SUMMER COMPLAINT.

One of the Commonest and Most Dangerous of Diseases.

Everyone Should be Prepared for it with a Bottle of Dr. Fowler's Extract of Wild Strawberry.

Very few people escape an attack of Summer Complaint. It may be slight, or it may be severe, but nearly everyone is liable to it.

You cannot tell, when it seizes on you, how it may end.

Let it go for a day or two only, and see how weak and prostrated it will leave you.

There is only one safe way to cure it and that is by DR. FOWLER'S EXTRACT OF WILD STRAWBERRY. It has been on the market for sixty-three years and has been proved and tried so you are not experimenting when you buy it.

Do not accept a substitute or imitation, as many of these are positively dangerous to life and health. Insist on having DR. FOWLER'S.

Mrs. Norman H. Eisau, Ship Harbor, N.S., writes: 'Last summer my baby was very bad with Summer Complaint. I tried most everything for him, but nothing seemed to help. One day a neighbor called in and told me to try DR. FOWLER'S EXTRACT OF WILD STRAWBERRY, so I got a bottle and after a few doses my baby was cured. I shall always keep it in the house."
