SHE SUFFERED FIVE YEARS

Finally Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Key West, Fla.—"For five years I suffered from irregularities, with terrible pains and an awful weakness in my back. The doctor gave me different medicines but they did me no good. A friend asked me to try Lydia E. Pinkham's Vegetable Compound and I found it to be the best medicine I ever tried because it made me well, and can now do my housework. I am telling my friends about it."—Mrs. J. M. CAMUS, 725 Caroline St., Key West, Florida.

Many women at some period in their life suffer from ailments peculiar to their sex and which in most cases are readily relieved by this famous root and herb medicine, Lydia E. Pinkham's Vegetable Compound, just as Mrs. Camus found it after suffering for years and trying everything else in vain.

If you have any annoying symptoms you fail to understand, write Lydia E. Pinkham Medicine Co., Lynn, Mass. The results of their 40 years experience in advising women on this subject is at your service.

Miller's Worm Powders destroy worms without any inconvenience to the child, and so effectively that they pass from the body unperceived. They are not ejected in their entirety, but are ground up and pass away through the bowels with the excreta. They thoroughly cleanse the stomach and bowels and leave them in a condition not favorable to worms, and there will be no revival of the pests.

Killed In Action

Mr. Henry C. Hooper received a telegram Monday from Ottawa bringing the sad news that his son, Corporal Thomas W. Hooper, familiarly known as "Bert," of the Mounted Service, was officially reported "Killed in Action," March 23rd.

Corporal Hooper, who was only 29 years of age, left Charlottetown in 1912 for Western Canada, and was in Waverley, Sask., at the outbreak of the war. He promptly enlisted in the Border Horse and crossed to England with the First Contingent. There he was transferred to the Strathcona Horse and went to France with that unit. He spent three years in active service, taking part in practically all the battles in which the Canadians were engaged. He escaped unscathed until two days after the commencement of the recent big drive when he was struck down.

Before leaving Charlottetown he was employed with Bruce Stewart & Co. for seven years. He was a skillful mechanic and very popular with all his associates and there will be widespread sorrow when it is learned that this brave young soldier is no more.

There are left to mourn, his father and mother, four brothers and one sister. The brothers are George, Brent, Harry and Fred, and the sister is Mrs. Frank Hobbs, all of Charlottetown.

The Hooper family have certainly done their share in fighting for the great cause. Thomas W. made the supreme sacrifice, and his brother, Fred, now at home, lost his eye while serving in No. 2 Siege Battery in France.

MRS. ANGUS McDONALD

It is with feelings of deep regret that the death is chronicled today of the age of 78 years of Mary, beloved widow of the late Angus McDonald, which sad event occurred at the home of her son-in-law Charles McCormack, Souris River, on March 4th.

Deceased was in her usual good health to within a few days of her demise when she was attacked by heart failure from which she never recovered notwithstanding the efforts of her efficient doctor and the loving care of friends.

She died as she lived a very devout member of the Catholic Church, being strengthened in her holy religion by her devout pastor Rev. John A. McDonald.

Her funeral to St. Mary's Church was very largely attended showing the great esteem in which she was held by all who knew her.

The last sad rites at the grave were performed by Rev. John A. McDonald after which all that was mortal was laid to rest to await the final judgment.

She leaves to mourn their loss two sons and two daughters, Joseph and Daniel on the homestead, Mrs. Charles McCormack of Souris River, and Mrs. Bella McCormack, Boston; also two sisters and one brother besides a large circle of friends. May her soul rest in peace. (Island papers please copy.)
