Live Stock

For sixty-one years the best Live Stock, Sheep, Swine and Poultry have been exhibited and judged on our grounds. We take pride in the fact that our encouragement coupled with that of the Dominion and Provincial Governments, has brought our standard of quality so high that we are known throughout the length and breadth of the American continent as among the best producers of special types of Horses, Cattle, Sheep, Swine and Poultry. We want everyone to take an interest in our Exhibition for the men who are exhibiting are contributing in no small measure to the prosperity of the Garden of the Gulf.

Through the co-operation of the Dominion and Provincial Governments we have built 15 new barns to accommodate our large cattle entry list. These are up-to-date in every respect. In addition we have spent many thousands of dollars in improving our plant. Over $13,000 in purses, prizes, premiums and awards is being offered for this, the greatest Live Stock Show in years. Our cattle barns, including the new ones, will be filled to capacity with animals valued at $350,000—See the swine that are commanding such premium prices from breeders in Western Canada and Ohio. There will be a cattle parade of show winners between 7:15 and 8:15 in front of Grand Stand evenings.

Poultry

The Poultry industry has grown to such a large proportion here that it is now Big Business—The best of the live ones will be on display in the special poultry building.

WOMEN'S INSTITUTES

This year the Women's Institutes are taking even greater interest in our Exhibition and will occupy the entire Show Building with exhibits of handicraft and home-made baking. There will be a special display of flowers and several attractive booths—Be sure and visit the Show Building and see what the Women's Institutes can do when they get behind a worthy object.
