Charlottetown Business College Notes

Actual Business Practice is now the order of the day at the C. B. C. Those who entered during the first week of the term have passed out of the Theory into Practical work.

In order to be fully up-to-the minute the C. B. C. is having installed in its already well equipped Typewriting Department, a number of the very latest typewriting machine made. None but the BEST is good enough for C. B. C. students—is the motto.

Miss Corcoran, head teacher in the Shorthand department, is bringing to bear her long experience in practical office work, and the result is wonderful progress on the part of the students. Apart from her experience in office work and the class-room, her rating at the Phonographic Institute demonstrates that she has a thorough grasp of her work.

It is very pleasing to Principal Miller to receive calls from former students and talk over the happy and profitable days spent under his tuition. When such men as Adam Andrew, Judge Hyndman, Hon. J. F. Fraser (Davis & Fraser) and a host of others ascribe their start in life to the C. B. C.—it requires something more than honest argument to convince the average young man or woman that the C. B. C. is not THE place to attend for a SOUND BUSINESS EDUCATION.

The space so delightfully occupied by the Charlottetown Business College is large enough to hold one of the ordinary colleges and leave a good class-room over. Inspection invited.

classes. There is a lack of breeding generally.

The Ayrshire Boys' and Girls' Club

A notable feature of the Ayrshire cattle exhibit this year was that of the boys' clubs, there being two entries, the Brookfield Club and the Progress Club, the members of the latter being around Charlottetown. Following were the results:

Brookfield Club Winners,
Heifers—
1. Walter MacMillan 2. Peter Matheson 3. Lloyd Duffett 4. Willard Prowse 5. Chalmers Newson 6. Sheldon Wood 7. Mae Prowse 8. Edith Prowse,
Calf Class—
1. Walter MacMillan 2. Willard Prowse 3. Mae Prowse.

Progress Club,
Heifers—
1. Lorne Thompson 2. Gordon Roberts 3. Roberta Boswell 4. Percy Lund 5. Robert McRae 6. Earl Rankine 7. Lester Rankine 8. Edmund Robertson.

Grassey Archibald cup championship, female owned by any Boys' Cattle Club on the Island, won by Lorne Thompson.

This cup must be won twice, not necessarily in succession, before it becomes the property of the winner.

Reserve Champion, Peter Mathieson. This boy won 300 lbs. of Malagash Salt Lick, contributed by Chambers & McKay New Glasgow.

A very interesting feature of these Clubs' competition was the fact that the judge was Unsworth Gurney, one of the members of the first club organized in the Maritimes. He placed the animals very satisfactorily.

The competition was in charge of Mr. C. A. Archibald, Live Stock Promoter for the Maritime Provinces.

The Fruit

Mr. A. S. Alcorn of Berwick, N. S. who judged the fruit states that owing to the season being two weeks later than last year and the exhibition earlier the exhibit was not so large, nor so good a quality as under more favorable conditions. The apples were under size and off color, but the showing of plums though not so large as usual was very creditable. The local pears were under the average but there were some good specimens from the Annapolis Valley. The apples from the latter district, having the advantage of a somewhat earlier season were superior to the Island product at this time.

In view of what he has seen at previous fairs in Charlottetown, Mr. Alcorn could not understand why more interest is not taken in the fruit industry, as he believes that climatic and other conditions on the whole are favourable. Mr. Alcorn endorsed the remarks made by Mayor Miller at the opening of the exhibition regarding the care of orchards and fruit grading.

HOLSTEINS

The Holsteins were judged by Mr. R. J. Kelly of Ingersoll, Ont. The entries were not large, he said but the quality was good. A yearling heifer won the championship in the breed. The Banbury herd did not show this year otherwise the competition would have been more interesting. Mr. Kelly who also judged the grade cattle said that the prize for grades should be cut out of the prize list as this is being done in most of the other shows.

HAMPSHIRE SCHOOL EXHIBIT. An exhibit that every one should see in the main building is that of the Hampshire School. This school has the proud distinction of winning the magnificent cup donated by His Honor Lieutenant Governor Heartz for the most worthy accomplishment in beautifying school grounds, the competition being conducted by the Canadian Horticulture Commission. This trophy is shown in the Exhibition, surrounded by thirty samples of flowers grown in the gardens surrounding the Hampshire School. It is simply wonderful what the pupils have been able to accomplish in this line. It will be noted that a pupil of this school, Miss Rita McNeil won the prize essay on "School Gardens." Mr. David T. Fraser, of Kingston is one of the enthusiastic supporters of Hampshire School and is in charge of the exhibit. Miss Florence Dockendorff is the teacher of Hampshire School.

Dandurand Sells Coutu to St. Pats

MONTREAL, Sept. 23.—According to the Montreal La Patrie, Leo Dandurand, manager of the Canadiens National Hockey League team, has sold Billy Coutu, last year's captain of the Habitants to the Toronto St. Patricks.

No details of the sale are given but it is understood that Coutu has been sold outright and without option.

THE CLOSING DAYS RACING HAS THE FASTEST CLASS

The 2.20 Class Pace Stake and 2.15 Trot and Pace, Between the Above Races. Johnny Miles and Jimmy Hawboldt Will Compete in the Five Mile Event. Make a Good Finish and Attend the Sport Today.

Today will be the final day for the Provincial Exhibition and Horse Races. The best program of the week has been left for the last day, and is sure to bring out a large attendance. The weather yesterday was an improvement on the first day so it is expected that today will be better still.

The 2.20 Class Pace Stake has a list of entries that is going to give the fans everything that is in a horse race, as the folowing starters will show: Hector, Colonel Waltz, Pansy Aubrey Gordon Harvester, Little Nig, Lacopia Plate Glass, Dan Patchen and Major S.

The 2.15 Trot and Pace were Bud Hal Princess Aubrey, Peter Stratton, Helen Aubrey, Dan Patchen, Plucky Dillard and Major S. produces a field of starters that has the makings of real racing close finishes and the delightful thrills of a real horse race.

The Five Mile Event

The five mile race between John C. Miles, of Sydney, Nova Scotia world's marathon record holder and James Hawboldt, of Westville, Nova Scotia both rival runners at this distance.

This is an opportunity the people of Charlottetown has been waiting all week for.

It is not often we have a world beater in our midst, so this afternoon should see a record crowd wend their way to the Exhibition track to see Canada's great hope for the Olympic games in Holland in 1928 perform against Hawboldt who has given the Champions some hard battles on the cinder paths of the Maritime Provinces.

Hawboldt holds the Maritime Record for the five mile race, but Miles in confident he can get under his time on Friday afternoon.

Twelve thousand people turned out two weeks ago to watch these runners in a five mile battle. twelve thousand people, highly excited came away satisfied that they had witnessed the greatest race ever run in Pictou County.

In conversation with Miles he is a very modest young fellow who does not boast of his doings merely saying he is doing his best and will continue to give his best in every race in which he enters.

Hawboldt is also a nice chap and we welcome him to our shores and trust he is having a good time among us. Not in a boasting manner Hawboldt asserts that he will give the champion a race from the starting point to the finish. With Miles determined to wipe out his last defeat at the hands of Hawboldt and Hawboldt equally determined to add new laurels to his reputation as a five miler, it should be one grand little old race and the people will get a kick out of it all the distance.

So everybody come out and help to call curtains on the 1926 Provincial Exhibition. You will have a great days fun with two good horse races, the five mile race, Rex Comedy Circus, 78th Highland Band and the Big Midway, what more can you ask for an afternoon.

Athletic Night at Y's Men's Club

Mr. Sam Doyle, President of the M. P. B. A. U., and Mr. George Dawson, trainor of James Hawboldt Maritime Champion five miler, were the speakers at the weekly meeting of the Y's Men's Club at the Y. M. C. A. last evening. Mr. Hawboldt, who will compete today in a race with Johnny Miles at the Exhibition, was also the guest of the Club.

President Doyle spoke of the world status of Canadian athletes, and referred particularly to the high standard of clean living and performance they maintained. Mr Dawson spoke chiefly of the athletic situation in Westville, his home town, and the neighboring districts. It would seem, from his remarks, that athletics of all kinds are very popular in that part of Nova Scotia, and that everybody, old and young, were keen followers of sport.

Y's Man, Ray Pendleton was chairman of the meeting, and Mr. Cleaver McLean was introduced as a new member.

4 Golf Stars Win In Low-Score Wave

GARDEN CITY, N. Y., Sept. 23.—A wave of low scoring swept over the Salisbury links today, carrying Walter Hagen, Leo Diegal, Johnny Farrel and Gene Sarazen on its crest to easy victory in the final round of professional golf association championship.

Joe Turnesa, of Elmsford, N. Y., offered less vigorous oposition to Hagen than a score of 3 and 2 might indicate. The defending champion, steering carefully through Salisbury's maze of traps, cut loose at the start with a commanding lead against the youth who finished second in the recent national open and was unexpected to win on the 34th green.

Today saw the passing from the fight of Jim Barnes, former open and professional title holder, who succumbed to a brilliant spurt by Sarazen 5 and 4. Others who kissed the turf during the day were Al Watrous, Bobby Cruickshank, former open champion and Harry Cooper, of Kansas City.

Lenglen As Style Leader

MONTE CARLO, Sept. 23.—Suzanne Lenglen when donning the professional cloak did not shed any of her popularity as fashion leader which for years she has enjoyed along the Riviera.

The tennis idol of France has magic in her feet on the ballroom floor. On her way to Italy recently Suzanne stopped at Monte Carlo over night. Clad in diaphanous blue—Suzanne blue—and a merry foot encased in pale blue kid with diamond button fastenings, the tennis champion evolved for several hours on the polished floor to the music of languorous tangos and lively fox-trots.

The next few days there was a rush by society women seeking blue kid shoes, and jewellers were kept busy equipping the footwear with diamond button fastenings.

"My friend," said the railway carriage bore, 'things are in a very serious state; the prospect is threatening, the horizon is black, the outlook is dark. I ask you can you discern one bright spot in the present situation?" "Yes, I can," replied the victim, "I am getting out at the next station."

"The human anatomy is a wonderful piece of mechanism," remarked the Professor. "Yes," replied the student, "pat a man on the back and you'll make his head swell."
