NOTICE TO EMPLOYERS

While there are no provisions under the present provincial Election Act to permit employees time off for voting, it is our hope that all employers in the province will make whatever internal arrangements that are necessary to permit employees sufficient time off from work to exercise their franchise.

In many cases employees live and work in their voting constituency but others commute rather long distances and special considerations are requested for this latter group.

All polling stations will be open between the hours of 9:00 a.m. to 5:00 p.m.
