A GRAND SHOWING

Andrew F. Gault, a prominent merchant and manufacturer of Montreal insured his life in the Mutual Life Assurance Company of New York. He was required to pay the sum of $16.90 [illegible] 00 each year.

Recently Mr. Gault died and the Company paid his heirs, not only the original insurance of $1,000.00, but [illegible] 424.00 in addition, making in all $2,424.00. Mr. Gault paid fifty two annual premiums, amounting to $878.80; the Company returned in dividends $545.20 more than it received in premiums from the insured.

Mr. Gault was insured under another policy in the same Company for a like amount, taken out a few years later, on which he paid forty-nine annual premiums of $18.28, amounting to $895.72. Dividend additions to this policy were $1.238 00 or $342.28 in excess of total premiums paid.

This College re-opened Tuesday morning August 16th.

During the vacation, the rooms have been handsomely fitted and about 1200 feet of floor space have been added to the Shorthand and Typewriting departments to accommodate the increasing patronage.

IN ALL DEPARTMENTS, the latest and best methods will be taught by a staff of COMPETENT teachers, specialists in their departments. Nine teachers will form the staff during the coming term.

Our Business Training course, always taking rank among the best will be more interesting and inviting than ever before because of the many new features being introduced.

Our Shorthand and Typewriting departments have been enlarged and Mr. Trainor, the principal, will have all the assistance he requires to bring them up to that high state of perfection to which he aspires. His unparalleled success last year was a revelation to many, and we cannot help it if some would be competitors are angry and "throw mud." Every one to his calling. Mr. Trainor will continue to educate the young men and women in the art of Shorthand and Typewriting and will always be found attending to his business.

SEVENTEEN graduates last year from the Phonographic Institute of Cincinnati. While it is a record unapproached by ANY OTHER teacher last year, yet Mr. Trainor with his efficient assistants, hopes to double the number this term.

There are some so called business colleges that claim everything on paper. But when it comes to thorough, high grade work, lowest expense with absolutely no risk on the part of the student, College environments and opportunities, the Charlottetown Business College stands out in bold relief.

Two things should be remembered by intending students:—Our high grade work and unheard of low tuition rates. Students may enter at any time

"Eat Plenty of Fruit."

That's what the Doctors say when one is constipated. Because fruit acts on the liver, causing it to excrete bile which aids digestion and increases the peristaltic action of the bowels, thus prevents constipation. But eating fresh fruit alone, won't CURE. The laxative principle is too weak and in too small quantity.

Fruit-a-tives

or Fruit Liver Tablets

are the tonic and laxative virtues of apples, oranges, figs and prunes, many times intensified—by our secret process of combining the juices—and made into tablets.

"Fruit-a-tives" act gently and naturally—tone up the liver—greatly increase the flow of bile—effectively cure Indigestion, Biliousness, Headache and Constipation—build up and strengthen the whole system.

At all druggists. 50c. a box.
