CANADA'S FAMOUS MEN AND WOMEN

Gladly Testify to the Great Value of "Fruit-a-tives."

Hon. Senator Costigan (member of the Cabinets of five Premiers of Canada), says:—"Fruit-a-tives is the only medicine I ever took that did me any good for Constipation."

Mrs. J. R. Flock (widow of one of the most prominent physicians in London), writes:—"I was a constant martyr to Stomach Weakness all my life and no physician could cure me, but Fruit-a-tives gave me entire relief and I strongly recommend this medicine."

Mr. James Dingwall (Superintendent of St. Andrew's Sunday School in Williamstown, Ont., for nine years) states: "I am now ever eighty years old, and I can strongly recommend Fruit-a-tives for Bladder and Kidney Trouble and Chronic Constipation."

Mr. H. Marchessault (High Constable of Quebec), testifies:—"I suffered for ten years with Severe Pain in the Back. Nothing did me any good until I tried Fruit-a-tives."

Mr. W. J. McComb (the leading merchant of Trenton, Ont.), writes:—"I was a martyr to Headaches—consulted doctors — wore glasses — without the slightest relief. Then I took Fruit-a-tives and this remedy cured me."

This is the kind of evidence that convinces. Dealers everywhere have "Fruit-a-tives." 50c a box, 6 for $2.50, or trial box, 25c. Sent postpaid on receipt of price. Fruit-a-tives Limited, Ottawa.

THE PRINCE COUNTY GUARDIAN

Offices in Summerside, J. Frank Lafferty, Manager, and in Alberton, Herbert Clark, Manager

—The latest news, first of all.

—Miss Dora L. Trainor, Emerald, is visiting in Summerside, the guest of Mrs. John T. McNally.

—Miss Belle Cole of Bedeque has purchased the house at Centreville, formerly owned by the late David Shepherd.

—Wesley Myers, Bedeque, leaves shortly for Calgary, and if he decides to reside there he will be joined by Mrs. Myers.

...Many improvements and repairs have been made to the East Point lighthouse, and the adjoining building, containing the fog-horn.

—On Wednesday last The Guardian referred to the illness of David Read of Summerside in mistake for David Kirk. The error occured in taking the message by telephone.

—Artemas Leard of Bedeque has purchased the residence owned by W. S. Newsom of Summerside and Mr. Newsom has bought a desirable property from Mr. Brown, Summerside.

—A correspondent writing from Bedeque, says, Dr. Ballem is kept busy, is very skilful and a general favorite.—Miss Edna Moyse, is proving most successful as teacher of Bedeque School.

—Miss Eva Harris of the millinery department of Sinclair and Stewart Limited, Summerside, left on Friday last to attend the millinery openings at St. John. Misses Glyden and Stewart of the same firm also leave today to attend these millinery openings.

—J. Hale Strong, of Summerside, who has been teller in the Bank of Nova Scotia, Sackville, has been transferred to the head office of the bank in Toronto. Mr. Strong has been succeeded as teller by J. Pinder, of Fredericton. Mr. Pinder has come to Sackville from the Port Elgin branch of the bank.

—E. J. and Miss McTague are desirous of extending thanks to the good people of Tignish and surrounding country for the many acts of kindness at the time of their recent bereavement. They wish also to thank those who sent wreaths and would wish to specially mention Supt. Sharp and the Order of Railroad telegraphers.

—A serious, if not fatal accident, took place at Centreville, on Saturday noon last, as a result of which, the 13 year old son of Patrick Connolly arrived at his home in an unconscious condition. The boy had been hauling wood all the morning and when unharnessing the horse was kicked by it on the left temple, about two inches above the ear, fracturing the skull. Medical aid was at once summoned, but very little hope is retained for his recovery.

—The branch office of the Charlottetown Guardian will be found on Water Street, Summerside, directly opposite Prince County Drug Store. 3—11drtf.

—In the Police Court at Summerside Saturday morning Elijah Linkletter (Lidy) was fined $2 or 5 days on a charge of drunkenness. He took the days.

—John McDonald of Hamilton Road was brought to Summerside and lodged in Prince County Jail by Constable Ramsay of Dock Road on Thursday morning last, to await trial at Supreme Court in June next on the charge of assault and threatened arson, the case having been heard at O'Leary before P. N. Pate and R. Ellis, J. P.'s.

—In the report in Prince County column on Saturday last, of the horses getting through the ice between Bedeque and Summerside, The Guardian representative was misinformed as to the condition of this ice. Those who travelled on the ice on Saturday reported it as being in excellent condition, the only dangerous places being only a short distance from the shore, where it has sunk with the weight of the water running off the land. The bushed roads between Summerside and Bedeque are all in excellent condition and perfectly safe for some time yet.

—Owing to the amount of time taken up at the Institute Meetings by the resolutions which were introduced several other resolutions of much more importance were unable to be introduced. Among them was the following which was to have been moved by Gavin Harding of Graham's Road. Whereas inspectors MacIntyre, Campbell, Kielly, Matthews and Boulter have stated in their reports that the teaching of classics and the higher mathematics is detrimental to the best interests of our public schools and whereas it is desirable that our teachers should be fitted to give such agricultural education as will turn the attention of the students towards agriculture. Therefore resolved, that we the farmers of Prince Edward Island in convention assembled place ourselves on record as disapproving of the teaching of Latin in our ungraded schools and would respectfully urge that it be not required for matriculation to P. W. College, and that the course now offered for third year students at P. W. College be discontinued, that more time may be available for teaching agriculture.

—At an adjourned meeting of the Town Council held in the Council Chamber, Summerside, Saturday evening, the Mayor and all the Councillors were present. Councillor McLellan, chairman of the committee appointed to prepare a bill to be presented to the Legislature amending the town bye laws, submitted a draft of the same, which was adopted. This bill provides for a special tax on banking companies, express companies, insurance companies, steamship companies or any outside parties having an agency or office in Summerside, this tax ranging from $10 to $200. It also provides a special tax on horses other than already taxed including hauling or selling stone and sand, also on ice dealers and owners of skating riks. It also provides for an assessment for a sum not exceeding 50 p. c. of the cost of concrete sidewalks on all premises in front of which the sidewalk is being laid. It also provides for a tax on transient business on the average value of the stock carried during the year. A petition from certain citizens protesting against the action of the Council in dismissing Albert Gaudet from the position of Street Commissioner and asking for his reinstatement. This petition was referred to the street committee with power to act. The clerk was instructed to communicate with Supt. Sharp in reference to the railway taking their supply of water from the town system.
