R. R. R.

Highly Important to the Public.

The Sick cured on the R. R. R. Theory.

THREE GREAT REMEDIES.

The attention of the public is particularly directed to the three quick and powerful remedies discovered by Radway & Co. So quick, so powerful, so effectual, so safe, so pleasant, are these remedies in stopping pain, checking disease, expelling from the human body all impurities and all traces of the nauseous and poisonous deposits, and restoring the weak, feeble, and fragile frame, worn out by disease and long suffering, to sound health and long life, and whatever else may be wanting, it will become familiar with the R. R. R. Theory, will never need a physician, unless it is in some critical surgical case. The R. R. R. Remedies will never need it—they are themselves in the worst cases in less than *twenty-four hours.*

They invigorate, they renovate, they regulate, they relieve the suffering, preserve the invalid from the most battering pains in *a few minutes.*

They restore the sick and diseased body to *health and strength.*

To the less spirited and nervous they impart joyfulness, vigor, and a happy flow of spirits.

To the aged and infirm, whose constitutions are worn out by decrepitude and time, they infuse a renewed feeble, they impart the elasticity and buoyancy of manhood in its prime.

To the young, who, between the period of youth and manhood, outgrow their natural strength, who are afflicted with languor, lassitude, loss of appetite, gloomy feelings, &c., they impart to the recuperative organs a healthy tone and vigorous action.

To the thoughtless seeker and victim of animal passions, who has wasted away his strength in folly and revelry, they check the waste of manhood, and restore every organ to a sound and natural condition.

To all who suffer pain, to all afflicted with disease, the R. R. R. REMEDIES will quickly and effectually free the sufferer from the pain, and render the most wretched capable of enjoying sound health and long life.

R. R. R.

REMEDIES.

The R. R. R. Theory requires only three remedies for the cure of the sick, and the protection of the human system against sudden attacks of violent disease.

No. 1—RADWAY'S READY RELIEF.—*For the instant Relief of Pain, and quick cure of Acute Maladies.*

No. 2—RADWAY'S RENOVATING RESOLVENT.—*For the effectual cure of all Chronic and Scrofulous Diseases that have been lingering in the System, corrupting the Human Body, for Five, Ten, Twenty, or Forty Years.*

No. 3—RADWAY'S REGULATORS.—*For restoring and regulating to a healthy and harmonious action all the Organs in the System. A mild and effectual cathartic.*

R. R. R.—No. 1—RADWAY'S READY RELIEF is for the instant relief of the sufferer from pain, and to check and arrest the progress of diseases; to disinfect animal, malarious, and infectious poisons, their poisoning whether used to arrest all poisonous Infection, from Contagion, and from sudden attacks of Cholera, Pneumonia, Ship Fever, Fever and Ague, &c. Likewise for the effectual and radical removal of all pains and diseases of the Bowels, Limbs, Nerves, &c., in from five to fifteen minutes.

RADWAY'S READY RELIEF will stop the most distressing and violent pains, internal or external—Nervous, Neuralgic, Bilious, or Rheumatic.

A PLEASURE IN THE FAMILY.—Every family should keep a supply of RADWAY'S READY RELIEF in their houses—it is useful in so many ailments—it is always beneficial; he guarantees it a sure cure for Cholera, if taken in the first symptoms. If used when violent epidemics prevail, it will save life.

R. R. R.—No. 2—RADWAY'S RENOVATING RESOLVENT.—We have said that for all chronic complaints, we recommend our RESOLVENT. The RESOLVENT resolves away all diseased deposits that have been lingering in the system for TEN, TWENTY, or FORTY YEARS.

Every person who has been troubled with any complaint for years, will require the RESOLVENT to ensure a perfect cure. The action of the RESOLVENT is directed first to the absorbents, stimulating them into action; and, second to the blood, which it deposrates by its alterative action over the glands the liver, pancreas, kidneys, &c., (which are the sewers that nature has established for purifying the blood), Your will, after this description, we hope, appreciate the name we have given to the second of the R. R. R. REMEDIES OF RENOVATING RESOLVENT. It resolves away diseased deposits; it purifies the blood, and renovates the system. Tumors are removed and discussed by its operation; Chronic Swellings are dissipated; Nodes are softened and melted away. Tubercles and Scrofulous Skin diseases disappear under its action. Scrofulous constitutions are seen blended, and the disease checked wherever it has attacked the system. Syphilis, with all its horrible train of concomitants, here find a certain and infallible cure; and Consumption, too, often finds its mastery. For Chronic Complaints, RADWAY'S RENOVATING RESOLVENT is not only an effectual, but quick cure.

BRONCHITIS.—We know of no remedy, nor of any treatment that will so quickly and effectually cure Bronchitis as the RESOLVENT. It is in all old Chronic cases where RADWAY'S RENOVATING RESOLVENT will not succeed.

Its Regulating Power.—Married persons, who are blessed with offspring, if the difficulty arises from impeded organs and incompetency, will find in R. R. R. Regulators, a great benefit.

DYSPEPSIA, WATER BRASH.—This distressing disorder is generally the result of a low grade of Chronic Inflammation of the Stomach. The patient, who generally feels well enough when the stomach is empty, is afflicted with the most distressing symptoms on taking food. Water Brash, Constipation, with burning sensations, heart burn, pain at pit of stomach, &c., the disease is generally accompanied with costive bowels.

TO RELATE ALL THE CURES WROUGHT BY THESE REMEDIES would be a work of some *great* magnitude. One Regulator on going to bed at night, to keep the bowels open and regular. When the Heart Burn is very distressing, a dose of the Pills taken just before retiring, will relieve it.

The public may rely upon an effectual cure of the following diseases by using the Renovating Resolvent:—

Chronic Rheumatism.	*Tumors, Ulcers,*
Scrofula,	*Skin Diseases,*
Glandular Swellings,	*Hip Diseases,*
Hacking Dry Cough,	*Female Complaints,*
Cancerous Affections,	*Gout,*
Syphilitic Complaints,	*Rickets,*
Disease of the Lungs,	*Jaundice,*
Dropsy, Water Brash,	*Bronchitis,*
Tic Dolorous,	*Consumption,*
White Spellings,	*Liver Complaints.*

R. R. R.—No. 3—RADWAY'S REGULATORS.

THIRD GREAT SCIENTIFIC DISCOVERY OF RADWAY & CO.—One Regulator is sufficient to regulate the Bowels, Liver, and Pancreas to a healthy and harmonious discharge of their functions.

They will insure a pleasant discharge from the bowels at a regular period of time every day.

They will purge thoroughly all corrupt and acrimonious humors from the secretory canal.

DIRECTIONS TO FILL TICKETS.—Every one who is in the habit of taking pills will find RADWAY'S REGULATORS the most pleasant, safe, effectual purgative of the Bowels, Liver, Pancreas, and the GREAT CURATIVE FURNITER OF THE BLOOD is one.

One of RADWAY'S REGULATORS is superior in point of medicinal strength and efficacy, to six of the most popular and best approved Cathartic Pills.

All Purgative or Cathartic Pills are made from the crude materials of their composition (the inert and active principles are combined together, and the pills are made up of this common mass, so that out of six pills the patient has to swallow, all the really and truly medical virtues of the same would not make more than one pill. Every chemist well knows that in every compound of drugs, roots, herbs, barks, plants, &c., there is only a yield of one tenth of medical virtue. We seriously believe that more deaths are caused by overloading the system with useless matter, than by disease. Medicine should be given to a patient than what is necessary to produce the desired effect, and to overload the system with drugs, roots, &c., is not only wasteful, but action of active virtues, but is inflicting serious labor upon the already shattered constitution.

R. R. R. Remedies are based upon this principle—there is a great difference, in point of strength and efficacy, between *Radway's Regulators* and all other Cathartic Pills, as there is between quinine and common bark, or prussic acid and opium.

RADWAY'S REGULATORS, therefore, are the best pills for the sick to take, one being sufficient in all ordinary difficulties, and two possessing a greater and better power than any six of the most approved pills known.

RADWAY'S REGULATORS are a certain cure for Costiveness, Indigestion, Liver Complaint, Kidney Complaints, Jaundice, Nervous Headache, Melancholy, Diseases of the Bladder. FEMALE DIFFICULTIES—Leucorrhœa, Fleur Albus, Whites, and Irregularities in Females, Fever and Ague.

—Bile in the Stomach, Bilious Colic, Enlargement of the Spleen, and all Chronic Affections of the Liver and Kidneys.

RADWAY'S REGULATORS are most carefully prepared from extracts and gums of trees, plants, roots, and herbs. There are no pills in use that will compare with them for promptness, purging the Glands and Nerves, so pleasantly and so effectually as the R. R. REGULATORS. No pills can be taken for any length of time with the same safety to the constitution; for, instead of debilitating the system by powerful and drastic purging, they act pleasantly upon the bowels, and impart strength to every nerve and tissue of the human body.

One of the REGULATORS, taken on going to bed, will insure a regular and healthy discharge from the bowels in the morning. In cases where eight or ten of the common pills have been used for free evacuations, two or three of the REGULATORS are sufficient.

NO CALOMEL

or other poisonous drug enters their composition—they are entirely free from it. They are pleasant to take, elegantly coated with a medicinal gum, are perfectly tasteless, and free from smell. No person will feel any disagreeable symptoms from taking a dose of REGULATORS.

CAUTION.

There is a counterfeit Ready Relief in the market; the labels are very similar to the labels on the genuine. Purchase only the genuine, and inquire of the person you purchase from if they know it to be genuine. If you do not find relief from pain in fifteen minutes, and see the label of the bottle you purchased, and inform us from whom you purchased.
