MCMULLEN & LEE, Limited 472-478 Yonge Street, TORONTO

Every Barrel, Just Like Every Other Barrel

One reason why the Pies and Cake, Bread and Rolls always turn out right when you use

BEAVER FLOUR

is because the flour is always the same. It is milled from blended wheat. Ontario fall wheat, strengthened with western spring wheat. Being blended in exact proportions, Beaver Flour is always the same in strength and quality; and always gives the same results, no matter what or when you bake.

It will be a change for the better when you change from western wheat flour to Beaver Flour, milled from blended wheat.

The ENTERPRISE Warm Air Blazer Furnace

Makes Your Coal Last Longer

Because of its reasonable fuel consumption and the thorough manner in which it burns the coal, the Enterprise Blazer is most economical to operate.

It warms the whole house, not in uncertain spells of extreme or moderate heat, but by maintaining a comfortable uniform temperature all the time.

MAKES YOUR COAL LAST LONGER

THURSDAY
THE BRANT.—The C. G. S. Brant is receiving repairs at Charlottetown. The work of doing some electric welding to the boiler was started Monday. The crew of the Brant have been transferred for the time being to the Orestia, which has gone to Malagaish, N.S., to bring the Oak Island gas buoy here for repairs.

SUCCESSFUL ISLAND STUDENT.—In the list of results of successful students at the University of Toronto just published appears the name of Miss Annie C. Irving, Cape Traverse, who passed with honors in the Third Years Examinations in the Household Science Specialist Course. Miss Irving who is daughter of Mr. and Mrs. W. H. P. Irving, Cape Traverse, has a brilliant record as a student at the University of Toronto of which her parents and friends may well be proud. She attended Prince of Wales College, Charlottetown, a few years ago and has many friends here.

WAR HERO SPEAKS.—York Hall on Friday evening was filled with an appreciative audience to hear Corporal Peter Hughes give a vivid description of the battle fields of France, where he spent two years before being wounded. When the war broke out, Mr. Hughes was one of the first to go to the defence of his country. He gave a vivid description of trench work, bomb throwing, bayonet charges, and the soldiers life and work in general in the field of battle. He paid a high tribute to the work which the women through the Red Cross, are doing for the soldiers. Mrs. R. W. Vessey, President of Alpha Institute, under whose auspices the meeting was held, occupied the chair. At the close of the lecture a hearty vote of thanks was given by Miss Eliza Vessey and supported by Messrs B. R. Brown and P. Brodie. A snug sum of money was realized for Red Cross work. The meeting closed with the National Anthem.

FARMINGTON NOTES.—The farmers of Farmington are busy settling in their crops. We are glad to see Mr. James Whitty around after his recent illness. Mr. and Mrs. Patrick Kelly were in Souris last week on a business trip. We are glad to see Miss Irene Whitty, daughter of Mr. Michael Whitty, J.P., around again after her recent illness. Private Carl Wood has gone to Charlottetown to finish out his discharge. He is under age and was honorably discharged by the authorities in England. He is at present in Charlottetown with the rest of his brave young comrades under quarantine. His friends are glad to see the gallant young hero, Clifford Dwan in our midst again. He has surely done his share to keep the old flag flying. Mr. Stephen McDonald intends doing a pushing business in his sawmill this summer. Master Roy Wood, aged ten has ploughed and harrowed a lot of land. Who can beat this?

TANGIBLE GRATITUDE OF V.A. D.S.—After completing their examination in First Aid week on Tuesday night, the young lady members of the V. A. D. class waited upon Dr. Dewar and presented him with a beautiful and costly set of military brushes silver backed and engraved with the Doctor's initials. Dr. Dewar had given the class seven lectures, covering the entire course in First Aid. Both written and oral examinations, the whole class passed with excellent marks. In appreciation of the excellent assistance given them by the Doctor they made the above presentation. Dr. Dewar, to whom the course of lectures was a labor of love and for which he had not expected any return except efficiency on the part of his pupils, thanked the ladies for their thoughtfulness and wished them every success in this branch of the nursing profession. He assured them that at any time he would be pleased to render them any assistance.

ENCOUNTERED NO LOG.—Chief Rapanan of the Fire Department says that this paper was wrongly informed in its item some days ago referring to the trip of the chemical engine to New Haven, where it stated that a log was encountered on the road, evidently placed there by some malicious person. In explanation of the item in the Guardian it was not the chemical engine that met the obstruction referred to, but the car in which His Worship the Mayor and others were driving. This car had gone on ahead of the chemical and not knowing the location of the fire, had gone about a quarter of a mile beyond it. On discovering their mistake they returned and when near the scene of the fire encountered the log referred to which was placed there by persons who were under the impression that the car was "joyriding" out on a forbidden day, on discovering their error they removed the log and explained the situation.

STRONG ENOUGH TO DO HOMESTEAD DUTY

Sidney Bent Gives the Credit to Dodd's Kidney Pills

Six Years Ago He Had Kidney Disease So Bad His Friends Said He Would Not Live Long.

Lydhard, Sask., May 24.—Strong and healthy, and able to do the heavy work of homestead duty, Mr. Sidney Bent, a well-known settler here, is telling his friends of the great benefits he received from using Dodd's Kidney Pills.

"Six years ago I suffered a lot from my back and kidneys," Mr. Bent says, "I tried a lot of medicine and drugs, but kept getting worse, till some of my friends said I would not live long. Four years ago I decided to try Dodd's Kidney Pills. After taking the first box I felt so much better I decided to continue the treatment. The result is I have been able to do homestead duty for the last three winters."

"I would advise anyone suffering from kidney trouble to take Dodd's Kidney Pills."

Dodd's Kidney Pills have made their reputation by curing kidney diseases and the ills that spring from diseased kidneys. They are no cure-all. But if you are suffering from rheumatism, lumbago, sore back, diabetes or some other form of kidney trouble, ask your neighbors what Dodd's Kidney Pills have done for them.

HOME FOR BURIAL.—The remains of the late Mrs. Margaret Stewart, who passed away at Whelohs, N.S., were brought home by late train Tuesday night accompanied by her son, Mr. Bruce Stewart. The funeral took place Wednesday at Harrington Cemetery.

BACK FROM TRIP.—Mr. A. J. Jardine, of the P. E. I. Ry, has returned from a holiday trip to the Pacific coast. Mrs. Jardine, who accompanied him, remained in Edmonton, where her son resides. Mr. Jardine reports having had the trip of his life, and was very favorably impressed with the west.

ACKNOWLEDGMENT.—The Secretary of the P. E. I. A. A. is receiving many letters from the boys in France acknowledging parcels sent at Easter. One of the boys writes: "I received the parcel in the front line, and even though Fritz was shelling us pretty hard he didn't keep me from eating those nice chocolates."

FISHERMEN SHOULD BE CAREFUL.—The following item from the Halifax Herald is also applicable to this Province: "There will be many men who will follow the usual custom of going fishing on May 24th. To all such there comes this year a special appeal. The season has been extremely dry. Already forest fires in Nova Scotia have destroyed vast quantities of valuable timber and much of this destruction has been done in carelessness. Let every man who goes fishing this week see to it that he takes every possible precaution. Cigarettes and cigars should be left at home. A cigarette thrown away but which cannot be spared and may lead to the burning of mills, barns and homes."

CHANGE OF RESIDENCE.—On the evening of April 25th, 1918, a large number of the members of the Mt. Albion Red Cross Society, together with some other friends and neighbors, met at the home of Mr. and Mrs. Ludlow Jenkins. Directly after the assembly had been completed Mr. Benjamin Jenkins was called to the chair and in a brief pointed speech explained the object of the gathering, which was to bid farewell to Mr. Jenkins and family who have sold their farm in Mt. Albion and have purchased another in Marshfield. The chairman then called on Mr. Fred Robertson to read the address, which he did in his usual pleasing manner. Each member of the family was presented with five dollars in gold. The presentation was made to Mrs. Ludlow Jenkins by Mrs. Benjamin Jenkins, to Mr. Ludlow Jenkins by Mr. Boswell Jenkins, to Miss Jessie Jenkins, by Miss Leslie Cosgrove, and to Mr. Harold Jenkins by Mr. Harold Carver. Mr. Jenkins in behalf of his wife and family thanked the donors for their gifts, and the kind expressions made in the address. He was completely taken by surprise, as he humorously remarked: "They did not get a bit of it, even by listening on the telephone." Mr. Jenkins and family are all members of the Hazelbrook Baptist Church, and will be greatly missed, as they took an active part not only in church, but in all matters pertaining to the best interest of the community. The remainder of the evening was spent with music and games, until the time of departure came, when all left wishing Mr. Jenkins and family every blessing and happiness in their new home.

MINSTREL SHOW.—The Minstrel Show, which was held under the auspices of the Busy Bee Society in Poy Hall on Tuesday evening May 14th was a decided success both socially and financially. It being the first entertainment of the kind ever held in town, the audience were found in their applause and the young ladies who devoted their time and talents to such a pleasant entertainment are to be congratulated. From the beginning of the program when the "dusky dames" first made their appearance in a well arranged chorus "Under Southern Skies and The Blue and Gray" until the closing chorus "My Old Kentucky Home" there was not a dull moment. Mr. J. B. Hayes' Interlocutor was all that could be desired and during the evening was heard in splendid voice in that old favorite "Swanee River." Mrs. G. H. M. Carver and Mrs. F. H. Campbell as "Aunt Dinah" and "Aunt Mandy" kept the fun going on the ends and their jokes, deal comments and local bits were all that could be wished to make up a "burnt cork" program. During the performance "Old Black Joe" in the person of Mr. Winston Smith made his appearance, and played the part of that "typical darky" to perfection. Special mention might be made of a four part chorus "Carried through the motions" and "careful dances to the rhythmic swing of the melody. The solo "Mamma's Little Cool Black Rose" was rendered in fine voice by Miss Marjorie McEachern. Miss McEachern is one of the leading soloists in this vicinity and was never more appreciated by her audience. Miss Marion Weatherlie had her fine contralto voice which has charmed Poyon audiences on different occasions, was heard to splendid advantage in that beautiful waltz song "Missouri", with manifold accompaniment by Miss L. Jackman. Miss Weatherlie was also soloist in that old chorus "Dixie" with full chorus by the Minstrels. The sweetness of "A Little Bit O' Honey" could not be compared with the melody that filled the hall, while Miss Edith Smith sang this charming solo. Miss Smith's lyric soprano voice shows careful training, as could be seen by the artistic rendition of her solo. The bell of the evening was a "Monolog" entitled "Topsy's Visit to the Country" by Miss Verna Smith. A reading by little Miss Ayla Fox brought forth a hearty encore and was enjoyed by all. Two vocal duets, one entitled I Don't Want to Play in Your Yard (Parody) by Vivian Gay and Beatrice Judson, and another "Caroline I'm Coming Back to You, by Josie Jackman and Verna Smith deserve special mention. Several other numbers including a quartette of "Black Joe" by four of the young ladies was thoroughly enjoyed. The accompanists of the evening were Miss L. Jackman and Mrs. Austin Judson. The singing of the National Anthem brought this enjoyable entertainment to a close.

is Your Gillette Shave as Clean and Easy as Your Friend's

If your friends are enjoying Gillette shaves that are quicker, cleaner or more comfortable than your's, it's just because you haven't caught—as they have—the simple knack of using it. For the Gillette Safety Razor packs a real, good shave for every man that grows a beard!

Hold each new blade under really hot water to remove the oil film which protects its edges from the slightest trace of rust. Then shave with the ANGLE STROKE. Don't use the Gillette hoe fashion—hold it diagonally, so that the blade slides across the hairs at an angle—the way you have to handle an ordinary razor to make it shave at all.

Held in this way, and used with a swift, easy stroke, the Gillette makes light of the stiffest beard that grows. Try your Gillette this way—give it a chance—and enjoy the way it makes good!

GILLETTE SAFETY RAZOR CO. OF CANADA, LIMITED,

Office and Factory: 65-73 St. Alexander Street, Montreal.

TUBERCULOSIS TEST.—Dr. F. S. McDonald is testing a number of herds of cattle as to their freedom from tuberculosis. It is understood the Federal Government does not pay for this work but will supply the serum for the test. The owners of herds make their own agreement with Dr. McDonald. Some herds are found not to be immune.—S.

MOTORED IN FROM VERNON R.—Mr. Shaw McMillan, of Vernon River, accompanied by Mr. Martin Pratt and his sister, Miss Pratt, motored in from Vernon River to Southport yesterday in Mr. McMillan's Ford. The roads were in excellent condition, and the run of eighteen miles was made in one hour and ten minutes. They returned in the afternoon.

INSTITUTE WORK.—On May 7th the Kingsborough Woman's Institute met in the Hall of that place. In the absence of the President, Miss Laura Stewart occupied the chair, after the usual business, a report was given by the Secy-Treas to the effect that ten (10) pairs of socks had been forwarded to the Island Artillery men from the Institute since the last meeting. Plans were then made for collecting wool for more socks as soon as possible. Meeting closed with God Save the King. Next meeting to be held at the home of Secretary.

AN IDEAL SPOT.—To those who have not yet decided when to spend their holidays, one would say try Souris. Among its attractions that could be mentioned is the lovely beach with its many bathing houses. There are no mosquitos, no horse flies and it is said Souris has no snakes. There are three good hotels, the Cox Hotel, the Oakley House, and the Mitchell. Fresh fish just caught every day, and the beach supplies plenty of clams. Norris Pond nearby provides a semiprivate bathing place. Mr. J. G. Sterna has a garage for autos. There are two ice cream parlours, a livery stable, two trains a day and a semi-weekly boat to Pictou and Magdalen Islands, good trout fishing and some shooting, no whiskey but an alert policeman, telephone and telegraph connection, a resident Judge and Senator, three doctors, one Vet., a dentist, a photographer studio, a Catholic, Presbyterian and Methodist Church, one lawyer and a bank. Souris is within 4 miles of the famous Fortuene River and has the longest breakwater in the Maritime Provinces.—S.

The death occurred in Charlottetown yesterday, after a short illness, of Rev. D. B. McLeod, for many years the faithful and devoted pastor of Zion Church, in this city, but latterly of Upper Stewiacke, N. B. Coming to his province only a few weeks ago, accompanied by his wife, the deceased gentleman on arrival here, was too ill to be taken to his old home in Uige, where it was hoped he would regain his health, and passed away early yesterday morning, mourned by a grief-stricken wife and one daughter, Mrs. A. W. Wauchope, whose husband is Captain of the American forces at Camp Gordon, Georgia, four brothers, one in Uige, and three in the United States, and one sister in Quincey, Mass. The late Mr. McLeod, who was born at Murray Harbor Road 64 years ago, after his pastorate in Zion Church, also had charges in Quincey and Somerville, Mass., and in Orwell in this province, and his death will be sincerely mourned both in this province and in the several fields, where he so lovingly and faithfully carried on his ministry.

HOME ON FURLOUGH.—Pte. A. McLaren, of St. Peters Bay has returned from St. John, N. B., on a short furlough. Pte. McLaren has been training with the New Brunswick Battalion for the last six months. He looks the picture of health and military life evidently agrees with him.

ISLANDERS IN CASUALTIES.—In the latest casualty list published from Ottawa appear the following P. E. Island names: Wounded—A. Cahill, East Billeford, P. McInnis, Earncliffe, H. P. Tassell, Annandale and A. Rowe, Colman, all infantry; Ill—F. McAuliffe, Alberton and B. S. McKay, Albany.

SOURIS BREAKWATER.—Mr. Hyndman, Dominion resident engineer, has been looking over Souris breakwater and is of the opinion that sufficient money will be voted this spring by parliament to put this very important work in good shape. Last fall's storms wrought such havoc with it that the light at the head of the breakwater had to be moved in further to prevent it being carried away.—S.

Premier Arsenault has received the following letter and copy of resolution, which speak for themselves: Ottawa, Ont., May 15th, 1918.

Dear Mr. Arsenault: You will recall that on each 4th August since the beginning of the War, meetings were widely held in Canada to commemorate the Anniversary of the Declaration of War. This was in accordance with a similar movement throughout the Empire. It is proposed to repeat this commemoration on the 4th of August next. I am enclosing a copy of a notice issued by the Central Committee in London containing the text of the resolution adopted in previous years, which it is suggested should be moved at all meetings this year. The object of the project is to emphasize the unity of all the communities of the Empire in their unwavering determination to crown with victory the great cause for which the war was undertaken and is being fought.

It is eminently desirable that the movement should have the support and co-operation of all the Provincial Governments. Therefore, I commend the subject to your earnest attention in the confident hope that such co-operation will be accorded this year as in the past.

Yours faithfully,
ROBERT L. BORDEN.

The Hon. A. E. Arsenault,
Premier of Prince Edward Island,
Charlottetown, P. E. I.

THE CENTRAL COMMITTEE,
For National Patriotic Organization
The Fourth Anniversary of the Declaration of War.

Resolution to be submitted throughout the world: "That, on this the fourth anniversary of the declaration of a righteous war, this meeting of the citizens of _____ records its inflexible determination to continue to a victorious end the struggle in maintenance of those ideals of Liberty and Justice which are the common and sacred cause of the Allies."

MORE RETURNED MEN.—A steamer arrived in Halifax from England on Monday with 771 officers and soldiers who had done service overseas and 101 civilians, women and children. Among the officers on board were Lieut. Philip E. Palmer, who went overseas in charge of troops, and Lieut. Lyman W. Davison, also of Charlottetown. The N. C. O's and men who came included Benison Craig, Elias Jenkins, Alex Martin, W. Ryan, Fred Stillman, and Chesley Woodside of P. E. Island.

Should be on every table!

INSTANT POSTUM

(A Healthful Cereal Drink)

For years the favorite peace-time beverage of tens of thousands. Now even more prominent because it is a saver of ocean tonnage much needed for our armies "Over There."

Made instantly—no boiling. A sugar saver and a truly delicious and satisfying table drink for young and old.
