CATHOLIC WOMEN'S LEAGUE MEETING TIGNISCH SUB-DIVISION The regular monthly meeting of the Tignish C. W. L. sub-division was held on October 1st, at 7:30 in the assembly room of Our Lady of the Angels Convent. The meeting was opened with the League prayer by the President, Mrs. Joseph T. Arsenault. The secretary's and treasurer's reports were adopted as read. Thirty-two members were present. Two new members were welcomed to the Presbytery. The corresponding secretary read a letter received from C.W.L. National Headquarters stating the National Office is now changed from Montreal to Rideau Street in Ottawa. She had sent four letters of sympathy during the past month to bereaved members and all members had been notified to return lottery books. The church convenor sent in her resignation. The members regret losing Mrs. Octave Gaudet as church convenor, for she was most faithful to the duties in helping care for the altar and sanctuary as well as serving the altar. It was decided not to appoint a new convenor until the November meeting. Social Service convenor suggested packing a box for St. Vincent's Orphanage, Charlottetown. Entertainment convenor is planning on having a card-party during the month of October. Nine dollars were handed in, proceeds of two small card parties held in members homes. Two crosses were offered for two of our Tignish boys who had met accidental death in New Brunswick recently. It was decided to pay for two sets of vestments recently purchased by the pastor, Rev. J. A. MacDonald. Meeting closed with prayer.

Sport Echoes From Prince County The Summerside All-Stars are still making time until Woodside and Inverness complete their series of games that will decide the intermediate championship of Nova Scotia. Every effort will be made to have at least one game played in Summerside, but it is thought that this will be difficult to arrange in the Cape Breton team triumphs over the Woodside Combines. Home and home games would then be out of the question, and it is probable a sudden-death game would be arranged at some neutral centre midway between Inverness and Summerside. If Woodside comes out on top, however, a home and home series may be arranged, as Woodside is just outside of Dartmouth.

The local boys haven't played any baseball of late and may be sadly out of practice before their big chance for the Maritime championship comes up. It seems too bad that the provinces couldn't

declare their champions in the month of September. If we were running the show we'd make it an iron-bound rule that winners in each province be declared before September 30th. As it now stands there is no deadline, and one province can keep another waiting until Christmas if it chooses. That's a very loose way of handling these inter-provincial play-offs. The difficulty seems to be that no one is in charge, and all negotiations are carried on between the individual teams concerned.

In these mid-October days when frost is appearing again, if only in the hollows, athletes and sports fans are beginning to talk once more of hockey. The outlook in Summerside for the national pastime is pretty drab, considering the fact that our decrepit old rink is tottering a little more each year, and may not be in fit condition to play host to our hockey players and fans this season. This, of course, would not prevent our All-Stars from playing in the Charlottetown City League, and rumor has it that the Forum management is willing to give us generous treatment in the way of practices, etc. This is fine for our All-Star team, and we think they should take advantage of the opportunity, but it is rather rough on the fans who are probably faced with a hockeyless winter.

Our juveniles and midgets have played a lot of fine hockey during the last few years. A lot of promising young hockey players have
