## LATEST FROM THEATRES

B. F. KEITH'S, NEW YORK.

B. T. Keith's Union Square Theatre announces the first Big Summer Vaudeville Carnival to take place Monday matinee June 23rd, when twelve of the biggest stars will be assembled together for this monster entertainment. In the announcement of the engagement of the popular Scottish comedian Mr. Sanderson Moffatt, is evidence of the fact that no artist is too high priced to appear at the Union Square Theatre, and the management has arranged to give during the entire Summer, the most expensive headlines and the latest American and European novelties. Mr. Moffatt will be pleasantly remembered as the original "Willum" in "Bunty Pulls The Strings" and will be supported by Miss Nyblom who portrayed the character of "Teenie" in the same great play. For this engagement, Mr. Moffatt will give us an amusing comedy, called, "A Wee Bit O' Married Life." The critics everywhere pronounce the playlet the best comedy of the season and we feel sure it will meet with big success here.

Still another musical comedy star to make his first appearance here will be Billy Arlington, one of the most popular and one of the greatest character comedians in vaudeville. Mr. Arlington will be supported by an excellent company and his farce comprises everything in singing, dancing and music.

Another feature will be Inglis and Redding, considered by everybody as two of the brightest entertainers on the stage today. Their specialty con-

sists of rapid-fire conversation and brilliant parodies. They are genuine "nut" entertainers and we are positive their success will be instantaneous.

Several other prominent names will be added, most conspicuous being Sutton, McIntyre and Sutton, in their amusing comedy, called "The Pumpkin Girl"; Gliding O'Nearys, two of the greatest terpsichorean artists on the American stage; Sue Smith, the "American Girl," in character songs; Canfield and Carleton, presenting the skit, entitled, "The Hoodoo" and the Richard Brothers, novel ring entertainers.

## THE LIFE OF A MARTYR

Was In Agony For Years And Nothing Gave Him Relief Until He Used "Fruit-a-tives" The Famous Medicine Made From Fruit.

ALFRED FERRIS, ESQ.

PENETANGUISHENE, ONT., March 4th, 1913  
"I want to inform you of what your remedy "Fruit-a-tives" did for me. For years, I was a martyr to Dyspepsia and Constipation, often having to leave work from the agonizing pains of Acute Indigestion. Doctors treated me continually, but without satisfactory results. It seemed to me that I tried every advertised medicine on the market, and got no relief. On one of the days that I was compelled to absent myself from work, a neighbor came to my house to whom I told of my suffering, and he said to me that all I had to do, if I had Dyspepsia, was to take "Fruit-a-tives". They would cure me. He had cured himself. I immediately procured a six box and continued taking them until cured. I suppose I took in all, about eleven boxes and I am glad to be able to say that I have been free of Indigestion for nearly two years. They cured the Constipation also. They were worth their weight in gold to me and I will be glad to have you publish this letter, along with my photo, if it will induce another dyspeptic to take the right road to a permanent cure."

Yours truly,  
ALFRED FERRIS.  
Don't suffer any longer. To-day—right now—get "Fruit-a-tives" and cure yourself. "Fruit-a-tives" will sweeten the stomach—strengthen the stomach muscles, increase the quantity of digestive juices, regulate Kidneys and Bowels, and make the digestion as sound as a bell. ## The Carruthers Silver Black Fox Co., Ltd.

INCORPORATED

Send to the Secretary-Treasurer J. D. McIntyre, M. D for Prospectus. It goes in detail into all the features of the venture and nothing is hidden by the loose general terms sometimes employed.

### Assets

- 4 pairs of the best pure bred Island Stock of Silver Black Foxes.
- 2 acres of land, being part of the farm of J. M. McLean, New Perth, an up-to-date ranch situated on the above mentioned land.
- The Incorporators will defray the incorporation and organization expenses, the care and feed of the foxes until Sept. 1st, 1914, so that the shareholders of the Company will have no expense until the beginning of the second year.
- The caretaker is a fox breeder of experience and is a stock holder of the Company. He receives a salary for the first year and his services can be secured for a further period if acceptable to the Stockholders.
- The Incorporators also guarantee to the stock-holders a dividend of 40 p. c. for the first year. The Stockholders have the benefit of the experience of men who have proven themselves a success in the fox business.

### Special Features

The organizers guarantee 40 p. c. dividend for the first year. This alone makes the investment gilt edged as after the first year the foxes are worth at least 50 p. c. more than the price they cost the Company. Should they fail to produce pups the stock holder still gets his 40 p. c. dividend. Should the increase sell for more than 40 p. c., and with ordinary increase the stockholders can expect nearly 100 p. c., the stockholders get the full benefit.

The shareholders own the ranch outright and the permanency of the ranch is not at the caprice of a laud lord. This is essential to success as breeders rarely produce the first year after being moved to a new ranch. The Company have full control of the management. The manager, or any of the other officers can be changed at the will of the stockholders. The Stock in this ranch will consist of nothing but the first quality of pure bred Island foxes.
