The Tea Taster

is a very important personage in the factory where teas are blended and packed. He brews the beverage with great exactness, and directs the experiments for new blends from his judgment of the taste. The taster who was responsible for our "Matchless" blend of Ceylon tea has had his good taste endorsed by many housekeepers, which is the true test of a tea's taste. 55c lb., 6 lbs. or more, 60c.

SUFFERED YEARS WITH ECZEMA

"Fruit-a-tives" Cleared Her Skin

POINTE ST. PIERRE, P.Q.

"I suffered for three years with *terrible Eczema*. I consulted several doctors and they did not do me any good.

Then, I used one box of "*Sootha-Salva*" and two boxes of "Fruit-a-tives" and my hands are now clear. The pain is gone and there has been no return.

I think it is marvellous because no other medicine did me any good until I used "Sootha-Salva" and "*Fruit-a-tives*", *the wonderful medicine made from fruit*".

Plot to Kidnap Irish Leaders

TORONTO, Feb. 24.—A Mail and Empire cable from Dublin says a plot to kidnap Arthur Griffith, Michael Collins and other Free State leaders on the eve of the meeting of the Dail Eireann, a week ago, was divulged last night.

Six waiters in the hotel where Michael Collins maintains headquarters are said to have been ordered by members of the Irish Republican Brotherhood, at the point of a revolver to spirit away Collins and hold him until the close of the Dail session. At the same time armed members of the Brotherhood visited four local garages and ordered automobiles made ready in which to spirit away other Free Staters.

Their object is declared to have been to prevent the treaty men dominating the Republican members of the Dail.

Charles Dalton, liasson officer of the Irish Republican Army, is said to have thwarted the plot.

FUNERAL OF AIRMEN

NEWPORT NEWS, Va., Feb. 25.—All business here and at Norfolk and other surrounding communities was suspended today during the public funeral services held here for the thirty-four victims of the disaster which befell the army dirigible Roma. During the brief services, conducted by army chaplains, and several of the local ministry, airplanes from Langley Field flew over the grounds of the Casino Park and dropped floral caskets on the row of flag draped caskets. They bore tributes from the city, the State and the American Legion, as well as from friends and relatives.

RICH MUSICAL TREAT.— Music lovers in this city are looking forward with great pleasure to the next concert of the Charlottetown Choral Society, which takes place in the Methodist Church on Thursday evening next, when Handel's magnificent composition, "Judas Maccabaeus" will be produced. About seventy singers under the direction of Professor W. E. Fletcher, have been practising patiently since November. The vocal talent include: Mr. Chas. Earle, Mr. Elmer Ritchie, Mrs. Henderson, Miss Dorothy Sutherland, Miss Lucy Blanchard, and several others of well known merit. A feature of the production will be the splendid solo parts and magnificent anthems. Splendid as have been the concerts of the Choral Society so far, it is expected that the performance on Thursday night will eclipse everything hitherto attempted, and there is no doubt but that the attendance will be worthy of the efforts made to give to the city a musical entertainment of the highest quality.

Geddes Resigns Seat in Commons

LONDON, Feb. 25—Sir Eric Geddes, former First Lord of the Admiralty and later Minister of Transportation the first holder of the newly created office, formally resigned his seat in the House of Commons today.

Sir Eric's latest notable activity was as head of the Economy Committee, appointed to find a means of clipping £100,000,000 from the national expenditure which reported recently recommendations and which would account for more than three quarters of this sum, some of the suggested ways of saving being through reductions of 50,000 officers and men in the army and 35,000 officers and men in the navy. The British Admiralty took exception to the Geddes committee's recommendation, regarding the navy, issuing a statement declaring its major recommendations were based on a serious misconception of the character and requirements of the British naval organization.

EDITH KELLY GOULD LOSES HER SUIT

NEW YORK, Feb 23—Supreme Court Justice Mullan has denied the application of Edith Kelly Gould for an order vacating the divorce decree obtained in Paris by Frank J. Gould.

In dismissing the action with $10 costs, the court set forth that the action had not been brought in good faith by the actress and that "the limit of her hope is to coerce the defendant."

The decision also denied Mrs. Gould the right to file an amended reply containing allegations that assail and put in issue the regularity of the French decree.

Frank J. Gould is a son of the late Jay Gould.

Subject, "Ships and Sailors of the British Empire." Admission Free. Mr. R. H. Rogers, Superintendent of Education will preside.

A very enjoyable whist party and dance, was held in the Town Hall, Georgetown, on Tuesday February 14th, under the auspices of the Women's Institute. A large number were present and all enjoyed themselves immensely. Whist began at 8.30 p. m. and was kept up until twelve o'clock, when a delicious lunch was served by the ladies of the Institute. The prizes were won by Miss Helen McDonald and Mr. Jas. Condon. The remainder of the evening was spent dancing. Following were the dances: Lancers, nos. steps, two steps, Rye Waltz, Garottes and Waltz's. Miss Mary McDonald and Mrs. Fairchild, played the piano, while Messrs. Condon and Fitzgerald played the violin. The ladies are to be congratulated on their successful entertainment. A.

C. G. I. T. PAGEANT.— A successful rally of the groups of the Canadian Girls in Training, representing the different churches of the city, was held in St. Paul's Parish Hall, on Friday evening, when the St. Paul's group presented a pageant of Canadian Missionary Life. They depicted by suitable costumes the representatives of many lands, who are making their home within our Canadian borders, and who must be woven into the life of our nation in the making. Representatives of the Esquimo and Indian native tribes and the various countries of Europe and from the United States, from whence our immigration is drawn, were all to be found. Miss Canada welcomed them all in turn and expressed the national intention of caring for them all in their new homes. The pageant was preceded by a hearty C. G. I. T. sing-song led by Mrs. James McMillan. A warm expression of appreciation was voiced for the audience by Mr. Percy Pope. It is purposed to reproduce the pageant on the 16th. of March, in St. Paul's Parish Hall, when a corresponding pageant will also be presented by the girls of St Peter's Church, representing missionaries in the foreign field.

Fields Holds Steadfastly to His Story

DETROIT, Feb. 25—Authorities here withheld decision tonight as to the value of a purported confession of Harry M. Fields, that he was implicated in the murder of William Desmond Taylor, Los Angeles film director. Sheriff Irving J. Coffin, to whom Fields made a number of statements concerning the crime, said he had communicated details of the murder, as related by Fields, to the Los Angeles authorities and was awaiting further advice.

Fields today held steadfastly to his story of the killing, Sheriff Coffin stated and furnished additional details. He told the sheriff a Chinaman fired the shot that killed Taylor, buried the pistol near the Taylor home and later paid Fields $900 for driving the automobile in which the Chinese, a white man and woman went to Hollywood.

Second Woman.

Another woman who was present besides the one already mentioned when the crime was committed, was implicated in the murder, Fields said. The four were motion picture actors and actresses according to the story. Their names have been given Los Angeles authorities.

These men and women, Fields told the sheriff, met three times prior to Feb. 1 to plan the crime. Their plans, Fields said, were completed on Jan. 31, when they engaged him to act as chauffeur.

Fields said he could not divulge the motive for the slaying, adding that the four plotters were engaged by people he did not know, to slay Taylor.

Los Angeles authorities said tonight they had been unable to verify any of the statements bearing out the murder of William Desmond Taylor, film director, alleged to have been made in Detroit by Harry M. Fields, under arrest in that city.

Charlottetown's Royal Welcome to the Victorious Abegweits

(Continued From Page 1)

surance of the President that there is no ground for this dispute. (Loud applause.) And I was practically told that now, without this game which we are to play with the Chatham team, that the Championship and the holding of the Morton-Thomson trophy lies in the hands of the Abegweit Hockey Team." (Applause.)

Good Old Chatham.

President Doyle in conclusion spoke very warmly of the good treatment received by the team in Chatham. On their arrival about three hundred ladies and gentlemen met them at the station and gave them three rousing cheers. They were driven to the best hotel and several teams were placed at their disposal. The Chief of the Fire Department sent a special invitation to them to visit the Town Hall, where Mayor Merserau heartily extended a welcome. President Doyle took occasion to remind His Worship at Chatham that his success in civic life might be in no small measure due to the fact that he had the good fortune to be married to an Island lady. (Laughter.) After the game the Abbies were again cheered and congratulated by the Chatham peoples, who called them the fastest aggregation of hockeyists that had ever visited their town.

In regard to the champion skating match in which the Abegweits again scored, President Doyle complained of pretty harsh treatment at the hands of some of the newspapers. The Abbies were asked to enter a relay team of four. Some of the boys were completely exhausted, but others, who were called substitutes (though there were really no substitutes on the team) volunteered to take part in the race and defeated their rivals by more than two laps. That evening one of the papers came out: Relay Race, 1st, Dorchester; 2nd, some body else; 3rd, a dash, signifying doubtful. President Doyle rang them up and gave them to understand who won the race and they had the grace to make the correction.

President Doyle was glad to assure the audience that John "Whacky" McEachern was not in so bad condition as was at first supposed. The bad cold he had contracted induced a high fever but his condition is now much improved. He wished again to thank the citizens of Charlottetown for their splendid welcome, and also to thank Mrs. Heartz for the bouquet presented to Capt. Moore. (App.)

Ex-Mayor P. S. Brown, called upon, added his congratulations and reminded the audience that if the boys are to go to Boston money is needed and that the best way to help them out would be to fill the rink to capacity next Tuesday. "And when you put in your money don't look for any change back!" (App.)

Mayor Jenkins: "From what we have heard from President Doyle I think we ought to call for three cheers for Chatham!"

This suggestion was greeted enthusiastically and the cheers and a tiger were given with right good will. The meeting dispersed after the singing of the National Anthem the boys adjourning to the Rose and Grey tea rooms, where a banquet was prepared in their honor.

The Banquet

Mayor Jenkins presided in his genial manner at the tea rooms, where an excellent banquet was served by the management of the Rose and Gray and a jolly time enjoyed.

Mayor Jenkins sent out the following telegrams:—

Ch'town, P.E.I., Feb. 25, 1922
Mayor Merserau,
Chatham, N. B.,
The citizens of Charlottetown deeply appreciate the kind attention shown the boys of our hockey team, when visiting your city.
At a reception tendered the boys on their return at which thousands of people were present three hearty cheers and a tiger were given for the good people of Chatham. Please accept sincere thanks.
R. HAROLD JENKINS,
Mayor.

John M. McEachern
The citizens wish me to say that we missed you very much at the reception tendered the boys on their return home tonight. Please accept thanks and congratulations and at the same time extend our thanks to Mr. Hughes for remaining with you.
R. H. JENKINS,
Mayor.

A wire received last night by Mr. Jas. McEachern from Mr. Leslie Hughes states that "Whackey" will not return for a few days, but will rest up. His temperature is again at normal, but it was considered unwise to move him.

NOTES

Mr. Adolph Gaudet, an old Abegweit player, was one of the many to congratulate the boys last night.

The firemen will have the float to meet the Chatham team tonight with band. A large turnout of citizens is expected. The team will be given the freedom of the city. Mr. Byron Brown, of the Abegweit executive, will entertain the visitors at his home, and they will be guests at the big dance at the Casino. Nothing is too good for Chatham.

Though Capt. Fred Moore was unable to accompany the boys on their last glorious forage into the enemy's camp he has richly earned the spoils of victory. The boys were pleased to see him able to take his place among them on their return.

Following are the members of the team who returned Saturday: Harry Morgan, Fred Kelly, Chester Campbell, Percy Rodd, John Gordon, George Buntain, Louis Campbell, Earl Prowse, Sam Doyle, (President); Byron Brown (member of Abegweit Executive.) In addition several fans returned with the team, including Joe Doyle, Gordon Worth, Louis Block.

The Ladies Hockey team also arrived Saturday night, after having played the Moncton ladies on Friday night. Those returning were: Misses Jean Kelly, Mary Moore, May Unsworth, Marjorie Burke Elizabeth Bourke, Viola Mullen Bernice Rodd, Dorothy Holl, Gertrude Weeks, Mrs. S. C. Moore (Chaperone) and Mr. Russel Chandler (Manager.)

Miss Jean Kelly met with an accident during the preliminaries at Moncton, receiving a severe cut which necessitated her retiring from the game.

Saucy Little Schooner Now Has Troubles

BOSTON, Feb. 25—A saucy little schooner the Grace and Ruby of Yarmouth, N. S., with a cargo of contraband liquors aboard that customs authorities said were intended for landing at New England ports, was caught loading outside the harbor early today by the coast guard cutter Tampa. She was weighted down to the water line by the whiskey and gin that filled hatches and cabins and the Grace and Ruby represented the most valuable prohibition enforcement catch made on this coast. At bootleggers valuations, customs officers said her cargo is worth one hundred and fifty thousand dollars.

They announced their conviction that it was from the same vessel that $70,000 worth additional liquor was transferred Monday night and placed aboard a motor scow for landing at Salem. The scow was captured there yesterday and its contents seized when it grounded on the mud flats. John Le Favre, Liverpool, N. S., who jumped overboard was captured and brought here to answer charges in connection with the incident.

Day And Night Hunt.

The capture of the Grace and Ruby which supplements sails with an auxiliary engine followed a day and night hunt for her by two of the coast guard cutters. The Ossipee chased up and down the coast until fog set in last night. Then the Tampa was added to the pursuit and while poking around in the fog of the outer harbor here this morning, found the Grace and Ruby lying there. She was taken in tow, turned over to customs officials and her crew detained.

Captain Wiley Ross of the Grace and Ruby, said the schooner was owned by Walter Sweeney of Yarmouth, N. S., and that her cargo was consigned to parties at St. N. B.

The schooner, a former fisherman, once a familiar figure in the fisheries at this port, sailed from Settlement Point, in the Bahamas on Feb. 11. Her manifest showed that she had aboard at that time 3,035 packages of whiskey, six bottles to a package and 300 cases of gin. Examination by customs authorities today, showed only 1,800 packages of whiskey aboard. The gin was apparently not disturbed. The whiskey was marked as of the "Calvert rye" brand, distilled by the Maryland Distilling Company in 1913 and bottled in 1919 and "for export."

CAPT. ROSS AND CREW ARRESTED

BOSTON, Feb. 24.—Captain Wylie Ross of Yarmouth, N. S., skipper of the British schooner Grace and Ruby, and his brother, Hugh Ross, who was mate of the craft, and two members of the crew, Lloyd Goodwin and Norman Outhouse, were formally arrested today for conspiracy to smuggle liquor into this country. They had been detained since the capture of the schooner in Massachusetts Bay yesterday, after the United States coastguard cutter Tampa sent a shot across her bows. Each pleaded not guilty and were held in $5,000 bonds. Other members of the crew were held as material witnesses.

The cargo of 108,000 bottles of whiskey and three hundred cases of rum carried by the schooner when she was caught was unloaded today while hundreds looked on.

N.S. Miners Vote on Direct Negotiations

TRURO, N. S., Feb. 24.—The representatives of the 12,000 miners of Nova Scotia will ivote tomorrow to re-open direct negotiations with the operating companies of the coal mines of the Province i nan endeavor to agree on a wage rate without recourse to the strike and industrial war which has been an acknowledged peril since last fall. That is the forecast which is current in well informed circles in Truro tonight following the sessions here today of the convention of the United Mine Workers of America, District 26. The most sanguine of the forecasters, however, declared that the prophecy is by no means necessarily a correct one.

"We hope that negotiations can be opened and we believe the operators wish to negotiate also," said Silby Barrett, International Board Member-elect of District 26, following today's meeting. That seemed to be general attitude of the men in discussion this afternoon, he added. He could not say, however, what their decision would be when the matter was put to a vote.

Hon. E. H. Armstrong Present.

The statement of Mr. Barrett and opinions expressed by other miners following today's sessions of the convention came as the first indication of a way out of the apparent impasse which has resulted through the operating companies putting into effect a wage cut of approximately thirty per cent in the coal mines of the Province and the refusal of the miners to accept the cut.

Today's development towards negotiation is said to have largely resulted from the presence at the convention of John P. White, member of the Fuel Control Board of the United States during the war, who resigned the international presidency of the United Mine Workers of America to take that position. Added to this was the visit to Truro of Hon. E. H. Armstrong, Minister of Mines and Public Works in the Nova Scotia Government, who held a conference at noon with the executive heads of the miners.

Mr White Held the Floor.

John White admittedly made a great impression on the convention today.

He occupied the floor for practically the entire morning and afternoon sessions. Following an hour's address in the morning he was subjected to questioning by the delegates and this was resumed again in the afternoon with discussion interspersed. He dealt with the coal mining situation throughout the continent of North America, pointing out difficulties which face it at the present time.

The convention up to the present time has not been featured by any heat, it is said by delegates. Calm discussion and a desire to get at the real facts of the situation have been the order, they say. Mr. White in his address advised caution and negotiation to the last moment that it was possible.

Conferred With Leaders

Hon. Mr. Armstrong's visit to Truro was altogether unprearranged, he said. He came to offer his services if they could be of any aid. He hoped that a way could be found out of the present difficulty and was prepared to do all in his power to help find that way. He had no statement to make following the conference with the mine leaders. He returned to Halifax tonight.

Robert Baxter, District President, has been very reticent, saying that it was impossible to make any forecast. He did say, however, that the miners had to face a crisis on former occasions and they had come through. He thought that this one would be passed through in some manner.

The present miner's convention is said to have progressed more satisfactorily than some previous ones. After yesterday's preliminary work the delegates were able today to get down to the main business before them, that of formulating a wage policy for the district.

A number of resolutions and reports of committees were heard this morning. The matter of admission of the Press to the sessions also came up and evoked considerable discussion.

This question has resulted in much divergence of opinion among the delegates and many of them fought hard to have their discussions open to the representatives of the newspapers.

The convention will meet again tomorrow morning at 9.30.

BRITISH GOV'T. PLANS A BIG CAMPAIGN

LONDON, Feb. 24.—That the Government realized the need of strengthening its position in the country, particularly in view of the recent bye-election and prospective general election is shown by an announcement that a big campaign in the country is to be undertaken by the Ministers.

Premier Lloyd George will open the campaign with a presentation of the Government's policy.

It is understood, that he will speak in England, Scotland and Wales.

Drugs Excite Your Kidneys, Use Salts

If Your Back Hurts or Bladder bothers, drink lots of water

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water, you can't drink too much, also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate cloged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

REDMAC

If weak, pale, thin, or run down, try REDMAC, the King of Tonics. This remarkable medicine brings results quickly. It has helped thousands to regain youthful health and strength. Try a bottle; a large generous bottle can be procured from your druggist at a reasonable price.
