Austria Needs Help From Germany

(Canadian Press Despatch)

LONDON, September 11—The Austrians have begun to blow up forts at Halicz, Galicia, according to despatches published by the Petrograd Russky Slovo and forwarded by the Reuter correspondent. The Russians have occupied some of them. The greatest bridges across the Dniester, the despatches add, have been blown up. The Russians hold the left bank of the river and are cannonading the retreating Austrians. Two railway trains have been wrecked.

ANNIVERSARY OF JESSE POMEROY.

BOSTON, September, 10—Jesse Pomeroy, serving a life sentence for murder today completed his fortieth year in solitary confinement at the state prison in Charleston. Pomeroy is said to have served in solitary confinement longer than.. any other prisoner in this country, and unless the commitment order is changed he will have to be kept in that manner until he dies. He bagan his sentence at the age of 16 years, after having tacks on several children. In recent years numerous efforts have been made to secure for him the privileges of a "trusty," but all of these have been unavailing. Numerous attempts at escape have been made by the notorious prisoner and these, together with his known predilection for taking human life, have influenced the authorities in strictly adhering to the conditions of the original sentence which prescribed "solitary imprisonment."

While "solitary imprisonment" is the name given to the punishment Pomeroy is undergoing, it does not mean that he never leaves his cell. He goes out in the yard every day in charge of a guard, and spends an hour there. But that is while the other prisoners are at work in the shops. During the forty years that he has been confined Pomeroy has seldom seen the face of a human being other than those of his keepers and of his aged mother, who died several years ago.

Huns Could Not Survive Loss Of Her Allies

ACQUI, Italy, Sept. 11—(By Dr. J. E. Dillon)—Field Marshal von Hindenburg's appointment as chief of the German general staff suggests a desperate endeavor to shatter the Russian and Roumanian forces. The Hungarian press considers the coming struggle as decisive for the isolation af the Germans from their eastern allies and for a Russian invasion of the Hungarian invasion of the Hungarian plains. They make it clear that the fullest apprehension prevails and that all hope has vanished.

One Hungarian paper says: "Germany can face an economic war only so long as she posses the Berlin-Bagdad railway. If Transylvania is lost, and if the Balkans fall into the hands of her enemies, Germany cannot survive the loss."

Select Medicine Carefully

Purgatives are dangerous. They gripe, cause burning pains and make the constipated condition worse. Physicians say the most ideal laxative is Dr. Hamilton's Pills of Mandrake and Butternut; they are exceedingly mild, composed only of health-giving vegetable extracts. Dr. Hamilton's Pills restore avtivity to the bowels, strengthens the stomach, and purify the blood. For constipation, sick headache, biliousness and disordered digestion no medicine on earth makes such remarkable cures as Dr. Hamilton's Pills. Try a 25c. box yourself.

THE MINISTER OF FINANCE offers herewith, on behalf of the Government, the above named Bonds for subscription at 97½, payable as follows:—

10 per cent. on application,
30 " " 16th October, 1916;
30 " " 15th November, 1916;
27½ " " 15th December, 1916.

The total allotment of bonds of this issue will be limited to one hundred million dollars exclusive of the amount (if any) paid for by the surrender of bonds as the equivalent of cash under the terms of the War Loan prospectus of 22nd November, 1915.

The instalments may be paid in full on the 16th day of October, 1916, or on any instalment due date thereafter, under discount at the rate of four per cent. per annum. All payments are to be made to a chartered bank for the credit of the Minister of Finance. Failure to pay any instalment when due will render previous payments liable to forfeiture and the allotment to cancellation.

Subscriptions, accompanied by a deposit of ten per cent. of the amount subscribed, must be forwarded through the medium of a chartered bank. Any branch in Canada of any chartered bank will receive subscriptions and issue provisional receipts.

This loan is authorized under Act of the Parliament of Canada, and both principal and interest will be charged upon the Consolidated Receiver General in Canada.

Forms of application may be obtained from any branch in Canada of any chartered bank at the office of any Assistant Receiver General in Canada.

Subscriptions must be for even hundreds of dollars.

In case of partial allotments the surplus deposit will be applied towards payment of the amount due on the October instalment.

Scrip certificates, non-negotiable or payable to bearer in accordance with the choice of the applicant for registered or bearer bonds, will be issued, after allotment, in exchange for the provisional receipts.

When the scrip certificates have been paid in full and payment endorsed thereon by the bank receiving the money, they may be exchanged for bonds, when prepared, with coupons attached, payable to bearer or registered as to principal, or for fully registered bonds, when prepared, without coupons, in accordance with the application.

Delivery of scrip certificates and of bonds will be made through the chartered banks.

The issue will be exempt from taxes—including any income tax—imposed in pursuance of legislation enacted by the Parliament of Canada.

The bonds with coupons will be issued in denominations of $100, $500, $1,000. Fully registered bonds without coupons will be issued in denominations of $1,000, $5,000 or any authorized multiple of $5,000.

The bonds will be paid at maturity at par at the office of the Minister of Finance and Receiver General at Ottawa, or at the office of the Assistant Receiver General at Halifax, St. John, Charlottetown, Montreal, Toronto, Winnipeg, Regina, Calgary, or Victoria.

The interest on the fully registered bonds will be paid by cheque, which will be remitted by post. Interest on bonds with coupons will be paid on surrender of coupons. Both cheques and coupons will be payable free of exchange at any branch in Canada of any chartered bank.

Subject to the payment of twenty-five cents for each new bond issued, holders of fully registered bonds without coupons will have the right to convert into bonds of the denomination of $1,000 with coupons, and holders of bonds with coupons will have the right to convert into fully registered bonds of authorized denominations without coupons at any time on application to the Minister of Finance.

The books of the loan will be kept at the Department of Finance, Ottawa.

Application will be made in due course for the listing of the issue on the Montreal and Toronto Stock Exchanges.

Recognized bond and stock brokers will be allowed a commission of one-quarter of one per cent. on allotments, made in respect of applications bearing their stamp, provided, however, that no commission will be allowed in respect of the amount of any allotment paid for by the surrender of bonds issued under the War Loan prospectus of 22nd November, 1915. No commission will be allowed in respect of applications on forms which have not been printed by the King's Printer.

SUBSCRIPTION LISTS WILL CLOSE ON OR BEFORE 23rd SEPTEMBER, 1916.
