IN MEMORIAM

BIRT —In loving memory of George Cecil Birt who lost his life by drowning, June 28, 1951.
Eleven long and lonely years has passed
Since our great sorrow fell,
The shock that we received that day
Will always with us dwell.

You wished no one a last farewell
Nor could you say good-bye
But you were gone before we knew it
And only God knows why.
Always remembered by Father, Mother, Brothers and sisters.

HENRY — In loving memory of our dear husband and father Ambrose Henry, who passed away June 28, 1960.
Like falling leaves the years slip by
But precious memories never die.
He lives with us in memory still
Not just today but always will.
Lovingly remembered and sadly missed by wife Lottie, daughter Florence, son-in-law Leonard and grandchildren.

HENRY — In loving memory of our father and grandfather Ambrose Henry, passed away June 28th, 1960.
His memory is as dear today
As in the hour he passed away
Lovingly remembered by daughter, Gladys, Son-in-law, Joe and children.

HENRY — In loving memory of our father, Ambrose Henry, passed away June 28, 1960.
Beautiful memories woven in gold.
This is the picture dear Dad we hold.
Deep in our hearts your memory is kept.
We loved you so dearly to ever forget.
Lovingly remembered by Bertha and Uttley and family.

GARNHUM — In loving memory of my dear husband James Henry Garnhum, who passed away June 27th, 1951.

HENRY — In loving memory of my father, Ambrose Henry who passed away June 28, 1960.

How much I miss him no one knows.

But the loss of my dear dad was the greatest of any.
Sadly missed by Hazel and family.

DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS
Toronto—Market well ahead: extremely light trading.
New York — Market lower; moderate trading.
Montreal — Market higher; moderate trading.

CURRENCY

MONTREAL (CP)—The U.S. dollar closed at a premium of eight per cent in terms of Canadian funds, down 1-16 from Tuesday's close. Pound sterling closed at $3.03 5-16, down ¼.

NEW YORK

NEW YORK (AP)—An irregular stock market ended Wednesday with a burst of buying strength and some substantial gains by the most active issues.

The over-all list, however, was mixed, although most popular averages closed the session with slight gains.

Some technicians said the market "acted well" in handling early offerings without too much of a break in prices, remaining well above Monday's lows which are gradually assuming more significance. They added that the market's early ability to receive some fairly big blocks at only a slight drop in prices indicated a good reserve of buying power.

Early losses began to fade as the day wore on and interest warmed up enough in the final minutes to generate a buying wave accompanied by a late ticker tape.

Volume fell to 3,890,000 shares from 4,050,000 Tuesday.

DOW JONES GAINS

The Dow Jones industrial average, which had sunk as much as 4.05 to 531.71 at noon, ended with a net gain of 1.22 at 536.98.

The Associated Press average of 60 stocks advanced .50 to 291.10.

Among Canadian stocks, International Nickel and Walker Gooderham were each up a point and McIntyre Porcupine ⅞. Aluminium Ltd. and Distillers Seagrams were ahead ¾, Hudson Bay Mining finished ¾ ahead and Canadian Pacific ¼. Dome Mines and Granby Mining were off ¼ each.

Prices were irregular on the American Stock Exchange where volume fell to 920,000 shares. Shawinigan was up ¾. Brazilian Traction and Canadian Marconi were off ¾. Jupiter Corp. fell ¼.
