of the criticism of the Opposition. E. T. Higgs, Halifax, followed and was speaking when the debate adjourned. House then adjourned till January 8, 1907.

Don't be debarred from strength and spirit, don't give in to illness and despair. Fer-ozone supplies tone and vigor through which all functions of womanly life are maintained and fortified. From New Richmond, Que., comes the following statement from Mrs. Isidore Boissonault: "I take deep pleasure in testifying to the powerful influence of Fer-ozone. For years my daughter has been pale and sickly—showed signs of advanced anæmia. Her lips got so white and her cheeks so devoid of color I feared consumption. I can certify Ferrozone made an excellent cure, and to-day my daughter's health is the best." 50c per box at all dealers.
