Pre-Christmas Music At St. James' Yesterday

The attendance at St. James Church yesterday morning and evening was exceptionally large, special pre-Christmas services being held. In the forenoon the anthem composed by Professor W. E. Fletcher and dedicated to the memory of Mr. F. T. Watkis—"Dear Lord and Father of Mankind"—was admirably rendered by a full choir, Mrs. Lawson, who was in excellent voice, taking the soprano solos and in conjunction with Miss Jacqueline Macdonald (contralto) rendered the duet. The congregation was favored with a solo—"The Voice in the Wilderness' (Scott) by Mr. Robert Messervy, London, England, who is visiting his parents Mr. and Mrs. John A. Messervy. Rarely or never has a congregation in this province heard a more masterly rendering of a sacred solo; it was a sermon in itself.

The Minister, Rev. W. Bruce Muir, preached an eloquent and appropriate sermon from the text, "He took upon Him the form of a servant," making special reference to the great service which the late Mr. Watkis had rendered to the choir and the community as a musician.

He also expressed the appreciation of St. James to Professor Fletcher in dedicating this beautiful anthem to the memory of their former organist.

In the evening there was again a large congregation when Mr. Messervy rendered two solos—"O Little Town of Bethlehem", and "Crossing the Bar." The congregation was greatly impressed by the fervent and devotional rendition of both these hymns.

The Rev. Mr. Muir preached an inspiring sermon on the text "Serving under the Flag of Love," making special reference to the Love which was universally evinced by Christians at the Christmas season. He also expressed the congregation's appreciation of Mr. Messervy's musical contributions, saying that Mr. Messervy felt doubly interested in singing there, because of that particular occasion and the fact that he received the first encouragement to develop his voice from Professor Watkis. It should be mentioned that Mr. Messervy specially complemented Mr. Methven, the organist, on his able and sympathetic accompaniments, and also on the efficient and masterly manner in which he had handled the choir.

Excited Buying On New York Exchange

(Special to the Guardian)

NEW YORK, N. Y., Dec. 17.—The stock shot up again today on a burst of excited buying based on various favorable factors and a pre-Christmas spirit of confidence which carried the total sale for the day to well above 3,000,000 shares. United States Steel and General Motors again assumed the leadership with advances ranging more than $3 in both and tremendous volume of trade in which blocks of 10,000 to 12,000 shares changed hands several times. It was estimated that trading in these two stocks comprised 25 P. C. of the day's business.

Other industrials, such as Greenes Canane, International Harvester, Case Threshing Machine and Commercial Solvents and some of the Insurance stocks, such as Rosia shared in the upswing. Odd-lot buying was an important factor. New York Central led the shares as a result of largely increased dividends declared on Wednesday by its subsidiaries. Canadian Pacific was swept up more than $3 a share to $218.

FIRE ALARM — About 5 p. m. Sunday afternoon, a passerby noticed some sparks issuing from one of the chimneys of the Queen Hotel which was evdiently a fire. The firemen were quickly on the scene, and sprinkled the roof with water to prevent danger of it being ignited by sparks from the chimney. No damage was done.

ZION PRESBYTERIAN CHURCH—The Rev. Fred Williamson of Kensington, preached in Zion on Sunday morning, delivering a powerful sermon. In the evening, the Rev. Thos. Rogers of Toronto was the speaker, taking as his subject, the Second Coming of Christ and the Resurrection. The choir sang the anthem "Praise ye the Father", by Gounod, in fine and vigorous style, also the anthem "Solldiers of Christ Arise," by Miller. Mrs. Dalziel of Montague, sang the solo "How Lovely are Thy Dwellings," by Liddle. This was rendered in splendid voice and with great expression, which delighted the large congregation present.

MILL ENTERED — Mr. John D. McLeod's Mills on Midgell River were entered sometime Monday evening the 12th and Thursday morning the 15th, and goods to the value of $200 are alleged to have been removed. The following articles are missing: One set of heavy matcher heads, one light set of matcher heads, also all the planer knives. As Mr. McLeod's Mill was set on fire on Nov. 20th, writes a correspondent, and now this coming when he had just rejaired the damage done at that time, makes matters look serious, and also looks as if both were caused by the same party or parties. Mr. McLeod's many friends hope that the guilty ones may soon be brought to justice.

WEDDING BELLS — A very pretty wedding took place at the Baptist Parsonage, Charlottetown, P.E.I., Dec. 14, by Rev. Ross Eaton, when Miss Hilda Myrtle Foy, daughter of Mr. and Mrs. Alfred Foy, Tryon, P. E. I., became the happy bride of Mr. Harry James Ross, son of Mr. and Mrs. William Ross, Albany, P. E. I. The bride looked charming in a suit of navy blue. The groom looked his best in a navy blue suit. Miss Alba Foy, sister of the bride, acted as bridesmaid. She was dressed in black velvet. Mr. Gordon Ross of Carleton, cousin of the groom, acted as groomsman. He was dressed in a navy blue suit. The happy couple returned to the bride's home where a sumptuous wedding supper was served by Mrs. Alfred Foy. Later in the evening a great number of serenades arrived to render unto the bride and groom wishes for future happiness. The bride who was tendered a shower by her many friends in Tryon and vicinity is a lady of excellent character. The groom is a highly respective and prosperous young farmer. May their path way be strewn with roses.

POLICE COURT — At the police court on Saturday morning the following cases were disposed of:—One breach of the inland revenue act, adjourned to the twenty-fourth; one case of operating a motor car while intoxicated, sentenced to thirty days in jail; two infractions of the Prohibition Act, each awarded $200.00 or three months; one case of selling milk under test, awarded $5.00 or ten days. Judgment was handed down in the assault case of Mary Bell vs. Ellen MacCloskey. The plaintiff in this case had had her person searched by the defendant, while assisting the police officers, though she herself at the time was not sworn in, and had no search warrant. The prosecution submitted that a search of the person could not lawfully be made in a private house without a warrant, and that the defendant in this action was not provided with a warrant at the time the search was made. His Honour agreed with these contentions, but dismissed the action, on the ground that, as the search had been made with the plaintiffs consent, there was no assault.

Special Service At The Y. M. C. A.

Over 300 young folks enjoyed the after church service at the Y. M. C. A. last night.

Rev. Thomas Rodger of Toronto was the special speaker of the evening. He based his remarks on "If Jesus Christ is not Lord of all He is not Lord at all." This led up to Mr. Rodger's appeal for recruits for the ministry especially the ministry in Foreign lands, as well as recruits for all Christian callings.

The speaker claimed that if we accepted the Lordship of Jesus Christ we would yield our lives and desires to Jesus and would go wherever we were sent.

The speaker told of a student in a B. C. University that said he dare not accept the Lordship of Jesus Christ because it would mean that he would have to go to a foreign mission post in Africa and he made the frank confession that he did not want to go to a foreign mission field but wanted to make a success of his life at home.

This student however after a talk with Mr. Rodger and prayer came to view things differently and gave his life in preparation for Foreign Missions.

The speaker made an earnest appeal to all the young folks present to acknowledge the Lordship of Jesus Christ and prepare to serve Him.

Mr. Rodger said that our bodies were the temple of the holy Ghost and were to be kept pure and healthy and ready to be of service to our Lord and Master.

In closing the speaker wished for the Young Men's Christian Association, increased support and usefulness throughout the year 1928 and also expressed the wish that a new building might soon be provided for the increased work which is now going on in the Charlottetown Y. M. C. A.

The hearty thanks of the audience was extended to the speaker by Mr. W. E. Bentley.

The special musical program under the direction of Prof. Louis D. Thompson was as follows:

Tenor solo—Mr. Harry Craswell
Violin solo—Miss Thelma Teed
Soprano solo—Miss Flo Campbell
Zion Male Quartette, Messrs. H. Craswell, H. McDougall, J. McLeod, M. McKinnon.

Prof. Thompson accompanied on the piano for these special numbers and Mr. Walter McNutt played for hymns.

Trinity United Church Services

The services in Trinity United Church yesterday were appropriate to the season. In the morning Rev H. Johnson preached from the text "A little child shall lead them." Rev. Dr. Ramsay's discourse at the evening service was an the subject of reverence, the words of the text being "Put off thy shoes from off thy feet for the place whereon thou standest is holy ground."

The special music in the morning consisted of the anthem by Goss "O Saviour of the World". The evening anthem was Stamer's "Hosanna in the Highest." Mr. Percy D. Williams at the evening service rendered the solo "The King of Love My Shepherd is."

Mr. E. T. Higgs, treasurer of the congregation, spoke at both services presenting a statement of the financial requirements of the church in view of the closing of the financial year on the 31st inst.

There was a large attendance at the December meeting of the Women's Missionary Society which was held on the 7th inst. A fine Christmas programme was carried out and enjoyed by all. As this was the annual meeting the election of officers took place resulting as follows:

The Mission Band gave a concert on Thursday evening. Heartz Memorial Hall was well filled by an audience that enjoyed every one of the eighteen numbers rendered by the little folks. The young performers had been well trained by Miss Mabel Newsome assisted by Miss Pearle Johnson, Mrs. Norman Lowther and Mrs. Lloyd W. Shaw, section leaders and other helpers.

The Young People's Society held its regular meeting on Friday evening. After devotional exercises and a business session, the meeting proceeded with the special programme which took the form of an open debate on the resolution "That the Chinese should be excluded from Canada." Six speakers took part, and succeeded in holding the close attention of the large audience. Unfortunately no vote was taken and this vexed question therefore remains unsettled.

Dr. Coffin's lecture course was continued on Wednesday, with an encouraging increase in attendance.
