Colds on the Chest

Ask your doctor the medical name for a cold on the chest. He will say, "Bronchitis." Ask him if it is ever serious. Gently, ask him if he prescribes Ayer's Cherry Pectoral for this disease. Keep in close touch with your family physician, and follow his advice carefully.
We have no secrets! We publish the formulas of all our preparations. J. C. Ayer Co., Lowell, Mass.

THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block—Charlottetown.

ANY good, industrious country boy, from fifteen to seventeen years of age, who desires a position should apply at this office at once. A good chance for the right boy.

THE Wesleyan says:—Pownal Methodism has lost an aged member by death in the person of Mary Ann, wife of John Stewart of Mount Albion at the age of 77 years. About three years ago she was stricken with paralysis which prevented her from performing her every day duties and from attendance at church, where her seat was never vacant when she was able to attend. Her cheerful manner won for her many friends, and her name will not soon be forgotten in the community, where for over one-half century she was a prominent resident.

THE Guardian's correspondent at Mayfield writes: The people of Mayfield are at present busily engaged hauling dulce, firewood, etc.—Quite an enjoyable parlor social was held at the home of Charles and Mrs. Wyand, Tuesday the 22nd inst. About ninety guests were present.—Ernest Houston of North Rustico is visiting friends in Mayfield.—Overseer Mr. DeWitt Brown is keeping the roads in a splendid condition this winter.—Miss Georgenia Simpson has returned to her home in Bayview, after spending a few days with Miss Annie Fraser.—The many friends of W. M. Roberts will regret to learn that he is not improving in health.—Miss Lulu Toombs, Long River, is the guest of Wm. and Mrs. Rodd.

THERE are now in circulation a great many souvenir postal cards of Prince Edward Island, some of them very handsome, but all differing from one another, like the stars in glory. All prove useful in advertising the Province and have undoubtedly done good work in this respect. But the top notch of excellence and effectiveness has been reached in a double card published by Haszard & Moore, from a most effective photo made by J. A. S. Bayer which shows a panoramic view of Charlottetown and its harbor, the point of view being from the top of the Provincial Building. The card is engraved in colors and shows with fidelity the southern portion of the City and all the buildings in the range of view are clear and distinct. This card is of undoubted value as a souvenir and advertising medium for beautiful Charlottetown, and the reasonable price, for the double card, 5 cents, will no doubt ensure a large sale.

AT the residence of her son, John Hayden, Cherry Valley, on Jan. 3rd the death took place of Ann Tweedy, relict of the late James Lewis Hayden, at the advanced year of 87 years. The late Mrs. Hayden came to this Island from Yorkshire, England, with her parents 80 years ago. In her death Cherry Valley loses one of its oldest and most esteemed residents. During her long and useful life, she practiced many virtues, looking well to the ways of her household, considering the poor and aiding every good work by precept and example. The last days of her life were dimmed by failing sight, but her mental vision was clear to the last. Through life and at its close she gave unmistakable evidence of the sustaining power of divine grace. One son and one daughter, Mrs. William Webster, M. Stewart, survive her, to cherish the memory of a devoted mother. She was laid to rest beside her husband, and daughter the late Mrs. W. S. N. Crane. The memory of the just is blessed.

A CORRESPONDENT at Mt. Allison Ladies' College, writes: Rev. Dr. Stewart, a member of Mount Allison Board of Regents for over forty years, a Professor in the University for thirty-seven years, left for St. John on Saturday, to take part in the Jubilee celebration of Exmouth St. Methodist Church, of which he was its first pastor fifty years ago. Dr. Stewart has had charge of a number of circuits in Nova Scotia, Mutquodoboit, Shubenacadie, Liverpool, Margaret's Bay and Sambro, before 1855 when he went to St. John, then later Windsor, Lunenburg Amherst and Truro. He came to Mt Allison in 1870. Miss Stella Eaton of Canning, N. S., and Miss Florence Cochrane of Petitcodiac, N. B., have just returned from Montreal, where they were sent last week as delegates from the Y W. C. A., to attend the Dominion Council of the Young Women's Christian Associations of Canada. The January number of Allisonia, the magazine published by the Eclectic Society, has just been issued to subscribers. It contains about forty pages of reading matter, and seven of illustrations, story of Beausejour by Miss Effie Patterson, of Aylesford, N. S., is one of the first articles. It won the Tribune Prize in 1906. Miss Patterson graduated from the Household Science Department last June and is now pursuing her chosen study at the Massey-Treble School in Toronto. On entering, she won a scholarship of eighty dollars, which gives her free tuition for the year. There is also an article on George Thomas Lanigan, author of the well-known "Ahkoond of Swat," and another on "Notable Pictures in Owen's Art Museum at Sackville." This Museum contains paintings and casts worth $80,000 and there are half a dozen pictures worth from $1000 to $3000 apiece. Among photographs of Nova Scotia students which are published in this number of Allisonia, are:—Miss Beatrice Fraser, Truro, Miss Mussey Smith, Miss Claire Woodill, and Miss Mabel Theakston of Halifax, Miss Winnifred Sinclair of Guysboro, and the Misses Pickup of Granville Ferry. About twenty persons have already joined the party which Dr. Borden is to conduct through Europe this summer. He sails from Montreal, June 15, on the S. S. Kensington.

Minards Liniment cures Garget in Cows

Minards' Liniment Cures Distemper

THE KING'S COUNTY GUARDIAN

On Friday, in Souris, six cases came up for hearing before Stipendiary Inman. The Court room was crowded. Following is a list of the cases: M. J. Campbell v H. J. Mabon. Action for a first offence against the Prohibition Act. Defendant fined $100 and costs. A. J. B. Mellish for prosecution. A. L. Fraser for defence. Campbell vs J. C. Ferguson. Action for breach of Prohibition Act, first offence. Adjourned one week for judgment. Mellish for prosecutor, Fraser for defence. Campbell vs Anderson, first offence. Dismissed, Mellish for prosecution. Fraser for defendant. The cases against Isadore Chaisson Robert McLaughlin and John McNutt, were adjourned for one week. Mellish for prosecution, in the latter three cases and Fraser for McNeill and Chaisson.

A King's County correspondent writes: —Bay Fortune river is now bushed and is considered safe to travel on.—Mary, daughter of Joseph Coffin, Fortune Bridge has gone to Royalty Junction to visit her sister Mrs. Joseph White.—Charlie Vanderstine of St Peters Bay has sold his four year old hackney, Kelwick Fireaway Jr., to Wm. R. Webster and Geo. Wood, Fortune Bay for which he received a handsome figure.—Reginald Dingwell, lobster packer, Bay Fortune, has his new dwelling house about completed. It reflects much credit upon its owner, and also on Lourlin McGinnis of Souris East who had charge of the work. The cellar wall and foundation are of concrete and imported lumber was used throughout in the construction of the building. It is very neat and attractive looking and adds much to the appearance of the place.—Ark of Safety Lodge No 76 I. O. G. T. held its regular meeting Jan 26 h and the following officers were elected for the ensuing quarter: C. T., Wesley Jackson; P. C. T., L. McCormack; V. T., Essie Francis; Chap, Ella Campbell; Secy Annie Burke; A Secy, Alice Jackson; F. Secy, Herbert Jackson; Treas, Myrtle Jackson; M., Eldon Burk; D. M., Percy Burk; G., Chester Burk, Sen, Gordon Dingwell.

PAINS IN THE STOMACH.

After working all day, sewing, scrubbing, baking, sweeping, washing, writing, operating a typewriter, or behind the counter, a woman is sure to get tired. It's too bad a woman has to work, still that's the way the world goes, but it's a consolation to know that the pains which come through hard work and worry such as headache, backache, indigestion and dyspepsia can be cured by Hutch Tablets. They are put up inexpensively so anyone can buy them. 10 for 10c. For sale by all druggists.

The shorter the type-bar and the greater the distance between their bearings the more accurateely the keys will strike and the longer they will strike true.—This makes the printing mechanism of the Smith Premier Typewriter the best in the world—it has the widest bearings and the shortest type bar of any complete typewriter.
