THE GREATEST SEA PICTURE OF ALL TIMES

PRINCE EDWARD: TODAY --- TUES. --- WED.

SEE THIS TIMELY AND MIGHTY DRAMA OF THE SEA—a tramp steamer loaded with T. N. T. bound for the war zone battling through storms . . . mine and submarine infested waters . . . attack by enemy planes. Hard-living, hard-loving, hard-fighting men—seizing hungrily at waterfront joys—struggling desperately against the perils of sea and sky.

TO-DAY :: CAPITOL :: TUES. — WED.

"THE LONG VOYAGE HOME" IS SUPERB SEA THRILLER

Against the highly-dramatic and emotionally stirring story of men who dare the perils of sea and sky, Walter Wanger's new screen presentation, "The Long Voyage Home," opens at the Prince Edward Theatre today for a three day engagement. Based on the famous sea plays of Eugene O'Neill, America's greatest playwright, it is John Ford's first Argosy production and was filmed from a brilliant screen play by Dudley Nichols.

The hand-picked cast, of this thrilling and suspenseful film is headed by such distinguished performers as John Wayne, Thomas Mitchell and Ian Hunter and includes: Barry Fitzgerald, Wilfred Lawson, John Qualen, Carmen Morales, Arthur Shields, J. M. Kerrigan and Mildred Natwick.

Four of O'Neill's immortal one-act nautical plays, "The Moon Of The Caribbees," "Bound East For Cardiff," "In The Zone" and "The Long Voyage Home," were combined to form one tightly-knit, terrifically fast-paced story of the experiences of the crew of an ammunition laden tramp steamer, the S. S. Glencairn, in the war zone.

As timely as the headlines in tomorrow's newspapers, the film brings you the tale of the heroic sailors who without uniforms, protection or the possibility of receiving medals, carry out one of the most dangerous tasks in modern war; that of supplying ever-necessary explosives to their country, while they challenge the roaring gales of the high seas.

Woven into the tumultuous drama are a number of gripping individual stories—the drunken renegade army officer who dies heroically while defying a flight of enemy airplanes that machine gun the Glencairn, the romance between a young Swedish sailor and a beautiful bum-boat girl, and the efforts of a Limehouse crimp to shanghai members of the crew when they dock in London's Limehouse.

"The Long Voyage Home" will go into history alongside such other hits as "Stagecoach" and "The Grapes of Wrath," as a credit to its director, John Ford. Dudley Nichol's screenplay, combined with the superlative photographic work of Gregg Toland and James Basevi's outstanding special effects in the action-packed raging storm sequences make "The Long Voyage Home" an outstanding picture of this or any other year.

FLIP FUN AND AERIAL THRILLS PROMISED IN "CHARTER PILOT"

With Lloyd Nolan and lovely Lynn Bari, those ever-scrapping screen sweethearts on hand to battage in the skies, "Charter Pilot" promises fast and funny entertainment for patrons of the Capitol Theatre playing there Monday, Tuesday and Wednesday. Nolan is starred in the new 20th Century-Fox film while Lynn heads a fine featured cast including Arleen Whelan and George Montgomery.

"Character Pilot" has Nolan as a wise-cracking flying ace and Lynn as his radio-queen girl friend who dramatizes his adventures on the air. Sparked with snappy dialogue and crammed with spine-tingling action revolving around the exploits of the daredevil aviator, "Charter Pilot" was marked by preview audiences as one of the standout romance-thrillers of the season.

Highlighting the action film is the spectacular and suspensive climax set in Honduras. Nolan and Lynn quit their scrapping when they discover that a saboteur has put poison gas in the oxygen tanks of a plane already in flight.

And with Nolan winging to the rescue in another plane and Lynn broadcasting the drama to 20,000,- listeners, "Charter Pilot" speeds into a pulsating finish.

Film fans need no introduction to Lynn Bari, beautiful Boston lass. Lynn's newest role calls for a deft combination of comedy, drama and quick repartee.

Executive Producer Sol M. Wurtzel assigned Paul Mantz, Hollywood's most famous stunt pilot, to provide aerial thrills for "Charter Pilot."

TRINITY UNITED CHURCH

At the morning service Rev. Hugh Miller taking as his theme "The God Who Speaks" told of Isaiah seeing the vision of the seraphim having three pairs of wings, one covering his face, reverence, one his feet, humility, and one, with which he flew on God's bidding. But besides this vision also heard the voice of God speaking to him. So does God speak to us and as Isaiah answered "Here am I, send me," thus should we answer.

In his evening sermon, Mr. Miller taking as his text "What manner of man is this?", told that as the disciples and the early Christian church felt within them a wonder at the beauty of life and acts of Jesus so we too must feel within us a wonder and be caught up by the ideals set forth in His teaching. If we lose that wonder our religion becomes a lifeless thing.

The music at both services was under the direction of Prof. A. R. Kendall. The Girl Guide Companies of Trinity United Church formed the choir for the morning service in keeping with Mother's Day while in the evening the regular choir rendered "Comes at Times A Stillness"—Woodward.

WEATHER COOLER — The weather turned cooler Saturday and Sunday after heavy rain. The wet would interfere with tillage operations early this week, it was expected, but was welcomed by most agriculturists as the soil as drying rapidly. Farmers predict need for frequent rains this spring. Lack of frost in the ground made the soil firm up early. Although there was little run-off from melting snows compared with some years the water worked to lower levels quickly and surface soils were already becoming dry, except in sections with heavy clay soil. A brief thunderstorm visited some sections of the province early yesterday. It lasted only a short time. There was no report of damage.

Music lovers Treated to Unique concert

Last evening at Trinity United Church after the close of the regular diet of worship, Charlottetown music lovers were treated to a unique concert of sacred music. Mr. Ivan Gillis, A.R.C.O. though blind, in a program of popular classics for the organ displayed excellent pedal and manual technique throughout, his interpretations being highly poetic. The offering taken was dedicated to the aid of the Queen's Canadian Fund for Air Raid Victims.

Such numbers as Guilmant's "March on a theme of Handel"—Caprice in B flat—Boellman's "Suite Gothique"—Handel's "Largo"—Bach's "Aria from Suite in D",—are ever fresh and continue to make their appeal to lovers of music when played as they were last evening by this gifted musician. The "Fourth Sonata" of Mendelssohn, Mr. Gillis' own composition "Pastorale in A," together with a delightful solo by Miss Margaret Sterns and a fine chorus by the choir, completed a well-planned and most enjoyable program.

Mr. A. Roy Kendall, L.R.A.M., organist of the church, played the accompaniments to the vocal numbers.

Special services At Notre Dame Academy Saturday

Saturday, May 10th was observed by the members of the Notre Dame Alumnae Association as Mary's Day—a day on which special tribute is paid to Mary, mother of mankind, at a time when earthly mothers are being singularly honored. It also marked the tenth anniversary of the practice in Canada of this devotion which was adopted as the first national endeavour of the Canadian Federation of Convent Alumnae. The earnest request of His Holiness, Pope Pius XII for special prayers during the month for the great gift of a just peace, seemed to add to the order and zeal with which the rules for the observance of this day were carried out.

Mass at which members received Holy Communion in a body, was celebrated in the Academy Chapel by Rev. Dr. McMahon.

A meeting at which Miss Anna J MacInnis, President of Notre Dame Alumnae Association, presided, followed the dainty breakfast served in the Convent after Mass. A pleasing feature was the presentation of a cheque to our Directress, Reverend Mother St. John of Meda, Superior of the Academy, and also a cheque to Miss Iphegenie Arsenault for the Red Cross. After routine business had been transacted and plans discussed for future activities, the meeting adjourned.

In the afternoon, Benediction of the Blessed Sacrament was given by Reverend Dr. McMahon, who also addressed the members exhorting them to be loyal to their convent and extending words of congratulations for work accomplished and encouragement for future endeavours.

THE BAPTIST CHURCH

At the morning service, Mother's Day was recognized in the sermon by the Rev. I. Judson Levy, B. A., who took as his theme "A Mother at the Cross." In the gospel of Saint John 19: 25, we read 'Now there stood by the cross of Jesus, his mother." In the sad and sombre picture of Calvary there was a glow of the sunshine of love as there stood by the cross his mother. Love, faithful and eternal stood forth against hate, bitterness and revenge, in that hour there was no other place where the mother of our Lord could be. Two loves met at Calvary, the infinite, divine love of God in action, the gracious love of a mother for her son, shading into each other with the line of demarcation dim and indistinct. There was present the principle of self sacrifice, the bringing of life through death. There was the principle of self denial, the hour when the call of other's need sounds high and clear above the call of self. In both are the expression of the highest worth of man that we may know. God regards the worth of man with all his faults as worthy of the gift of his son. Motherhood at its best and highest gives our most vivid human expression of love of Almighty God. Be worthy, O mothers, of that high destiny, that high calling which is yours! God pity the world if anything in the heart of Mother takes the place of prayer and the word of God. This day we honour mothers, as we honour mother's ideals and mother's God. The Junior choir of about thirty girls and boys led in the music, and sang Depaw's "O Blessed Day of Motherhood" and Sykes' "Thine Forever, God of Love". Mr. Levy's thoughtfully eloquent evening sermon was "The Power behind the Right." Mr. Russell Jones sang Dudley Buck's "Fear Not Ye O Israel." The flowers at the pulpit were given by Mrs. Everett Saunders in memory of her mother, Mrs. Fred Newson. The flowers on the Communion table were given by Mr. and Mrs. Athol Burns in loving memory of their son Lemuel. John Inch, Mus. Bac., Organist and Choirmaster directed the music of the day.

QUEEN'S CANADIAN FUND DONATIONS FOR AIR RAID VICTIMS

Repeated bombing raids on British port areas and the industrial midlands has attracted fresh attention to the frightful suffering of the many thousands of civilians in Great Britain who are harried from shelter to shelter and finally driven into the open country by successive raids. Eventually places are found for them all, places of relative security, but their belongings of all kinds are destroyed. The task of emergency feeding alone is difficult. The task of setting them up once more with some quantity of clothing and bedding is much more difficult.

To meet these enormous needs, funds have been started in various parts of the world. Her Majesty Queen Elizabeth has permitted the use of her name in connection with the Dominion campaign, which is officially known as "The Queen's Canadian Fund for Air Raid Victims."

Every dollar contributed to the Queen's Canadian Fund goes without deduction to the Lord Mayor of London for distribution to the homeless and needy.
