Notice to Travellers.

IT has become an established fact that accidents will happen notwithstanding the care and attention which may be paid to the safety and convenience of travellers. Explosions will take place, bridges will be left open, and cars run off the track as usual.

It is well enough for the public and legislators to caution companies to "beware," and "take heed," and these cautions will occasionally result in severe contusions, broken limbs, burns, bruises, &c.

The Mexican Mustang Liniment.

Upon such occasions, is invaluable! The wonderful effects of this soothing and healing preparation have induced many, who have tried it, to always carry a bottle of it with them when they are travelling.

Frequent tests have proven it to be efficacious in curing Rheumatism, Piles, Scrofulous diseases, Cancers, Ulcers, Old Sores, Neuralgia, Toothache, Earache, &c. Also Sprains, Ring-bone, Scratches, Cracked Heels, Chafes, Galls, &c., on *Horses and other animals.* It is external in its application, and we GUARANTEE it to cure PERMANENTLY in every case for which we recommend it.

Many Physicians use it because they can depend upon it—so can their patients.

Farmers, Drivers and Livery-stable Keepers.

Say they WILL have it, and will not be satisfied without it, after giving it a fair trial. Therefore we say to travellers upon highways and by-ways use *the Mustang Liniment!* It has become so thoroughly introduced throughout the United States, British Possessions, and West Indies, that it is almost impossible to stop off the cars at any Station without beholding the gay banner of the "Mustangs."

The prices are as follows:—25 cents, 50 cents, and $1 per bottle; the 50 cent being three times as large as the 25 cent size, and the $1 size nearly three times as large as the 50 cent size, so that the large bottles are cheapest.

R. R. R.
Highly Important to the Public.

The Sick cured on the R. R. R. Theory.

THREE GREAT REMEDIES.

The attention of the public is particularly directed to the three quick and powerful remedies discovered by Radway & Co. So quick, so powerful, so effectual, so safe, so pleasant, are these remedies, stopping pain, checking disease, expelling from the human body all foul and corrupt humours, all diseases and poisonous substances, renovating the weak, feeble, and fragile frame, worn out by disease and long suffering, to sound health and long life, that whoever uses these remedies, and becomes familiar with the R. R. R. Theory, will never need a physician, unless it is in some critical surgical case. The R. R. R. Remedies will never fail—they prove themselves in the worst cases in less than *twenty-four hours.*

They invigorate, they renovate, they regulate, they remove the suffering, pain-stricken invalid from the most torturing pains *in a few minutes.*

They restore the sick and diseased body to *health and longevity.*

To the low spirited and nervous they impart joyfulness, vigor, and a happy flow of spirits.

To the aged and infirm, whose constitutions are worn out by premature old age, limbs palsied and enfeebled, they impart the elasticity and buoyancy of manhood in its prime.

To the young, who, between the period of youth and manhood, outgrow their natural strength, who are afflicted with languor, lassitude, loss of appetite, gloomy feelings, &c., they impart to the recuperative organs a healthy regularity of action.

To the thoughtless seeker and victim of animal passions, who has wasted away his strength in folly and revelry, they offer *the world of manhood*, and restore every organ to a sound and natural condition.

To all who suffer pain, to all afflicted with disease, the R. R. R. RREDIES will quickly and effectually free the sufferer from misery, and render the most wretched capable of enjoying sound health and long life.

R. R. R.
REMEDIES.

The R. R. R. Theory requires only three remedies for the cure of the sick, and the protection of the human system against sudden attacks of violent diseases.

No. 1.—RADWAY'S READY RELIEF.—*For the instant Relief of Pain, and quick cure of Acute Maladies.*

No. 2.—RADWAY'S RENOVATING RESOLVENT. —*For the effectual and speedy cure of Chronic and Scrofulous diseases that have been lingering in the System, corrupting the Human Body, for Five, Ten, Twenty, or Forty Years.*

No. 3.—RADWAY'S REGULATORS.—*For restoring and regulating to a healthy and harmonious action all the Organs in the System. A mild and effectual cathartic.*

R. R. R.—No. 1.—RADWAY'S READY RELIEF is for the instant relief of the sufferer from pain, and to check and arrest the progress of diseases; to disinfect animal, malarious, and infectious poisons, than procures the system against all poisonous Infection, from Contagion, and from sudden attacks of Cholera, Pneumonia, Ship Fever, Fever and Ague, &c. Likewise for the effectual and radical removal of all pains and diseases of the Joints, Limbs, Nerves, &c., in from five to fifteen minutes.

RADWAY'S READY RELIEF will stop the most distressing and violent pains, either internal or external—Nervous, Neuralgic, Bilious, or Rheumatic.

A FIXTURE IN THE FAMILY.—Every family should keep a supply of RADWAY'S READY RELIEF in their houses—it is useful in so many ailments—it is always handy, and is guaranteed is a sure cure for Cholera, if taken in its first symptoms. If used when violent epidemics prevail, it will save life.

R. R. R.—No. 2—RADWAY'S RENOVATING RESOLVENT.—We have said that for all chronic complaints, we recommend our RESOLVENT. The RESOLVENT removes all diseased deposits that have been lingering in the system for TEN, TWENTY, or FORTY YEARS.

Every person who has been troubled with any complaint for years, will require the RESOLVENT to ensure a perfect cure. The action of the RESOLVENT is directed first to the absorbents, stimulating them into action; and, second to the blood, which it depurates by its alterative action, over the glands the liver, pancreas, kidneys, &c., (which are the sewers that nature has established for purifying the blood). You will, after this description, we hope, appreciate the name we have given to the second of the R. R. R. REMEDIES OF RENOVATING RESOLVENT. It resolves away diseased deposits, it purifies the blood, and renovates the system. Tumors are removed and discussed by its agency; Chronic Swellings are dissipated; Nodes are softened and melted away. The most loathsome Skin diseases disappear under its influence. Chronic Rheumatism are soon amended, and the disease checked wherever it has attacked the system. Syphilis, with all its horrible train of consequences, has found a certain and infallible cure; and Consumption, too, often finds its master. For Chronic Dyspepsia, RADWAY'S RENOVATING RESOLVENT is not only an effectual, but quick cure.

BRONCHITIS.—We know of no remedy, nor of any treatment that will so quickly and effectually cure Bronchitis as the RESOLVENT. It is in all old Chronic cases where RADWAY'S RENOVATING RESOLVENT will be most appreciated.

Its Procreative Power.—Married persons, who are not blessed with offspring, the difficulty arises from imperfect organs and incompetency, will find the R. R. Resolvent of great benefit.

DYSPEPSIA, WATER BRASH.—This distressing disorder is generally the result of a low grade of Chronic inflammation of the Stomach. The patients, who generally feels well enough when the stomach is empty, is afflicted with the most distressing symptoms as soon as food is taken, heartburn, sickness, with burning sensation, heart burn, pain at pit of stomach, &c. This disease is generally accompanied with costive bowels.

TREATMENT.—Resolvent three times per day after meals, dessert spoonful. One Regulator on going to bed at night, to keep the bowels open and regular. When the Water Brash is very distressing, a dose of the Relief taken in water will promptly relieve it.

The public may rely upon an effectual cure of the following diseases by using the Renovating Resolvent:—

Chronic Rheumatism.	*Tumors, Ulcers,*
Scrofula.	*Skin Diseases,*
Glandular Swellings,	*Hip Diseases,*
Hacking dry Cough,	*Female Complaints,*
Cancerous Affections,	*Gout,*
Syphilitic Complaints,	*Rickets,*
Bleeding of the Lungs,	*Salt Rheum,*
Dyspepsia, Water Brash,	*Bronchitis,*
Tic Doloreux,	*Consumption,*
White Swellings,	*Liver Complaint.*

R. R. R.—No. 3—RADWAY'S REGULATORS, PERFECT PURGE, AND NATURAL DISCOVERY OF RADWAY & CO.—One Regulator is sufficient to regulate the Bowels, Liver, and Pancreas to a healthy and harmonious discharge of their functions.

Two will insure a pleasant discharge from the bowels at a regular period of time every day.

Four to six will thoroughly clear all corrupt and acrimonious humors from the alimentary canal.

IMPORTANT TO PILL TAKERS.—Every one who is in the habit of taking pills will find RADWAY'S REGULATORS the most pleasant, safe, effectual regulator of the Bowels, Liver, Pancreas, and the most CERTAIN PURIFIER OF THE BLOOD in use.

One of RADWAY'S REGULATORS is superior, in point of pleasant and efficacy, to six of the most popular and best approved Cathartic Pills.

All Purgative or Cathartic Pills are made from the crude materials of their composition: the inert and active principles are combined together, and the pills are made up of this common mass, so that out of six pills the patient has to swallow, all the really and truly medical virtues of the compound are made more than two pills. Every chemist well knows that out of the crude materials of drugs, roots, herbs, barks, plants, &c., there is a great deal of one tenth of medical virtue. We seriously believe that more deaths are caused by overloading the system with useless physic than from disease. No more medicine should be given to a patient than what is necessary to produce the desired effect, and to overload the system with useless drugs is not only checking the action of active medicine, but producing serious labour upon the already shattered constitution.

R. R. R. Remedies are based upon this principle—there is no waste medicine, in point of economy and efficacy, between *Radway's Regulators* and all other Cathartic Pills, as there is between quinine and common bark, or morphine and opium.

RADWAY'S REGULATORS, therefore, are the best pills for the sick to take, one being sufficient in all ordinary difficulties, and two possessing a greater and better power than any six of the most approved pills in use.

RADWAY'S REGULATORS are a certain cure for Costiveness, Indigestion, Liver Complaint, Kidney Complaint, Jaundice, Acidity, Acrimony, Nervousness, Melancholy, Diseases of the Bladder. FEMALE DIFFICULTIES.—Leucorrhœa, Fleur Albus, Whites, and Irregularities of all kinds. BILIOUS DISEASES. —Bile on the Stomach, Bilious Colic, Enlargement of the Spleen, and all Chronic Affections of the Liver and Kidneys.

RADWAY'S REGULATORS are most carefully prepared from extracts and gums of trees, plants, roots, and herbs. There are no pills in use that will act upon the Liver, Pancreas, Bowels, the Salivary Glands and Secretory Apparatus so effectually as the R. R. REGULATORS. No pills can be taken for any length of time with the same safety to the constitution; for, instead of debilitating the system by powerful and drastic purging, they act pleasantly upon the bowels, and impart strength to every nerve and tissue of the body.

One of the REGULATORS, taken on going to bed, will insure a regular and healthy discharge from the bowels in the morning. In cases where eight or ten of the common pills are used for free evacuations, two or three of the REGULATORS are sufficient.

NO CALOMEL

or other poisonous drug enters their composition—they are entirely vegetable. They are pleasant to take, elegantly coated with a medicinal gum, are perfectly tasteless, and free from smell. No person will fear any disagreeable symptoms from taking a dose of REGULATORS.

CAUTION.

There is a counterfeit Ready Relief in the market; the labels are very similar to the labels on the genuine. Purchase only of authorized agents, and inquire of the person you purchase from if they know it to be genuine. If you do not find relief from pain in fifteen minutes, send us the label of the bottle you purchase, and inform us from whom you purchased.

PROCLAMATION
TO THE
Good People of P. E. I.

PROBABLY there is not a family in your Province but what some members of it are more or less afflicted by Humours or Cutaneous Affections. As a remedy for these various complaints, there are numerous preparations brought into the market, but all of them of little or no good. But there is a discovery which has recently been made in chemical analysis that is wonderful in its operation. It has been long enough tried and we have proof sufficient to satisfy us that it is the greatest discovery of the kind ever offered to the United States can give—that the medicine will do just what it is recommended. It is DOCTOR HAMILTON'S VEGETABLE TINCTURE. The medicine is compounded from the Vegetable Kingdom and may be used by any person without injurious consequences. It is a new chemical combination of some of the best of each class of co-operative, simple remedies, it fully reaches all the essential organs of the human system and there it has proved itself so effectual and curative of the WHOLE ROUND of chronic affections.

Over two million bottles have been sold in the north and west during the last six years.

Three to five bottles is warranted to cure the worse case of *Rheumatism.*

Two bottles will check the worst case of *Dyspepsia.*

Three bottles are warranted to cure the severest case of *Erysipilas.*

AYER'S PILLS,

A NEW and singularly successful remedy for the cure of all Bilious diseases—Costiveness, Indigestion, Jaundice, Dropsy, Rheumatism, Fevers, Gout, Humors, Nervous Complaints, Dysentery, Inflammations, Headache, Pains in the Breast, Side, Back, and Limbs, Female complaints, Fits, &c. Indeed very few are the diseases in which a Purgative Medicine is not more or less required, and much sickness and suffering prevented, if a harmless but effectual Cathartic were more freely used. No person can be well while a costive habit of body prevails; besides it soon generates serious and often fatal diseases, which might have been avoided by the timely use of a gentle but efficacious aperient. This is alike true of Colds, Feverish symptoms, and inflammatory complaints. They all tend to become or produce the deep seated and formidable distempers which load the hearses all over the land. Hence a reliable family cathartic is the first importance to the public health, and this Pill has been perfected with consummate skill to meet that demand. An extensive trial of its virtues by Physicians, Professors, and Patients, has shown results surpassing anything hitherto known of any medicine. Cures have been effected beyond belief, were they not substantiated by persons of such undoubted position and character as to forbid the suspicion of untruth.

Among the eminent gentlemen to whom we are allowed to refer for these facts, are

PROF. VALENTINE MOTT, the distinguished Surgeon of New York City.

DOCT. A. A. HAYES, Practical Chemist of the Port of Boston, and Geologist for the State of Massachusetts.

IRA L. MOORE, M. D., an eminent Surgeon and Physician, of the City of Lowell, who has used them in his extensive practice.

H. C. SOUTHWICK, Esq., one of the first merchants in New York City.

C. A. DAVIS, M. D., Sup't and Surgeon of the United States Marine Hospital, at Chelsea, Mass.

Did space permit, we could give many hundreds such names, from all parts where the Pills have been used, but enough remain to convince more than the certificates of these eminent public men is needed in their behalf upon trial.

These Pills, the result of long investigation and study, are offered to the public as the best and most searching cathartic that the skill of modern medical science can afford. They are compounded not of the drugs themselves, but of the medicinal virtues only of vegetable matter, extracted by chemical process, in a state of purity and combined together in such a form as to insure their speedy solution. This system of composition for medicines has been found in the Cherry Pectoral and Pills both, to produce a more efficacious medicine than had hitherto been obtained by any process. The reason is perfectly obvious. Nine tenths of the crude matter in ordinary medicine is burdened with more or less of serious and injurious qualities; by this, each individual virtue has to pay nine tenths for its curative effect is present. All the inert and obnoxious qualities of each substance employed are left behind, the curative virtues only being retained. Hence it is self-evident the effect should prove as they have proved more powerful, remedial, and the Pills a surer, more powerful antidote to disease than any other medicine known to the world.

As it is frequently expedient that my medicine should be taken under the counsel of an attending Physician, I do not consider myself properly judge of a remedy without knowing its composition, I have supplied the accurate Formula by which both my Pectoral and Pills are made to the whole body of Practitioners in the United States and British American Provinces. If however there should be any one who has not received them, they will be promptly forwarded by mail to his address.

Of all the Patent Medicines that are offered, how few would be taken if their composition was known! Their life consists in their mystery. I have no mysteries.

The composition of my preparations is laid open to all men, and all who are competent to judge on the subject, freely acknowledge their convictions of their intrinsic merits. The Cherry Pectoral is pronounced by scientific men to be a wonderful medicine before its effects were known. Many eminent Physicians have declared the same thing of my Pills, and even more confidently, and are willing to certify that their prescriptions were more than realized by their effects upon trial.

They operate by their powerful influence on the internal viscera to effect a healthy secretion and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular to healthy action, and by correcting wherever they exist such derangements as are the first origin of disease.

Being sugar wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions, see the wrapper on the Box.
