Bowel Troubles

Liver pills, cathartics, mineral waters, often make Constipation worse. They merely irritate the bowels and force them to move—stop taking purgatives and the bowels become "tight" again.

"Fruit-a-tives" are the one certain cure for Constipation

because their action is upon the liver. "Fruit-a-tives" are a liver tonic. They stimulate the secretions of bile by the liver, this bile causes the bowels to move in the natural, regular way and completely cures Constipation.

"Fruit-a-tives" are fruit juices with tonics and antiseptics added. In "Fruit-a-tives" one atom of bitter replaces one atom of sweet in the fruit juices, forming a new compound which is many times more active, medicinally, than the fruit juices could possibly be. 50c. a box — $2.50 for 6 boxes. At all dealers'.

A FOOD AND A TONIC

What the leading Medical Journal of the world has to say about FERROL.

After making a thorough test of FERROL in its own laboratory the London (England) *Lancet* published an article from which the following is taken:

FERROL

"This is a successful combination of the well-known valuable remedies, Cod Liver Oil, Iron and Phosphorus. The formula is no secret, and our analysis showed the presence and amount of constituents as described. The preparation is a good one and of distinct therapeutic value. The association of an easily assimilable oil, in a fine state of division, with a phosphatic salt of iron which does not disturb the digestive functions and which is easily tolerated, determines its success as a food and tonic in wasting diseases."

What the London *Lancet* recommends as a food and a tonic in all wasting diseases must have very special qualities.

No higher endorsation is possible. The results following the use of FERROL for the past ten years have proved that this endorsation is well deserved.

FERROL is not a patent mystery. The formula is freely published. It is prescribed by the best Physicians. It is endorsed by the most eminent Medical Journals. It is used in prominent Hospitals, Sanitariums, etc.

Why Have a Silent Piano or Organ?

—or any other unplayed instrument in your home, when, by just turning a key, you can have every sort of music, faultlessly played by finished artists? The Boston Symphony Quartet will play Schumann's "Traumerei" with a beauty of expression rarely heard—the greatest of sopranos, Sembrich, will sing for you. You can even hear the famous Westminster Chimes ringing out "Auld Lang Syne" or "Rock of Ages."

Once you hear the smooth, clear, true reproductions of the

Victor or Berliner

Gram-o-phone you will no longer enjoy listening to the stumbling, pounding playing or singing of beginners or mediocre musicians.

With a Victor or Berliner, you can have Caruso sing whenever you like (this wonderful Tenor gets thousands of dollars a night for singing in the Metropolitan Opera House, New York)—or you can have Sousa's Band play—or a Coon-Song gurgled out—or a funny story. Ask for the booklet telling all about the 3000 different records. 608

If you hear the Victor or Berliner, we shan't have to ask you to buy. Prices, $12.50 to $110.00.

Records from 35c. up.

Vapo-Cresolene

Established 1879

Whooping Cough, Croup, Bronchitis Cough, Grip, Asthma, Diphtheria

Cresolene is a boon to Asthmatics

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach?

It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.

IMPOSSIBLE TO STOOP OR BEND

SEVERAL DOCTORS COULD DO NO GOOD.

PAIN IN BACK AND KIDNEYS.

People often say, "How are we to know when the kidneys are out of order?"

The location of the kidneys, close as it is to the small of the back, which is not affected materially by other organs, renders the detection of kidney trouble a simple matter.

The note of warning comes from the back. Backache is the signal sent out by the kidneys the minute they become overtaxed. Those who heed the warning when it first comes, usually have but little trouble. The danger lies in delay. A few doses of

Doan's Kidney Pills

taken in time, often saves years of suffering, and in many cases life itself.

They stimulate the action of the kidneys, enabling them to perform their duty perfectly.

Miss S. G. Fye, Round Second, N.S., writes: "For the past three years I have been troubled with a very bad pain in my back and kidneys. It was so bad it was impossible for me to stoop or bend. I had several doctors attend me, but found no relief until I picked up one of your Egyptian Dream Books, and found out about your remarkable remedy, Doan's Kidney Pills. I procured two boxes and their action surprised me, for they completely cured me. I don't think they have an equal for kidney trouble."

Doan's Kidney Pills are 50 cents per box or 3 boxes for $1.25 at all dealers or mailed direct on receipt of price by The Doan Kidney Pill Co., Toronto, Ont.

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a small community.

Charlottetown has a population of 12,000 and Prince Edward Island has 103,000. The Guardian's daily circulation is therefore as 1 to 1½ of population in the city in which it is published, or 1 to 13 of the population of the Province. This is, the management believes, unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and provinces.

St. John has a population of 40,000 and the Province of New Brunswick 320,000. St. John has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000, or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.

Or again: Toronto has a population of some 250,000 and the Province of Ontario about 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 50,000. That is as 1 to 5 of the population of Toronto and 1 to 44 of the population of Ontario.

The point is this, that The Guardian covers the field of its circulation three and a half times as well, if compared with population of the city, and over three times as well, taking the population of its Province, as the best New Brunswick and Ontario daily newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Guardian readers and advertising patrons alike. They have a right to know how completely their favorite is thus endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province.

SCORED ANOTHER WONDERFUL VICTORY

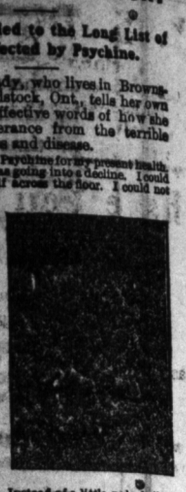
One More Added to the Long List of Cures Effected by Psychine.

This young lady, who lives in Brownsville, near Woodstock, Ont., tells her own story in a few effective words of how she obtained deliverance from the terrible grip of weakness and disease.

I have to thank Psychine for my present health. Two years ago I was going into a decline. I could hardly drag myself across the floor. I could not sweep the carpet.

If I went for a drive I had to lie down when I came back. If I went for a mile or two on my wheel I was too weak to lift it through the gateway, and last time I came in from having a spin I dropped utterly helpless from fatigue. My father would give me no peace until I procured Psychine, knowing it was excellent for declining constitutions. I must say the results are wonderful, and people remarked my improvement. Instead of a little pale, hollow cheeked, listless, melancholy girl, I am to-day full of life, ready for a sleigh-ride, a skating match, or an evening party with anyone, and a few months ago I could not struggle to church, a mile and a half from my home. I have never had the slightest cause to fear any return of the disease.

ELLA MURIEL WOOD,
Brownsville, Ont.



Thousands of women are using PSYCHINE, because they know from experience that in it they have a safe friend and deliverer. Psychine is a wonderful tonic, purifying the blood, driving out disease germs, gives a ravenous appetite, aids digestion and assimilation of food, and is a positive and absolute cure for disease of throat, chest, lungs, stomach and other organs. It quickly builds up the entire system, making sick people well and weak people strong.
