A SUGGESTION OF RARE VALUE.

A diseased condition of the surface of the air passage causes bad breath, but more commonly emanates from indigestion or an impure condition of the blood. Thousands of cases prove that Dr. Hamilton's Pills through their specific action on the secretory and eliminative organs, not only cure bad breath, but so thoroughly purify the system that anything suggestive of blood or digestive troubles is impossible. Through Dr. Hamilton's Pills the skin grows rosy and clear, activity of the body and mind increases, and bounding health is established, sold everywhere in 25c. boxes.
