New Orleans, La.—"I cannot praise Lydia E. Pinkham's Vegetable Compound enough, for I know my daughter never would have been so well if she had not taken it. For more than a year she had suffered agonies from irregularity, backache, dizziness, and no appetite, but is now well. I recommend Lydia E. Pinkham's Vegetable Compound to all mothers and daughters and you can publish this letter."—Mrs. A. ESTRADA, 129 N. Galvez Street, New Orleans, La.

Philadelphia, Pa.—"My daughter was feeling tired and all run down with no apparent cause. She had taken Lydia E. Pinkham's Vegetable Compound before and knew its value so she again purchased it and she was able to keep to work, her eyes became bright and natural, and her system was built up completely. We generally keep the Vegetable Compound in the house for it is to be relied on."—Mrs. E. J. PURDY, 5131 Race Street, Philadelphia, Pa.

THE GLADYS CLARK COMPANY IN "LAW OF THE LAND"

The stage is all set and everything ready for the engagement of the Gladys Klark Company for the opening play of the week "Law of the Land."

This Company comes to Charlottetown after a successful tour of the New England States, with a repertoire of the most successful plays of the year. Including "Common Clay" "A Pair of Sixes", (one of the season's most laughable comedies) "Little Peggy O'Moore," a delightful Irish play, "The Woman He Married." "Inside the Lines", a play dealing with the present Great War. It ran for two years in London and one year in New York. "The Rosary," a play too well known to need any comment and, "Believe Me, Xantippe" another splendid Comedy.

The Gladys Klark Company carries a carload of scenery and egects; also four Vaudeville Acts. There are lots of good seats left, but they are going fast, secure your seats now, do not wait until the last minute. This may be the only company that will visit the City this season. Seats on sale at the Theatre. 222.

She Went Days Without Food

When Hospital Treatment Failed an Operation Was Advised But Cure Was Effected Without the Use of the Knife.

Glace Bay, N. S., Sept. 24.— Here is a case which sorely puzzled the hospital doctors. It was evident that the great suffering from pain under the left shoulder-blade was due to torpidity of the liver but no medical treatment seemed to do any good.

In fact medicines failed, and the doctors said an operation was the only hope. But Mrs. Watkins hesitated before the enormous risk of an operation and decided to try Dr. Chase's Kidney-Liver Pills first.

The result was that she was perfectly cured three years ago, and feels now that she can report the cure as thorough and lasting. This is not an isolated case, but proves that this great medicine cures when ordinary prescriptions fail.

Mrs. Annie Watkins, Glace Bay, New Harbor, N.S., writes: "I think it is time for me to give my experience with your wonderful Kidney-Liver Pills. For seven months I suffered with what the doctor called indigestion; but whatever it was I suffered terribly. The pain would start under my left shoulder and pass down my side until it reached the pit of my stomach. It just seemed as if the flesh were being torn from the bone. At times I used to go without food from one morning until the next. I had no energy left for work at all. At last our doctor sent me to the hopital for a month. For four days and four nights I never broke my fast except for a drink of water. After four days when the pain came back worse than ever. Then I was told I would have to undergo an operation, but I would not consent to that. At last I read about Dr. Chase's Kidney-Liver Pills and started to take them. At first I did not notice much difference, but still I kept on using them, and by the time four boxes were used I was perfectly well again. That was in 1914, so you see I can safely say that I was cured. I shall always be grateful to Dr. Chase's Kidney-Liver Pills, as they did more for me than four doctors."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers or Edmanson, Bates & Co., Limited, Toronto. Refuse substitutes, for they only disappoint.
