Kidney Cells Destroyed

BY REPEATED ATTACKS OF DISEASE SURPRISING RESULTS OBTAINED BY USE OF

Dr. CHASE'S KIDNEY-LIVER PILLS.

Because it is sometimes a slow and lingering malady, people are prone to overlook the destructive tendencies of kidney disease.

They forget that the wasting process brings about a change in the cellular tissue, which practically renders the kidneys useless as filtering organs.

Continued paleness and loss of flesh, pains in the back and loins, dry, harsh skin, severe headaches and backaches; scanty, highly colored urine; painful, scalding urination; stomach troubles and irregular bowels are among the symptoms of kidney disease.

As a cause of downright suffering few diseases are to be compared with kidney disease, and the results are frequently fatal, the end coming suddenly and unexpectedly.

By their direct and wonderfully prompt action on the kidneys, Dr. Chase's Kidney-Liver Pills, call a quick halt to the advance of kidney disease.

By their combined action on kidneys, liver and bowels, they prove effective in complicated cases, in which ordinary kidney medicines bring little or no relief.

Miss Kate Doyle, Lot 1, postoffice, P. E. I. states: "About three years ago my father was seized with a severe form of kidney disease, which caused him much suffering, as well as anxiety lest the ailment should become chronic or prove fatal. We immediately obtained Dr. Chase's Kidney-Liver Pills and he began to improve at once under this treatment, the symptoms gradually disappearing, until he became quite well again. Since then we always keep these pills in the house for use in the case of sickness of this kind.

"For some time I suffered from pains in the small of the back and accompanying ills, and though I was treated by a doctor at considerable expense I could obtain no lasting benefit until I used Dr. Chase's Kidney-Liver Pills which seemed to be exactly suited to my ailment. Father and I are greatly pleased with the excellent medicine and wish to recommend it to others."

Dr. Chase's Kidney-Liver Pills have thoroughly proven their genuine and indisputable merit, and you can use them knowing of a certainty that you will receive all the benefit that would be derived from the attention of the most skillful physician. One pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.

Having shared during 1904 your liberal patronage we take this opportunity of thanking you and to assure you that during 1905 you will receive the same liberal treatment at our store.

CATARRH OF THE STOMACH.

A Pleasant, Simple, but Safe and Effectual Cure for It.

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headaches, fickle appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harianson the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aseptic Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. R. S. Workman, Chicago, Ills., writes: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward in to the throat reaches the stomach, this producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of stomach without cure, but to day I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I can not find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, sour stomach, heart burn and bloating after meals.

"I'm a self made man," remarked the loud voiced individual. The other looked at him closely. "I cannot accept your apology," he said.

EARACHE CURED.

Miss J. J. Johnson, Innisfail, Alta., says: "I was troubled with Earache for a long time, and nothing helped me until I used Hagyard's Yellow Oil which cured me completely."

DOES CHILDREN GOOD.

Mrs. Joseph Langtry, Brockville, Ont.—"I have used Dr. Low's Worm Syrup in my family, and it has always been effective and has done the children good. I can highly recommend it.

Doctor—"I think I'll have to call in some other physician, for consultation."

Patient—"Go ahead. Get as many accomplices as you wish."

Stupefying headaches are cured, the head cleared, and the brain brightened by Milburn's Sterling Headache Powders. They do not weaken the heart. Price 10c and 25c.

"There are a great many risks in politics, are there not?"

"Yes," answered Senator Sorghum. The science of the game is to let the other fellow take them.
