There is more Catarrh in this section of the country than all other diseases put together and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.

AMONG THE HORSES

An amateur driver who gained distinction during the Cleveland meeting was Miss Helen Murray, the 20 year old daughter of W. P. Murray, a well known Ohio breeder of trotting horses. In an exhibition against time she drove the two year old colt, Cord Axworthy, to a record of 2.18. This is, perhaps, the first time a woman has driven a trotter to a record in the Grand Circuit. Next to Expressive Lou, 2.09¾, Cord Axworthy is the fastest two year old of the season to date. He is by the rising young sire, Guy Axworthy 2.08¾, whose great son Lee Axworthy, trotted a mile in 2.04 and a half in 0.59 in his work at Cleveland a few days ago. Florida Dora a three year old by Guy Axworthy, earned a record of 2.17¾ at Warren, Pa., the other day.

* * *

Devilish Dorothy, Dr. Jenkins' speedy mare, won third money in the 2.15 class at Moncton last week, Danny Steele had the mount.

* * *

The field that Bob Mac defeated at Moncton last week is declared to have been one of the best seen in the provinces for years.

* * *

The races to have been held at Sackville this week have been called off because of a lack of entries.

* * *

Peter the Great has been bred to 127 mares this year and has earned the $50,000 he cost Stoughton Fletcher last winter.

* * *

Frank G. Jones, a wealthy amateur horseman, of Memphis, Tenn., drove the trotters of Ed. Geers' stable at Cleveland after the "grand old man" had been disabled by an accident on the eve of the meeting. With his own horse, St. Frisco, he won a heat in 2.04¼ and forced Mabel Trask out in 2.06¼ and 2.06¼ in the two remaining heats of the 2.03 race for trotters. It was St. Frisco's first race this season and he lowered his record three seconds, putting him among the fastest ten trotting stallions that ever lived Of the ten Mr. Jones has owned three namely Anvil, 2.02¾; Etowah, 2.03; and St. Frisco. In a race at Columbus, three years ago, he drove another of his own trotters, Indie Archdale, to a record of 2.03¼ and he is now the only amateur reinsman credited with two in the 2.05 list. St. Frisco is a five year old son of San Francisco, 2.07¾, and Clara Cantrill, by Clarence S., 2.19½, son of Wilkes Boy, 2.24½. L. V. Harkness bred the horse and sold him for $5.25, at Madison Square Garden, when he was a yearling.

* * *

The brilliant race between Mary Coburn and Harvest Gale in the sweepstakes for two year olds at Cleveland was in the nature of a triumph for two New York breeders the winner having been bred by Peter Duryea, while Harvest Gale was reared and still is owned by David M. Look, a member of the Union Club and owned of the far famed Castleton Stud in Kentucky. Not many two year olds at their first start ever equalled the two heats of Mary Coburn in 2.10¼ and 2.13, and possibly none ever won two such heats at this stage of the season.

* * *

Just o ne day after the death of his noted pacer, Dan Patch, M. W. Savage died in a Minneapolis hospital after a short illness. He was fifty five years old and had owned such famous trotting stallions as Cresceus 2.02¼; Directum, 2.05¼ and Arion 2.07¾, and such pacing stallions as Dan Patch with a windshield mark of 1.55¼; Minor Heir, 1.58½; George Gano, 2.02; Online, 2.04 and Roy Wilkes, 2.06½.

Ballot Box Again Reveals Its Secret

After the count of the votes is completed for the fifth announcement of the standings of the candidates in THE GUARDIAN'S GRAND PRIZE CAMPAIGN some former leaders have been deposed and tailenders have forged their way to the top. New entrants also make creditable showings. Numerous votes received for candidates not regularly entered, or who have not filed their applications, could not be counted and were thrown out of the count.

All ballots and coupons deposited in the ballot box at the Campaign Department up to noon on Friday are recorded here. The next vote showing will be made on Tuesday and will include all votes cast up to noon Monday.
