ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journal

DYSPEPSIA HURTS.

My goodness, how dyspepsia hurts and pains! And it isn't the pain that is to be dreaded but the loss of time and wages There is to-day many a person who lays off one or two days a week all because of indigestion and dyspepsia, and in consequence loses many a dollar in wages. What a pity these people don't try Hutch and cure themselves. Why don't they take one little tablet after each meal and get back to their work? Maybe they will try Hutch some of these days, and they will find out for sure that there is one medicine in the world which can be depended on to cure sour stomach, indigestion, headache, heartburn.

It's a doctor for ten cents. One gives relief. For sale by all druggists.
