Beavers And Arrows Tied For First Place In Big Four League

HALIFAX, Jan. 24 — (CP) — The wrangle for first place in the Maritime Senior Hockey League remained as tight as tape on a hockey stick tonight as Halifax St. Mary's whipped Dartmouth Arrows 4-3 in overtime.

At Moncton, Saint John Beavers tied Hawks 3-3 to pull alongside Arrows in first place. Hawks are just one point back in second place. Eight points behind them Halifax rides in the cellar.

Neither team was more than one goal ahead all evening. George McGregor shot the winner after three minutes of overtime. His shot was blocked by Gummy Gilfoy but Billy Hannon picked up the rebound and passed it back to McGregor. McGregor didn't miss the second time.

It was a close-checking, rough game with 15 penalties. The biggest crowd of the season — 4,180 — looked on.

The Halifax defence showed considerable improvement over recent games and covered up well for Jack Donlevy. He handled 30 shots, Gilfoy 33.

Lou Milani scored the only goal in the first period with a neat backhand shot.

Halifax got back on even terms early in the second period when Windy O'Neill slapped in a passout. Peanuts McLaughlin and Willie Robertson were off for fighting at the time. They, plus Muckle Hollett of Halifax, were still off when Larry Dunnville sent Arrows ahead again. He was left uncovered in front while a mixup was going on behind the net.

Pete Gaudet tied it up again when he scored on a 50-foot screened shot less than four minutes from the end of the period.

In the third period, it was St. Mary's turn to go ahead and have Dartmouth catch up. Jimmie Gray flipped the puck through the defence and Tom Brennan feinted and then shot to fool Gilfoy.

Milani shot his second goal seconds later when he picked up a loose puck and fired it past Donlevy.

In the 16 games played so far this season between Arrows and St. Mary's, each has won seven and two have been tied.

SAINT JOHN 3, MONCTON 3

MONCTON, N. B., Jan. 24 — (CP) — Saint John Beavers moved into a tie with Dartmouth Arrows for the first place in the Maritime Senior Hockey League tonight by coming from behind to gain a 3-3 tie with Moncton Hawks.

The draw left Hawks, erstwhile league leaders and last season's champions, in second place, one point behind Beavers and Arrows.

Hard luck dogged Hawks after they shot three goals in the first period while holding the fast-skating Beavers scoreless. Playing without big Joe Fitzpatrick, their ace goal sniper, Hawks suffered the loss of hard-working Paul Gagnon early in the second period when he fell into the boards and injured his shoulder.

Coach Dud James was forced to finish the game with two lines intact and a juggled third string.

Beavers outshot Hawks 24-21, most of their drives coming in the last half of the game when Hawks appeared disorganized at times and their defence had difficulty working the puck out of their own zone.

DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

Yesterday's Cryptoquote: LIFE IS BUT A DAY AT MOST, SPRUNG FROM NIGHT, IN DARKNESS LOST—BURNS.

Distributed by King Features Syndicate, Inc.

The Prince of Wales College hoopsters made an improved showing in their Island Physical Fitness Basketball League encounter against the strong Ray's Millionaires quintette on Saturday night at the P.W.C. auditorium. Although losing out in the final minutes of the game, the Collegians led their opponents by four points at the end of the first half and had the score deadlocked at 37-all with only four minutes to play left in the game, when Ray's took the upperhand to outpoint them 5-2 to eke out a slim three-point advantage.

• • • •

Considering that this band of youngsters only played together late this year for the first time and have only had two scheduled matches so far this season they are doing remarkably well under the expert coaching of Walter Goss. Certainly they made a creditable showing in holding down the powerful Millionaires, last year's senior champions, by such a small margin. The addition of Jack Pierce, recently appointed physical instructor at the new Y.M.C.A., strengthened their forward attack considerably Pierce accounting for 15 of his team's total of 39 points. At their present rate of improvement they should really make their presence felt in future league competition.

• • • •

In the first game of the double-header at the auditorium on Saturday night, the Charlottetown Recce squad further demonstrated their superiority in league play so far this season when they downed a smooth working band of S.D.U. hoopsters to go undefeated in five starts in league competition, and advance their standing to 10 points, four points over their nearest competitors, Ray's Millionaires, who are holding down second position with a total of six.

• • • •

The game was fast and well played all the way, and the Saints really staged an even battle with them in the first half, with Recce only retaining a one-point advantage at the end of the half. In the second half, however, Recce had better control of the ball and outpointed the Saints 19-12 to win out by an eight-point margin, and at the same time handing down the first defeat to the Saints in three league starts.

• • • •

The league standings of the other four teams at the end of last week-ends play are: S.D.U. in third position with four points; R.C.A.F. in fourth with two points; P.W.C. and Schurman's in fifth with no points.

• • • •

Willie Robertson, who is at present a student at Dalhousie University, seems to be making a good showing with the Dartmouth Arrows, present leaders in the Big Four Senior Hockey League. Judging from recent summaries, Willie has garnered some nine or ten points in the past five games. Well known here among local hockey circles when he starred with the Prince of Wales College team in City League competition in recent years, Willie is apparently displaying the same style of scoring punch he was noted for here and is fast becoming a valued member of the Dartmouth squad.

• • • •

The Charlottetown Abegweit hockey squad, this year's Island entry in Central Section Hockey League, certainly made an impressive showing in Mainland games over the week-end when they downed the Springhill Miners by a score of 6-1 and then went on to swamp the St. Joseph University Blue Eagles by a score of 14-6.

• • • •

The victories, which put them on a tie basis with the Amherst Ramblers for the league leadership with only three games played to Amherst's four, certainly raises Island hopes for bringing the title to the Province this year. The game between Abbies and St. Joseph, which is scheduled for here on Thursday night, will give the local squad their chance to take sole possession of the league leadership. This, however, is assuming that the Abbies will be victorious in Thursday night's game. However, some of our local fans who saw St. Joseph in action against Abbies over the week-end state that the University boys are a clean playing, fast skating band of hockeyists, and are inclined to believe that they will play a much better brand of hockey on the larger ice surface here.

• • • •

Leading the scoring parade for the Abbies during the two week-end games was Allie Carver, who notched up five goals and five assists for an even ten points, while his two linemates Joey LeClair and Bubby Dowling held second and third place honors with six and five points respectively, the former getting four goals and two assists and the latter one goal and four assists. Chris Gallant, back in his defensive position, garnered four assists while Art Perry and Hollis Day snared three goals apiece.

Tennis Plans Discussed With Col. McAvity

Col. J. M. McAvity, president of the Canadian Lawn Tennis Association who has been visiting the city on a short business trip, conferred with local tennis officials at the Charlottetown Hotel yesterday afternoon.

During the informal chat, Col. McAvity outlined the forthcoming activities planned by the Canadian Association, in co-operation with the various Provincial bodies throughout the Dominion, to renew widespread interest in tennis and to further the development of promising young players in all sections of the country.

President McAvity stressed the importance of having a strong Provincial Association, made up of representatives from all the various individual clubs in the Province, to work in close relationship with the Dominion Association. If this is done, the full scale tennis development program which has been drawn up by the C.L.T.A will effect every Province materially, and insure better supervision and instruction of the players, and will provide greater opportunities for competitors to advance from district to provincial, regional and Dominion competition. He assured the meeting that the fullest co-operation can be expected from the C. L. T. A.

Mr. J. A. Bentley, president of the P. E. I. Lawn Tennis Association, and Mr. Malcolm MacKinnon, Association secretary, both expressed their opinion that they would like to see a re-organization meeting of the Association. The suggestion met with the full approval of other tennis officials present. It was decided that a definite date would be decided upon in the next few days and that invitations would be sent out to existing clubs at Summerside, Montague, Kensington, etc., to send representatives to attend the re-organization meeting.

Busy Week Looms For Summerside All Stars

This evening starts a busy week for the Summerside All Stars. The second of three Charlottetown City League games to be played in Summerside this season will be contested tonight with the All Stars meeting P. W. C. Welshmen. A win is important for the Summerside boys tonight as they are now fighting for a playoff berth in the league. The last time these two teams met they played a tie game.

On Thursday afternoon the All Stars will leave by bus to play an exhibition game with the Amherst Ramblers of the Central League. It is hoped to have the Amherst team play a return game in Summerside at a later date.

On Saturday night it is understood that Navy and the All Stars will meet in Summerside in the final league game to be played in Summerside this season. So it is a busy week for the All Stars and when it is over they should know if they are going to make a playoff spot in the City League. Both league games will be hotly contested and should draw large crowds.—S.
