Summerside News.

BRANCH OFFICE, ECLECTIC BOOKSTORE.

Mr. White of the Charlottetown Registry office is here.

Ladies, attention! Drill in Ludlow Hall at 8 o'clock sharp.

The engine and snow plow went off the line six miles on this side of Tignish

The train from Tignish arrived here at 5.30 and went through to Charlottetown.

It has been suggested time and again that a society for the S. P. C. A. be started here.

Miss Wyatt returned to Charlottetown after spending a few weeks visiting Mrs. J. E. Wyatt of this city.

A Basket Social in the new hall was an unqualified success. One basket brought by a North Bedeque young lady brought $6.50. Over sixty dollars were realized in all.

A man named Landrigan, belonging to the west end, while driving to town the other day with a load of wood lost his horse. The animal was weak from want of food and overwork. The owner had to unload the wood and hitch his horse to the back of his sleigh. He then saw that its usefulness was gone and he brained it with an axe.

Yesterday the following were nominated for Councillors, in the following order: Alex Campbell, P. R Baker, Jas, A. McNeill, Ronald Campbell, Jas, McLeod, John F Ramsay, J. E Lefurgey, W. H. Brown, J. H. Locke, John Goss, H. A Compton and W. P. Baker. Mr. Richard Hunt was declared Chairman, by acclamation.

It was amusing to watch one of the Postal clerks sa[illegible] Tuesday assorting the mail in a second-class car. He spread as many letters as he could in front of him and the rest he put under the seat and around about him the floor. Then the assorting process began. The mail was arranged in separate heaps for the different post offices and as the train jolted around the many curves of the P E. Island Railway, the letters trembled in the balance nearly being scattered on the floor of the car but the clerk was watching and with pluck and perseverance he kept them from falling. The railway has four postal cars, two running on the western road, one on the eastern and one on the mail special. The result is that when the road is blocked up in the west the train leaving Charlottetown is short of a postal car. Surely the railway could have an extra postal car for emergencies.

ECONOMY AND STRENGTH.

Valuable vegetable remedies are used in the preparation of Hood's Sarsaparilla in such a peculiar manner as to retain the full medicinal value of every ingredient. Thus Hood's Sarsaparilla combines economy and strength and is the only remedy of which "100 Doses One Dollar" is true. Be sure to get Hood's.

Hood's Pills do not purge pain or gripe, but act promptly, easy and efficiently.
