One of the most dangerous and repulsive forms of Kidney Disease is

DROPSY

for which Dodd's Kidney Pills are the only certain cure. In Dropsy the Kidneys are actually *dammed up*, and the water, which should be expelled in the form of urine, flows back and lodges in the cells of the flesh and puffs out the skin. Remove the filth which plugs up the drain. Restore the Kidneys to health. There is only one Kidney Medicine

THREE TRYING TIMES.

There are three periods in a woman's life that are fraught with great danger to her health.

The first of these is the unfolding of the bud of girlhood into the full bloom of womanhood.

Mothers should carefully guard their daughter's health at this time. If there be pain in the back, weariness and lassitude, paleness and weakness, headaches and irregularities, there is no remedy will do so much good as Milburn's Heart and Nerve Pills. It enriches the blood, strengthens the nerves, makes the cheeks rosy, and brings about regularity. The next period when a woman requires the aid of a good nerve-toning, blood-enriching remedy like Milburn's Heart and Nerve Pills is Motherhood.

During pregnancy these pills make the blood rich and keep the health good. After baby comes they restore the strength and build up the depleted system.

Women at the change of life will find nothing equal to Milburn's Heart and Nerve Pills to tide them over this trying transition period.

For the nervousness and dizzy spells, prickling sensations in the fingers, hot flushes, numbness, headaches and heart palpitation, which so often prove such a serious menace to health, there is no better remedy.

In fact, at all times in a woman's life, when she is weak, run down, nervous, sleepless, anæmic, suffering from heart trouble, lacking energy and ambition, she will find Milburn's Heart and Nerve Pills a friend in need that gives her rich blood, strong nerves, regular beating heart, refreshing sleep—drives away pains and aches, and restores all the blooming of sound health.
